Proceedings
of the
238th Annual Session
of the
Sandy Creek Baptist Association

BENNETT BAPTIST CHURCH
October 28, 1996
MONDAY NIGHT

Theme: "Taking Jesus to Our Market Place"

1. Carl Hemphill, Moderator, called the 238th session to order at 7:00 PM.
2. David Daly, Pastor of Pittsboro Baptist Church, read Matthew 9:35-38 and Acts 1:8 and led in prayer.
3. Tim Strider, host Pastor welcomed the messengers, pastors, and visitors.
4. Bill Poindexter, Chairman of the Program Committee moved for adoption of the program as printed. So adopted.
5. Hubert Garner, General Board Representative, reported that many changes have been made during his 4 year term. A new proposed way of determining representatives will be voted on at the State Annual Conference in November. The new procedure will divide the state into ten regions. Representatives will be chosen irrespective of the associations within them. Divinity schools connected with Baptist Universities now total three. In 1996 the total dollars contributed to Baptist causes dropped. Jonesboro Heights is to be congratulated for being in the top 100 contributors to the Cooperative Program.
6. Mary Upchurch, Chairperson of the Stewardship Committee, reported that after checking the cost of an external audit, the recommendation was made through the Stewardship Council and passed by the Executive Board that we have internal audits for three years and then have an external audit the fourth year. The Treasurer's Report was presented in the absence of Joyce Cagle, Treasurer and accepted by General Consent. The 1996-97 Budget was presented with a correction of the 600.00 line item: Audit being omitted and the 600.00 being transferred to the line item: Evangelism. The total now being 2,000.00 for Evangelism. The Administrative Assistant is now working 40 hours per week which reflects an increase. Section II has been added representing designated funds received from the Baptist State Convention and also special mission projects within the Association. These items concern designated funds and do not affect the operating budget. On behalf of the Stewardship Council, motion was made for adoption of the printed budget for 1996-97. So adopted.
7. Miss Burdine Womble, Association Historian, shared facts concerning the history of Bennett Baptist Church. Printed in the Reports section of the Annual.
8. Wayne Phillips, Chairperson of the Lawhon Fund Committee reported that the committee had met several times and voted to recommend to the Executive Board that the fund be done away with and the money be put in the General Fund of the Association. Any money paid in the future would be put in the General Fund. Motion made to accept recommendation of this committee. So Carried.
9. D. Tony Carson, Minister of Music at Siler City First, led the congregation in singing "I Will Sing the Wondrous Story," accompanied by Mariam Davis.

10. Eric Davidson, Discipleship Training Director 1995-96, presented a trophy to winners of Children's Bible Drill and Youth Bible Drill attending Annual Meeting. All winners are listed in Discipleship Training Report printed in reports section.

11. Dorothy Hart, Clerk, called attention to the Digest of Profiles, printed in the Book of Reports and thanked the Church Clerks for their patience and hard work getting the information together and into the Associational Office. Special THANKS to the clerks that used electronic filing, which was over fifty percent this year. Clerks with profiles that were on time and had no mistakes were: Jeanette Oldham, Antioch; Virginia Smith, Bennett; Berta King, Bethany; Gilbert Sanders, Bonlee; Patti Dodson, Cool Springs; Doris Brady, Fall Creek; Kim Harris, Flat Springs; Terry Smith, Goldston; Mildred Hipp, Gum Springs; Kim Gaines, Hickory Grove; Mary Lee Moore, Hickory Mountain; Marie Burge, Hunt Springs; Joyce Cagle, Jonesboro Hgts.; Deborah Garrison, Juniper Springs; Burdine Womble, Loves Creek; Stella Jones, Mays Chapel; Lucy Jenkins, Moncure; Betty Brown, Moon's Chapel; Denise Dixon, Mt. Olive; Carole Herndon, New Salem; Linda Phillips, Rives Chapel; Brenda Fuquay, Rocky River; Emma J. Burke, Sandy Branch; Clara Fields, Sanford First; Pat Wright, Sanford Mission; Patsy Beard, Staley; Mary McCormick, Tramway; Dianne Brooks, Tyson's Creek.

12. Registration Report: Total was 204 (140 messengers and 64 visitors).

13. Moderator, Carl Hemphill, welcomed the new Pastors present at their first Annual Meeting. In attendance were David Daly from Pittsboro, Greg Burriss from Rocky River, and David Hicks from Goldston.

14. Roy A. Smith, Director of Missions, presented Certificates of Appreciation to the Officers and Directors of the Association for long hours of hard work over the past year. Certificates from the World Changers Organization of the Brotherhood Department were presented to Wanda Howard, leader of the Nicaragua Youth Mission and Dot Hart, leader of the Tennessee Youth Mission.

15. Roy A. Smith, Director of Missions Report as follows: You will see the sad news on page 29 that baptisms are down 16%, from 289 last year to 244 this year. We saw slight drops in Total Membership (12,420 to 12,229), Sunday School enrollment (7735 to 7598), Vacation Bible School enrollment (4354 to 4138), WMU enrollment (2137 to 2050), and SBC Mission giving (897,452 to 827,826). However, Brotherhood increased enrollment (from 954 to 1445). Cooperative Program giving increased from 296,911 to 299,016. I am most grateful that giving to Associational missions increased from 105,536 to 113,900. We are giving at an average of about 2.5% of undesignated receipts. If we achieve the 3% level that the Stewardship Council has asked for several years we would be capable of funding all of the mission work that God has called us to do. The budget is printed on pages 11 & 12 of your Book of Reports. We have added a second section to show designated funds we expect to receive. We expect to receive almost 20,000 from the BSC this year. This money comes from Cooperative Program, Home Mission Board, and the North Carolina Missions Offering. This money could be used in other areas if we funded our work ourselves. Challenge! This Association was founded in the Agricultural Era. It was appropriate to have one and two week associational meetings to justify the long journey by walking, horseback, buggy or wagon. Later we transitioned into the Industrial Age. We shortened the Annual Meeting to two nights. The structure of the association centered more around committees and committee meetings, council meetings and board meetings. We now find ourselves in what many are calling the "Post-modern Age." Time has replaced money as the most valued commodity for many of us. We have less and less time to spend in meetings and our expectations of the meetings that we do attend have been heightened by technology, the media, and the entertainment industry. We must be

very intentional about every meeting that we schedule. The church is the bride of Christ. The church is the body of Christ. Jesus said of Peter's confessional statement recognizing Jesus as the Christ (or Messiah) that, "on this rock I will plant my church." The Association does not consist of the staff, rather it is made up of the local churches of "like faith or practice." We must find new ways for resourcing our local churches. A healthy association is made up of healthy churches. In the Industrial Age the committee was the structure of choice. In the "post modern" age, I believe work teams or ad hoc committees will be the structure of choice. Under the old system we had a youth director. We do not have one this year. Is that by accident, poor work or Divine guidance? I think we are seeing plans rise up from the church youth groups and we need to ride the wave that is building. Another example is the Evangelism Council. Unlike the youth area, we have a functioning committee. Yet, we see much work being done on the congregational level. We have East Sanford planning a two week tent revival the end of May. We have Pittsboro doing some creative things with their music program, not just for their church members but as an outreach into the community. We need to ride this wave that is forming and moving across the association. God is giving us new waves all around us. For example, Sims Pointexter has led us to form the first off-campus BSU in North Carolina. It is called the Fellowship of Christian Young Adults. If you have any high school seniors or college age young adults you should be inviting them to these monthly meetings. Recently we got word that another association has followed example. Another wave is church planting. Some say that there are enough churches in the heart of Carolina, that we have a church on every corner and plenty of empty pews. Yet, you have before you a budget that will support 3 Hispanic Missions and 2 Anglo new church starts. One is New Life Community Church. The Pastor is Craig Dodson. Their first public worship will be November 10th in the Associational Building and Cool Springs is the sponsoring church. The other will be in the Snow Camp Community and Mount Olive is the sponsoring church. This mission work is contagious. Mt. Zion Association had their annual meeting last week and voted to join us in planting the Snow Camp Church and to put in \$6,000 the first year. Not only that, but Grove Park Church has voted to be a co-sponsor and help with the funding and we are waiting to see if other churches will catch the mission spirit as well. Would any of you like to go back to your church and pray about being a co-sponsor? Although my report is printed in the Reports Section, I do want to point out the restructuring proposal. We need to understand this and be ready to vote setting aside our by-laws in order to try this for the next year. Change can be scary, but it can also be positive and good. The gospel is all about change, transformation, renewal. This kind of change will only come about through prayer. I am excited about the formation of a Prayer for Spiritual Awakening Council. I am not excited about another committee meeting and more structure. I am excited about what God can do with a few men and women willing to pray until we experience revival and spiritual awakening. God's Spirit is moving in other parts of the world. I read this weekend about how our missionaries in Mozambique continue to see amazing response to the Gospel among the people in the Zambezia province. Three mosques have recently closed down because their congregation have been converted to the Lord—an amazing example of the outpouring of the Holy Spirit. There are many Muslims right here in North Carolina that don't believe that there are ever any conversions from Islam to Christianity. They have only witnessed our people converting to Islam. God wants to do here what He is doing in other places...If we will but humble ourselves, and pray and seek His face and turn from our wicked ways!

16. Keith McMath, Brotherhood Director referred to the Brotherhood Report. (Printed in the Reports section of the Annual) In addition to the opportunities listed, he stated that there is a need at Fort Caswell to repair storm damage. Associational Brotherhood aim for the year is to make information available to all Sandy Creek Association churches of the opportunities to serve, in manual labor, in giving and witnessing.

17. Bill Poindexter, Men on Mission-Homeland Missions Coordinator of Region 4 offered to the churches a video produced by the Brotherhood Department on the tremendous amount of work that was accomplished after Hurricane Fran by the men and women of North Carolina. Men on Mission sponsored Lay Renewal Revivals that were held in two churches in the Sandy Creek Association with very good response. The Hispanic Mission building project is now hanging sheetrock and doing finishing work. All labor is on volunteer basis. God has really blessed.

18. Terry Thompson, Mission Development Chairman, shared about different ministries that the association has taken part in this year which included a time of devotion and fellowship for the local fair workers and an on-site cook-out for the men at the Sanford Correctional Center.

19. Roy A. Smith presented slides of mission projects of the association which included: completion of the Sanford Hispanic Mission building; meal and worship services for migrant workers in Broadway area; construction work on the Pittsboro Hispanic Mission building; Siler City Hispanic mission still growing and looking for land to build; refreshment, fellowship, and devotion for Lee County Fair Workers; Crisis Pregnancy Center was opened at the Sandy Creek Resource Center; Belarus children were hosted for six weeks; Ira Sutton, Avron Upchurch, and Roy A. Smith traveled to South Africa on a fact-finding trip that designated projects to start the work of the North Carolina Baptist Convention/South Africa Partnership.

20. The Alleluia Choir, directed by Rev. Tim Ames, Minister of Music at Pittsboro Church and accompanied by Miriam Davis, pianist, sang a medley of *worship songs*. Very beautiful!

21. Tony Biancardi, dentist and Mission Volunteer of Pittsboro Church, presented slides of his trip to the Himalayan Mountains of Northern India. The trip was organized by the Baptist Men of North Carolina and the Cooperative Outreach of India. They entered the country as a Humanitarian Team of Doctors and Nurses to spread the gospel as they helped deal with the medical problems of the people. Praise was given to God for the victories happening in this country where people are hearing about Jesus for the first time.

22. Greg Burriss, Pastor of Rocky River, led in a pray of benediction and commission for Roy A. Smith and Bill Cook from Moon's Chapel Church, scheduled to leave October 31 on a mission trip to South Africa. Afterwards, refreshments were served in the fellowship hall.

FIRST BAPTIST CHURCH OF SANFORD

Tuesday Night, October 29, 1996

Theme: "Taking Jesus to Our Market Place"

23. Carl Hemphill, Moderator called the second session of the 238th Annual Session to order at 7:00 PM.

24. Steve Moore, Pastor of Emmaus Church read scripture from Matthew 5:13-16 and led in prayer.

25. Gerald Bridges, interim pastor of Sanford First extended welcome to everyone.

26. Dot Hart, clerk moved that the messengers present last night, those present now and those to come in later be constituted as the voting body of the 238th Annual Session. So adopted.

27. Ira Sutton, pastor of Cool Springs Church and chairperson of the Place and Preacher Committee recommend that the Monday, April 28, 1997 meeting of the Sandy Creek Association convene at Brookdale Church in Siler City. Steve Moore will be the preacher and Larry Bostian will be the alternate. And on Monday, October 27, 1997 we convene the Sandy Creek Association at the Primera Iglesia Bautista de Sanford. So carried.

28. Ira Sutton announced the first service of the New Life Community Church which will be held on November 10, 1996 at the Sandy Creek Baptist Resource Center.

29. Miss Burdine Womble, Historian gave a history of First Baptist Church of Sanford. Report is printed in the Reports section of the Annual.

30. Congregational hymn led by D. Tony Carson, Minister of Music accompanied by Mrs. George Langston, organist.

31. Dot Hart, clerk reported 126 messengers and 51 visitors registered, bringing the total for both sessions to 385 (266 messengers, 119 visitors) representing 34 churches and 2 missions.

32. Roy A. Smith, Director of Missions directed attention to the printed proposal for restructuring of the Association. Printed in reports section of the Annual. Basic changes are to take the Executive Board and the messengers in the Annual Session and merge those two together. Instead of the Executive Board meeting four times a year and the messengers in Annual Session meeting 2 nights a year, making a total of 6 nights per year, the proposal is to go to 2 nights of Annual Session and we separate those by 6 months. One meeting would be in April and the other in October. The number of messengers will increase. The proposal is for each church to have 8 messengers, plus one additional messenger for each 100 members over 200. We would like to suggest that you elect the members of your Church Council. Therefore, the leaders making decisions in your churches would be the same ones making decisions in the association. In addition, each church will be asked to elect a "liaison" to keep the association informed about what God is doing in your church. Under the new proposed structure the budget year of October to September would change to January thru December. Motion is made by the Executive Council, with unanimous approval, that the present By-laws of the Association be set aside, as it conflicts with this restructure proposal, to try for a period of 15 months. Motion carried with no opposition.

33. Carl Hemphill, Moderator appointed Denise Hayes from Moon's Chapel to be the Volunteer Discovery Coordinator.

34. Carol Fesmire, WMU Director called attention to the printed list of WMU Officers to stress openings still available for serving and to all the activities listed in the WMU Report that the GA's took part in last year. A plea was given for a GA Consultant for the coming year. Trevor Swart, Secretary of Transvaal Association from Johannesburg, South Africa will be speaking at Baptist Women's Day of Prayer in November. The Association was encouraged to support special offerings of the Southern Baptist Convention. WMU Annual Meeting will be held April 15 at Emmaus Church. The speaker will be Mildred McWhorter. Several events have been planned for all age levels this year. One change we are especially looking forward to is having the Prayer Retreat at Caswell on May 16-17. Another exciting event is bringing the Baptist Mens Medical/Dental Van to the Association on June 27-28. Plans are to minister to the migrant workers, Global Children, local needy children and senior citizens. The National WMU Project this year is Child Advocacy. Please give of your time through your church.

35. Moderator recognized new pastors present: Roy Helms from Loves Creek Church, Dwight Jenkins from Brush Creek Church, Matt Garrett from Moncure Church and Jonathan Rogers from Hunt Springs Church.

36. J.R. Bouldin, interim pastor of Hickory Mountain Church announced a bone marrow drive to be held November 16 at Loves Creek Baptist Church.

37. Jane Hardy, Chairperson of Nominating Committee, moved that the report be accepted as printed. Printed in the Reports Section of the Annual. So Accepted.

38. D. Tony Carson, vocalist; Shannon O'Conner, flutist; and Mike Kennedy, guitarist shared the song, "Jerusalem, My Happy Home."

39. Ann Womble led in a time of memorial for the loved ones that are no longer with us.

40. Roy Smith installed the new officers and directors for 1996-97. He read verses from Psalm 84 and led in a prayer of dedication for the leaders.

41. Primera Iglesia Bautista de Sanford Choir, directed by Pat Wright, sang "I am Happily Singing," "Bless the Lord" and "He Keeps Me Singing."

42. Darrell Williams, Pastor of Bonlee Baptist Church delivered the Annual Sermon. He used as his text Luke 24:44 and Acts 1:8. Three necessities were pointed out in this passage of scripture. The necessity to suffer was laid upon our Savior. The necessity of repentance was laid upon the sinner. The necessity to witness is laid upon the servant. Repentance and remission of sin should be preached in His name among all nations beginning at Jerusalem. The necessity of witnessing is laid upon His followers. The responsibility and the necessity that is laid upon you and I is witnessing to the nations. The gospel of Jesus Christ must be proclaimed and portrayed in our lives. Every Christian is an open letter for Jesus Christ. When we go into the market place and find there opposition from the world we need the power and presence of God to sustain us; to help us, to teach us, to encourage us, to give us that grace and strength that we need to perform the task He wants us to perform. He wants us to take Jesus to the market place. We are to take Jesus to the world as God gives us strength and grace. If Jesus Christ has touched our hearts and we know Him in a personal way, we have a story to tell. We have a message to deliver to those we encounter, day by day, that Jesus Christ has touched us and changed us. He saved us from our sins and He can do the same to others who trust Him. We need to fulfill the commission that God has given us that we take Jesus to our market place and that others might come to know Him in a personal way.

43. Dwight Jenkins, Pastor of Brush Creek Church, read from Revelation, Chapter 5 and pronounced the benediction.

44. Meeting adjourned, 9:00. Refreshments were served in the Fellowship Hall.

History of Bennett Baptist Church

On the fourth Sunday in April, 1911 a Sabbath School was organized in Bennett in the old store building belonging to Scott Brothers and Purvis. J.H. Scott was elected superintendent, E.L. Scott; secretary/treasurer; Edd S. Phillips, John Purvis, Mrs. Annie Phillips, and J.A. Scott were chosen as teachers to use Baptist literature. As they continued meeting for the Sabbath School, they talked about constituting a Baptist Church. In July 1911, Rev. K.C. Horner began a series of protracted services under a brush arbor where the present church stands. At the close of these services 16 Baptist from 4 Baptist churches asked to become members of a new church in Bennett. The land for the church was donated by J.H. and Isaac Dunlap. Three years later the church building was completed and in two more years was debt free.

On September 29 to October 3, 1921 (that's five days) the Sandy Creek Baptist Association met with this church. At that time they reported a membership of 67. As time passed, more space was needed. The present sanctuary was built on the same sight in 1953. Six years later the education building was added and then up until the present have added the parsonage, fellowship hall, choir loft, baptistery, vestibule, and paved the parking lot.

Bennett church has been interested in spiritual growth. They have grown from 16 charter members to more than 229. In 1968, they became full-time with Rev. Claude Johnson as pastor. They have hosted the Sandy Creek Association through the years, but most recently in 1975, 1985 and tonight. Bennett has given leadership to the association and supported all phases of the Baptist program. The present pastor is Rev. Timothy Strider, who came in 1988.

Shubal Stearns

The Sandy Creek Baptist Association makes a contribution each year of \$150.00 to the Shubal Stearns Memorial Fund. The Randolph Association, the Sandy Creek Baptist Church, and the Sandy Creek Cemetery Committee also make contributions to the upkeep of the cemetery at Sandy Creek Church, where Shubal Stearns is buried.

Each year we like to remind ourselves of the person largely responsible for our organization. In 1758 the Sandy Creek Baptist Association was organized under the leadership of Elder Shubal Stearns. Three years earlier, Sandy Creek Baptist Church was organized. Rev. Stearns, born in Boston, led a group of eight families and located in Randolph County on Sandy Creek. That's how we got the name. According to Purefoys History of the First 100 Years of the Sandy Creek Association: meeting at Loves Creek Church in 1858, the churches were requested to send up funds to the next Annual Meeting to erect a suitable tombstone in memory of Mr. Stearns, who was under God the honored instrument in planning this association. Almost 100 years later, on the Bicentennial of Sandy Creek Church, another monument was placed at his grave. Since the Sandy Creek Association is mother organization and Shubal Stearns was the early leader, we remember his vision. Baptist from many states each year come to visit this historic church and the monument to this early leader of Baptist.

First Baptist Church of Sanford History

The First Baptist Church of Sanford has had an interesting beginning. The minutes of the Cool Springs Church gives this account. The Baptists of the town of Sanford presented a petition asking Cool Springs to authorize its pastor, who at that time was Rev. C.J. Anderson, to organize a church at that place as an auxiliary to Cool Springs Baptist Church. They met December 3, 1893 in the school house with 15 charter members, coming from Cool Springs and Apex. Services continued there until 1896. The first permanent building was completed in 1896 on the corner of Steel and Carthage Street, now occupied by the Masonic Temple. They paid \$85.00 for the lot. By early 1900, the membership had reached more than 100 and was soon evident that they needed more space. The present building was completed in 1925. While the sanctuary was under construction, services were again held in the school in which the first members had met; however the frame school building had been replaced by modern brick.

The pastorium was build in 1947 and was occupied in 1948. This property was sold in 1972. As the church and Sunday School grew more space was needed. In 1953, a building program was begun and completed in 1956 at a cost of \$125,000. By 1977, the church had purchased all of the block on which the church is located. In December 1982, ground was broken on Phase I of the Family Life Center. Twenty-eight thousand square feet was completed in 1984, at a cost of \$1,150,000. A new pipe organ was dedicated in 1985.

Sixteen pastors have served Sanford First which now has more than 1,400 members. The First Baptist Church has truly grown while serving the spiritual and physical needs of the community. It is truly a missionary church; supports the associational and missionary programs. It is a pioneer in ministering to the deaf and more recently Hispanics. They have given leadership to all phases of our Baptist program. In 1981, Rev. Del Parkerson became pastor and under his leadership much progress was made. He retired last month and Rev. Gerald Bridges, retired from Cool Springs is the interim pastor.

Reports

Executive Board

Meetings during the 1995-96 year were held quarterly:

October	Sandy Branch
January	Fall Creek
April	Emmaus
July	Flat Springs

It has been a joy for me to moderate an association that really does have a mission of Christ for our Sandy Creek area and beyond. Under the leadership of Roy A. Smith, we have expressed this vision not simply in words only, but in actions as well. Evangelism and missions are mandate from our Lord, and it's exciting for me to see how these two are being promoted and carried out in our association.

In working with our Director of Missions this past year, I discovered we had a mutual concern pertaining to participation in this great work. We long to see more people from more churches involved in even more ministries of the Sandy Creek Baptist Association. Through eleven church "listening sessions" held this past year, folks shared ideas and wisdom that I believe will help generate new interest in our purpose and reason for being.

Thank you for allowing me the privilege of leading such a super body of saints. Your commitment and service have been a blessing to me.

Carl Hemphill, Moderator

Director of Missions

It is rewarding to see more and more people participate in missions, both near and far. This past year we have participated in fair ministries both at the State Fair in Raleigh and also the Lee County Agricultural Fair in Sanford. We have seen God bless with significant growth in all three of the Hispanic Congregations. We have seen volunteers help with the construction of two Hispanic Church buildings (Sanford and Pittsboro). We have seen Hispanics and Anglos working together to minister to migrant farmworkers, resulting in decisions for Christ and baptisms. We have participated in state missions with projects like the renovation of Mundo Vista, participation in lay renewal and lay revivals and support of the North Carolina Missions Offering (along with the Homes and Hospitals offering and the Children's Homes offering). We have participated in Home Missions as volunteer teams have served in New York and West Virginia and with World Changers in Tennessee and South Carolina. We have participated in foreign missions as we have sent short-term volunteer missionaries to Belarus, India, Nicaragua and South Africa. We ministered to 24 Belarussians, hosting them for six (6) weeks while giving them health care and Bible studies in Russian. Thank God for leading one of the interpreters and several of the children to accept Christ this past summer.

God has blessed in strengthening organizations like WMU, Brotherhood and the Senior Adult Choir. These organizations are not only ministering in today's world, they are planting seeds for the future of mission work in the Sandy Creek Association.

In the past year we have seen a continual stream of pastoral turnover. Some turnover has been planned, as in the retirement of Del Parkerson and Dave Earley. They have been a real blessing to First Baptist Church of Sanford and to the Sandy Creek Association for many years. We have mourned the passing of R. Waldrip Jenkins and Claude Simpson. Some few pastors have felt God calling them to other congregations and we have celebrated God's moving in their lives even as we have felt the loss of their presence with us. We have also felt the pain of congregational conflict. None of us are innocent parties within this conflict and we all need to seek forgiveness and direction. Let us work together in unity under God.

Let us thank God for the new pastors that He has given this year. We welcome them even as we thank God for the committed work of others who serve us well in the capacity of interim pastors. We have much to do and a sense of urgency should inspire us to do even more in the name of Christ as the twenty-first century comes closer with each passing day. Let us pray and work together as God leads us to overcome conflict and expand mission and ministry. Let us maximize our times of meeting, worship, inspiration, training and discipling that we may be a light to the world.

The groundwork has been prepared for the starting of two (2) new church-type missions. We have budgeted to support Cool Springs in planting a new church west of

Sanford. Home Bible Studies have been initiated and are reaching unchurched people under the leadership of Craig Dodson, Church Planter. They have been unable to find temporary space in their target area and have made arrangements to start up in the Resource Center of the Association.

We have also budgeted to support Mount Olive in starting a new mission in the Snow Camp area. Mount Zion Association has expressed interest in joint sponsorship with us and the Baptist State Convention of North Carolina.

Some will say (and have said) that we have enough churches in this area. Others point to empty pews in existing churches. What we need to point to are the lost and unchurched people all around us. It will take both existing and new churches to reach the lost.

An internal audit has been completed and is shown elsewhere in the book of reports. A response is being formulated and is forthcoming.

Roy A. Smith, Director

**Proposal to streamline the structure and schedule
of the Sandy Creek Baptist Association:**

The Executive Council reviewed the proposal to restructure. We move that we set aside the By-laws in the following areas in order to try a 15 month trial period (October 1996 through December 1997) and that the Charter and By-Laws Committee come with new By-laws to present in the October 1997 Semi-annual meeting.

The Semi-annual meetings will be the fourth Monday in April and October, unless the Executive Council changes a given year due to a conflict. The dates in 1997 will be April 28 and October 27.

Associational Sunday School Improvement Support Team

The ASSISTeam was invited by one church to provide training. The team members conducted the requested training with good participation from teachers and officers.

On September 17, 1996 the ASSISTeam shared in the sponsorship of the Sandy Creek Baptist Association's second "Training Extravaganza" held at First Baptist Church of Siler City.

Appreciation is extended to all members of the 1995-96 ASSISTeam. You have been a committed, willing, and responsive team.

The ASSISTeam is trained and will be happy to receive invitations to assist individual churches in the training of their Sunday School teachers and officers. Your Director for 1996-97 is Mark Revels.

Avron Upchurch, Director of Sunday School-1995-96

Woman's Missionary Union

"Risk the Journey" was a very appropriate theme for the past year in Woman's Missionary Union, as we witnessed major changes in structural organization and materials. But Praise the Lord - our purpose and mission remain the same - to share God's love with a lost, hurting and dying world. May our purpose ever remain so!

Our Girls in Action kicked off their year with a trip to the NC Zoo in October. They held a sleep-over in February at Flat Springs Church with 110 girls and leaders in attendance. They also met in April for a "Fun Day" at Oakley recreation park and ended their fun time together by visiting residents at the nursing home. What an active group!

Acteens held their fall meeting in November at Hunt Springs and also hosted a tea during the World Missions Conference in April. Mission Friends enjoyed their "Fun Day" in May at Cumnock Church.

Women on Mission from Sandy Creek joined with their sisters around the world to observe Baptist Women's Day of Prayer on November 5, 1995. A prayer retreat was held in May at Caraway with Ellen Tabor being the leader.

Sandy Creek WMU chose to collect deodorant for the NC Women's Prison Christmas project, and with help from ladies throughout the association were able to send 550 deodorants to Raleigh for this worthwhile project.

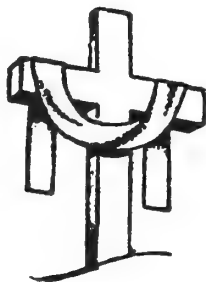

Several ladies from the association attended the annual WMU Extravaganza at Ridgecrest in March. Our annual associational meeting in April at Siler City First was a success with 155 ladies in attendance representing 29 of our churches. We enjoyed having Ruby Fulbright share with us some of her experiences as a former foreign missionary. Many baby items were brought to the annual meeting to be donated to the new Sandy Creek Crisis Pregnancy Center.

The Associational WMU Leadership Team hosted a Pastor's Appreciation meal on October 24 before the annual meeting; assembled hospitality bags for all missionary speakers participating in the World Mission Conference; and helped with the North Korean Famine/Hunger Relief project. They also provided training conferences in August 1996 at Oakley Church for 92 church WMU leaders from 24 churches. These conferences also provided training to some of the Hispanic women in our area, who are excited about the new WMU work we are trying to begin with them.

The 1995-96 national ministry project was Project HELP: AIDS. Although specific figures for Sandy Creek are not available at this time, \$2,576 was donated statewide to NC AIDS projects and \$6,153 was donated to House of Hope in Vitoria, Brazil for a total of \$8,729. A special offering received at the 1996 Annual WMU Meeting at Ridgecrest in the amount of \$5,890.16 provided a spiritual retreat for persons with AIDS and their care-givers in August at Caraway. Nationwide 250,000 items and nearly \$20,000 were given to hospices in the U.S. and more than \$100,000 given to House of Hope hospice in Vitoria, Brazil.

God has blessed our "journey" and now we look forward to going "Hand in Hand" as we minister in 1996-97. Once again various associational events have been planned for all age levels, but two things we are looking forward to are the new national ministry Project HELP: Child Advocacy and bringing the NC Baptist Men's Medical/Dental Van to Sandy Creek on June 27-28, 1997. Please support us as we join hands to equip adults, youth and children to assist in the sharing of the good news all around our world. Psalms 90:17 (NRSVB)

Student Ministries

The Fellowship of Christian Young Adults, the Baptist Student Union chapter of the Sandy Creek Association, continues to meet monthly with a membership of approximately thirty.

In September the council met for four hours on a Sunday afternoon and planned activities for the next quarter. A major concern of the students was that the group needed to focus more on missions and less on self. As a result, the group will work at the Food Bank of North Carolina for three hours on November 9, and for our Christmas celebration, we will go to a rest home, take gifts, and sing Christmas carols. I feel that the young people are to be commended and supported for their new focus.

The Fellowship will meet at 6:00 p.m. on the second Saturday of each month for this church year. Generally we have a light snack supper, an inspirational program, and time for recreation.

The group needs several things from the association:

1. Prayer support.
2. A list of any eligible young adults from age 18 until 25. If the church secretaries could send me that list, complete with addresses, we could extend invitations to them.
3. Places to meet
4. Light refreshments

Thank you, Sims Poindexter, Director

Media

Focus 2000 for 1995-96 has been "Media Libraries...Ministering to Preschoolers" Ministry ... that's what associational media library work is all about. It's working with people.

TACMO (The Associational Church Media Organization) has 26 Church Media Library Directors, with an average of 6 churches actively participating with an average of 7 at quarterly meetings. The organization has 6 officers available to help churches as needed. An Associational Media Library Ministry is a support ministry which reaches out in three major ways:

1. To the local church, by providing one-on-one advisory assistance in establishing a new ministry or in the revitalizing of defunct ministry.
2. To the church media librarian, by providing a media support group which meets to share ideas, training opportunities, fellowship, etc.
3. To the association at large, by providing resources through the establishment of media library at the associational office. For the year 1995-96, we did not have an associational librarian.

The Associational Director and one church Media Director attended the Baptist State Convention Media Library Conference at Caraway Conference Center, May 17-19, 1996. Jonesboro Heights was recognized for it's 125th History award winning video. The video was played throughout the conference and Mary Ann Eskridge, Church History Chairperson, gave a presentation of how & why the video came to be.

TACMO quarterly meetings are always training sessions for Media Ministry. Six attended the Training Extravaganza, representing 5 churches, on September 17, 1996 at Siler City First. In addition to the Training Extravaganza and the quarterly meetings, we are invited to training sessions of adjoining associations.

The theme for the Media Fair Booth held at the Annual Meeting at Jonesboro Heights on October 23, 1995 was "Fishers of Men" and displayed ideas for ministering to preschoolers.

In April, 1996, Media Library Emphasis Month was promoted by our churches. We also supported a Humanities Seminar on "Religions of the World" in February, 1996.

Our Associational Resource Center provides printed material, bound and unbound, tracts and periodicals and other literature as well as audiovisuals, projected and non-projected, from pictures to maps and globes. Resources are organized according to area of ministry to assist special workers or to aid personal growth. Let your Associational Resource Center become an extended arm of your ministry.

Mary Ann Eskridge, Director

Stewardship Report

Thank you for continually supporting and promoting the *Missions* of the Sandy Creek Association and the investment of your church in these *Missions*.

Receipts from churches for regular budget of the Association for 1995-96 were \$107,811.24 as compared with \$105,281.27 the previous year. This is a 2.4 % increase for which we thank you.

You are encouraged to consider giving three per cent of your church's undesignated gifts to Associational *Missions*. Presently we are receiving an average of slightly less than 2.5 per cent.

Enclosed is a copy of the *1996-97 Proposed Budget*. This is a *Ministries* budget and represents investment in the lives of people. Twenty-six per cent of the total regular investment is designated to areas of Leadership providing *Missions* and reaching many people. The fifty-five per cent administrative investment provides an Associational Missionary and Administrative Assistant who are essential to the total work. Seventeen per cent is invested in necessary office supplies and the Resource Center with two per cent designated other administrative costs.

Section I of the proposed budget totals \$135,562. This is an 8.7 per cent increase over the 1995-96 budget of \$124,671. You will note a Section II to our Proposed Budget which would include designated funds received and distributed, estimated at \$61,800. Being

Income for Specific Expenditures, this amount will cancel out and will not effect what we need as Church Contributions for regular budget in Section I.

The members of the Stewardship Committee are exemplifying faith and request the following: (1) You join us in praying for God's will for His work in the Sandy Creek Association to be revealed; (2)-You review the proposed budget, ask questions, and offer suggestions; (3)-You personally and corporately within your church accept this budget and participate in available *Missions*.

Report of the Internal Audit Committee of the Sandy Creek Baptist Association

To the Executive Board of the Sandy Creek Baptist Association:

I conducted an internal audit of the financial records of the Sandy Creek Baptist Association on September 21, 1996. The internal audit consisted of two main parts: (1) an analysis of the accounting system in order to obtain an understanding of the documents used and the persons involved in the process, and (2) an examination of two months of the financial records and reports of the Association.

The financial records for the two months that were in good order. The records of the Association are well organized and neat. Both the receipts and the disbursements were adequately documented. The computerized bookkeeping system on which the records are kept seems to suit the needs of the Association.

Even though the records of the Association are in good order, I did want to make the following suggestions for improvement:

1. Presently, the Administrative Assistant of the Association opens the mail. She receives the incoming checks, fills out the deposit slip, prepares the deposit summary report for the Treasurer, and takes the deposit to the bank.

In order to avoid the possibility of a misappropriation of funds, it is best to delegate these tasks to more than one person. Therefore, I recommend that the Director of Missions open the mail and fill out the deposit slip as the checks are received. The checks can then be given to the Administrative Assistant so that she can prepare the deposit summary report for the Treasurer. When the time comes to make the deposit, the Administrative Assistant can complete the deposit summary report and initial and date it. The Director of Missions can compare his deposit slip to the deposit summary report and initial and date the deposit summary report. The Administrative Assistant can take the deposit to the bank.

2. Presently, the Administrative Assistant does not make deposits on a regular basis.

Generally, the quicker a check is deposited, the less likely it will be lost or misappropriated. I recommend that the deposits be made on a regular basis—at least once a week.

3. Each month, the Treasurer prepares the bank reconciliation using the computerized bookkeeping software. She prints it out and keeps an official copy in the financial records and gives a copy to the Director of Missions.

In order to document that the Treasurer prepared the reconciliation and the Director of Mission has reviewed it, I recommend that both the Treasurer and the Director of Missions initial the official copy of the bank reconciliation.

4. Presently, when the Administrative Assistant is writing a check, she decides which budget line item the expenditure should be charged to and writes the description of the budget line item on the check stub. The Director of Missions and the Treasurer both compare the check to the supporting documentation for correctness and sign the check. Then, the Treasurer uses the check stub to record the expenditure in the bookkeeping system.

In order to assure that the expenditure has been approved for payment and has been charged to the correct budget line, I recommend that the Director of Missions initial both the supporting documentation and the check stub as he signs the check.

5. For some budget lines, the actual expenses exceeded the budgeted amount.

Budgets are helpful planning tools, and they are also very useful for regulating expenses. If the budget is disregarded, and line items are allowed to exceed the limits set by the Association at the beginning of the year, the budget becomes less useful. In order to assure that unauthorized spending does not occur, I recommend that the proper channels to amend the budget lines be followed before the line is overspent.

In order to decide whether to implement these recommendations, the costs of implementation need to be carefully weighed against the benefits. The costs may not necessarily be in terms of money but more in terms of the time and convenience of the persons involved in the changes.

This report has come from the Internal Audit Committee of the Sandy Creek Baptist Association and should be used for internal purposes only. Under no circumstances should it be used to give any kind of assurance about the financial condition of the Association to parties external to the Association because this report provides no such assurance.

Respectfully submitted, Gwen J. Norwood, CPA

Volunteers from several churches were involved in the renovation of cabins at Mundo Vista. Mundo Vista is the camp for GA's and Acteens located outside of Asheboro near Caraway. The cabins are being winterized and bathrooms are being added. This is an ongoing project and workdays are regularly printed in the *Link*.

Several Baptist Men participated in the renovation of the Resource Center to provide space for the new Reach Out Crisis Pregnancy Center. This was coordinated by Russell Foushee and Ed Rogers.

Baptist Men have been involved in two construction projects. The Hispanic Mission of Sanford (Primera Iglesia Bautista de Sanford) was completed and is now in use. It was coordinated by Elbert Price. The Pittsboro Hispanic Mission is still under construction and is being coordinated by Bill Poindexter.

Another building project is taking place near Siler City. Charlie Teague is coordinating a project to help a family that is living in a shed on a dirt floor. The family has been unable to make usable a house that has been moved onto their property due to ill health and problems with building permits. The Brotherhood project is intended to construct a simple structure with a bedroom, kitchen and bathroom that they can use this winter.

There is an ongoing need for tree removal as a result of Fran. If you would like to help one or more of the approximately twenty-five households in Lee County that need help (primarily elderly), call Warren Lee at 775-8279.

Several other projects are under consideration for next year. Please call me if you are interested in working on an existing project or if you have an idea for a new project.

Missions Development Council

This past year we had several people to volunteer as chaplains to the North Carolina State Fair. We provided the coordinator and nine of the chaplains for the final Friday of the fair. Several ministry opportunities were presented both for the fair goers and the fair workers. We cooperated with the Raleigh Baptist Association in this ministry, which is now in it's tenth year.

This September we began a new ministry to the fair workers of the Lee County Agricultural Fair in Sanford. This new ministry was coordinated by Beverly Gautier, member of Sanford First Baptist. A devotion was provided each morning of the five (5) day fair at 10:30 AM. The WMU provided hygiene bags with gospel tracts, the associational staff provided fruit, Bev Gautier provided coffee and New Testaments each day. A different church volunteered to bring the devotion and donuts each morning.

By the end of the week, one carnival worker realized that he was "running with the wrong crowd". He reported a crime that he had witnessed, quit the carnival, headed for his hometown and vowed to return to church when he got home. Several of the carnival workers were in attendance each day and expressed great appreciation for the care shown that week.

A revival was held in the Sanford Correctional Facility this year. This was coordinated by Roy McLamb and the Brotherhood. Volunteers also helped with the Angel Tree prior to Christmas.

Twenty-one children and three adult Belarussians were hosted this year. Bible study was provided in Russian by John Howard, David Glass and the interpreters each week. One of the interpreters and several of the children prayed to receive Christ while here. All of the group returned with Russian Bibles, many gifts and better health (especially dental health). One young girl received eye surgery while here. Plans are to continue this ministry next year and bring children both from Belarus and South Africa. Sponsors & hosts are needed.

Partial support was sent to one missionary in Belarus. The \$750 was sent through Commitment International for partial support of Lisa Rose Hall. She is giving humanitarian aid to the Invalids of Chernobyl. She is also providing support for the Global Children's Outreach ministry to accomplish the tasks that must be done in Belarus to allow the children to come to North Carolina.

In addition, the Women on Mission sponsored a drive to collect humanitarian aid to send to Belarus. This aid consisted of food and medicine. A total of sixteen (16) large cases were collected. The largest collection came from Primera Iglesia Bautista de Sanford.

Two of our members were able to travel with a short term mission team to Belarus. Rose Hamblin and David Glass were both on a team that traveled to Belarus in January. Two were able to travel to Ukraine on a medical mission team. Rose Hamblin and Vanda Hulse ministered in Ukraine this past summer. At about the same time, Dr. Tony Biancardi was on a medical mission team in India.

We commissioned a three (3) member team to join a group from the State Convention traveling to South Africa in February. Avron Upchurch, Ira Sutton and Roy A. Smith participated in this trip to survey the needs for the five (5) year partnership between Baptists of North Carolina and the Southern African Mission. Although the Southern African Mission includes South Africa, Swaziland and Lesotho, our group visited only South Africa and Lesotho. We are formerly paired with the Central Baptist Association in South Africa. Please pray for Cliff and Mary Sue Jones, who are currently the only Southern Baptist missionaries in Lesotho.

Primera Iglesia Bautista de Sanford (the Hispanic Mission of Sanford First) continued the migrant ministry as has been done for several years. Juniper Sprigs furnished the meal for a “Fiesta Day” again this year. The WMU provided the hygiene bags that were given out. Several of the migrant farmworkers accepted Christ and six (6) of them were baptized.

All three of the Hispanic missions continue to grow. The Sanford Hispanic mission building is complete and in use. The Pittsboro Hispanic Mission building is still under construction and is being built with volunteer labor. The Hispanic Mission of Loves Creek is currently looking for property in the Siler City area.

The Reach Out Crisis Pregnancy Center was formally dedicated on September 8, 1996. Volunteers remodeled the sanctuary end of the Resource Center in make it usable for the Crisis Pregnancy Center. Several training sessions have been offered to equip counselors to operate the Center. A clothing closet has been stocked with both maternity clothes and baby clothes. Free pregnancy tests are offered as well as friendly encouragement for any one in need.

Discussion has begun on the possibility of establishing a Christian Counseling Center in this area. This could possibly be done in the same part of the Resource Center used by the Reach Out Crisis Pregnancy Center, but on alternate days.

General Board

I'm finishing out my 4 year term on the Baptist State Convention General Board. At my request, I was assigned to the Missions Committee and have come to really appreciate all the work being done in North Carolina to promote the Gospel.

It has been an interesting 1996 which has seen a number of changes. Most of which I consider to be positive.

The one thing I have reservation about in-so-far as Sandy Creek Association is concerned is the new (proposed) method of determining membership on the General Board. The new procedure will divide the state into ten regions. Representatives will then be chosen irrespective of the association within them. Safe guards are in place so that one church or one region cannot dominate the General Board. This will be a constitutional change and be voted on at the Annual Conference in November. I expect it to pass with very little opposition.

We now have three Divinity Schools at Baptist Universities. Gardner-Webb is now in

it's fourth year with more than 100 students. Campbell opened in September with about 50 students. Wake Forest has installed a Dean who is to hire faculty and hope students within a couple of years.

The "down side" of 1996 has been the drop in total dollars contributed to all Baptist causes. This may necessitate some curtailing of services. Part of this decline appears to be the result of snow and ice earlier this year, plus the recent Hurricane Fran, which devastated a large part of North Carolina.

Jonesboro Heights is to be congratulated for being in the top 100 contributors to the Cooperative program. They ranked 80 with their gifts of nearly \$50,000. The #1 was Synder Memorial in Fayetteville which contributions of more than \$216,000.

Hubert Garner, Representative

Lawhon Fund

At the April 8, 1996 Quarterly Meeting held at Emmaus Church, the committee made the following recommendation: The committee has met several times and decided that the best thing to recommend to the Executive Board is that the fund be done away with and the money be put in the general fund. Any money repaid in the future would be put in the general fund. No vote was taken because there was no quorum.

On July 8, 1996 at the Quarterly Meeting held at Flat Springs, the Moderator requested the Clerk to read the proposal of the committee made at the April meeting. The motion was read, voted on and So Carried.

Evangelism

The Annual Evangelism Rally was held on January 14, 1996 at the Jonesboro Heights Baptist Church in Sanford. Evangelist Larry McFadden from Orlando, Florida was the guest speaker.

The committee has met several times during the year to plan an Area-wide Youth Crusade that will be held October 12-14, 1997 at the North Carolina Sports Arena in Goldston. The Rev. Hank Williams will be the evangelist.

Steve Moore, Chairman

Youth

A Basketball Tournament was held at Chatham Central High School on March 31. Many of our churches were represented by a large number of youth. Eight teams played at one time and games were played all afternoon. Andre' Vlok led in a time of devotion.

A WITNESS Concert was held on Friday, June 21 at Chatham Central High School. This event was enjoyed by over 150 youth and a few adults. A love offering of \$215 was sent to the Evangelism Department of the Baptist State Convention to be used as an honoraria for the twelve (12) college/university students.

A commissioning service for the Associational World Changers was held during the concert. A group of 22 youth and 5 adults representing 10 churches went to Clinton, Tennessee on July 13, 1996. This group was led by Dot Hart. A group of 5 youth and 5 adults representing 4 churches went to Nicaragua on July 20, 1996. This group was led by Wanda Howard.

ARTICLE I - NAME

The name of the body shall be the Sandy Creek Baptist Association.

ARTICLE II - PURPOSE

ARTICLE III - OBJECTIVES

Any duly constituted Baptist church, in good standing with another Baptist association and desiring membership with this body must make application to the Associational Executive Board at least four (4) months prior to the annual meeting. Spring Semi-annual Meeting BROOKDALE BAPTIST CHURCH April 28, 1997

Theme: "Jesus Calls Us To Missions"

Jesus said, ----"you are to be my witnesses in Jerusalem (where you live & work) in all Judea (Central N.C.) and Samaria (USA) and to the ends of the earth." (Acts 1:8 NIV)

1. Prior to the opening of the session, 15 minutes of Inspirational Music was presented by the Oakley Church Choir, directed by Ellen Holder, accompanied by Vicky Justice, pianist.
2. Moderator Carl Hemphill requested a motion that the elected and registered messengers present comprise the voting body of the First Semi-Annual Session of the 239th year of the Sandy Creek Baptist Association. Walter Jones so moved. The motion was seconded. The motion carried. After the motion was completed, the moderator called the meeting to order and introduced Eric Porterfield of Sanford First, who read Acts 1:6-11 and led the opening prayer.
3. Host Pastor, Walter Jones, Jr., welcomed the group on behalf of his church
4. Bill Poindexter, Vice-moderator, moved that the printed program be followed as the program for the 239th Bi-annual session of the Sandy Creek Baptist Association. The motion carried.
5. Joyce Cagle, Treasurer, presented the financial report. Printed in the Reports Section.
6. Mary Upchurch, Chairperson of Stewardship Committee, presented the Amended 1996-97 Budget and moved that it be accepted. The motion carried.
7. Larry Bostian, Chairman of Christian Life & Public Affairs, requested that churches do some research on the lottery and speak out against any legislation brought before the General Assembly. Blank lottery petitions were passed out.
8. Miss Burdine Womble, Historian, presented the History of Brookdale Church as follows:
The Brookdale Baptist Church began as a dream of Mrs. Blanche Brooks. She was a member of Brush Creek Church at the time. She had a deep devotion and love for missions, so she decided to give her home for the use of establishing a mission. Mrs. Brooks was a modest person. She suggested naming the church Brookdale, because she said there was a little brook running to the back of the property. With Rocky River and Sandy Branch acting as sponsors and with help from the Baptist State Convention, Brookdale Mission Sunday School began the first Sunday in July 1962. Rev. Claude Simpson was the pastor. Rev. and Mrs. J. Ward Buckner came from Rocky River to help get the work started. They stayed for five years. A week of Vacation Bible School was held that first month and regular worship services began on the 29th of the same month. Rev. and Mrs. Buckner helped organize the WMU and Brotherhood, which are still very active in this church. The groundbreaking for the first building was June 2, 1963 and the note burning was held in 1970. Rev. Simpson served as pastor until April 1975. The church voted to purchase the house across the street for use as a parsonage in 1975. Rev. Womack Keck accepted the call as pastor in 1975. During his service here the present sanctuary was built and a dedication service was held on August 3, 1980. Rev. Keck submitted his resignation to the church in August 1980. Rev. Edwin Bullock served as interim pastor until after much prayer and deliberation, Rev. Keck returned to Brookdale and served until August 1986. Rev. Woodrow Robbins was called as interim and served until Rev. Walter Jones, Jr. accepted the call as pastor in June 1987. In October 1988, the church voted to purchase the house adjacent to the church, owned by Mrs. Erma Truelove. Rev. Jones submitted his resignation effective May 7, 1989. Dr. James Thompson was called as interim on September 1989. Rev. Allen Roberts was called as pastor and served until May 26, 1991. Rev. Robert Denton served as interim until Rev. Walter Jones, Jr. was again called to serve as pastor in September 1991. Also in 1991 the church building loan and the loan on the Truelove house were both paid in full. A note burning was held in May 1992. In April 1992, the church voted to purchase a van and to pave the church parking lot. The work on the parking lot was complete in August of 1992. Fall Semiannual Session

Primera Iglesia Bautista de Sanford

October 27, 1997

Theme: "Love Relationships" "I am the vine, you are the branches. He who abides in Me, and I in Him, bears much fruit; for without Me you can do nothing." (John 5:15 NKJV)

1. Prior to the opening the Fellowship Choir, directed by Craig Lambert, provided 15 minutes of music.
2. Moderator, Bill Poindexter, called the meeting to order at 7:00 P.M. Bill explained that he opened the meeting because Carl Hemphill had been called to a church in Florida. Moderator Poindexter asked for a motion that the duly elected messengers present now and those to come in later are constituted as the voting body of the second meeting of the 239th Annual Session of the Sandy Creek Baptist Association. Jim Huff so moved and the motion was seconded. Adopted.
3. Don Hays, Pastor of Hickory Mountain Church, read I John 4:7-21 and led in prayer.
4. Jim Wright, host pastor welcomed all messengers and visitors.
5. Mary Upchurch presented the Program Committee Report for Avron Upchurch and moved that it be adopted as printed in the Book of Reports. So Carried.
6. Burdine Womble, Historian presented the following report on Shubal Stearns. Separatists was a religious group who wanted to separate from the Congregational Church which by law was established in the New England Colonies in the early 1700's. They were devoted to evangelism. Many of them became known as Separate Baptists. We don't know much of the early life of Shubal Stearns. He was born January 28, 1706 in Boston to Shubal Stearns and Rebecca Larriford Stearns. He became a Separate Baptist in 1751 and

that year was baptized and ordained. In his preaching he emphasized the doctrine of new birth, believer's baptism, free justification and the autonomy of each church.

7. He and his brother-in-law Daniel Marshall learned that the people in Piedmont North Carolina were anxious for someone to bring the gospel message to them. Eight families arrived in Sandy Creek in Randolph County. In 1755, they built and organized a church named Sandy Creek Baptist Church with 16 members. In 1758 Shubal Stearns lead in organizing the other churches Abbott's Creek and Deep River into an Association naming it the Sandy Creek Baptist Association of North Carolina. Shubal Stearns died November 29, 1771 and was buried at Sandy Creek Baptist Church. According to Purefoy's "History of the First 100 Years of Sandy Creek Association," in the association meeting held at Loves Creek Baptist Church in 1858 "the churches were requested to send up funds to the next annual meeting to erect a suitable tombstone in memory of Elder Shubal Stearns who was under God the honored instrument in planting this association." Almost 100 years later another monument was placed at his grave. In 17 years under his leadership 42 churches were organized and 125 ministers were sent out from Sandy Creek Church. Sandy Creek Baptist Association is presently much smaller geographically. Sandy Creek Church is now in the Randolph Association. Each year we make a contribution to the Shubal Stearns Memorial Fund to assist with the upkeep of the cemetery.
8. Jim Wright, Host Pastor, presented the following history of Primera Iglesia Bautista de Sanford. Primera Iglesia Bautista began as a ministry of First Baptist Church of Sanford to the growing Spanish-speaking population of Sanford and Lee County. Under the leadership of Pastor Del Parkerson, a mission was organized in 1988, meeting in the facilities of First Baptist Church. Rev. Kelton Hinton became the first pastor of the mission. During the early years of the work, most of the time and energy of the pastor and the mission were directed at meeting the material and linguistic needs of hundreds of newly-arrived Spanish-speaking residents, in addition to presenting the gospel and winning a number of them to Christ. Rev. Hinton resigned in 1991, answering the call of God to go to Benin as a missionary of the Foreign Mission Board. Rev. Alfredo Granillo, a native of Nicaragua, became the mission's second pastor. Under his leadership the mission continued to grow and construction began on the mission's new building at 2840 Cemetery Road. Rev. Granillo resigned as pastor in December of 1995 in view of a call to plant a church in South Carolina. Rev. James Wright, a missionary to Puerto Rico and the Virgin Islands, was called as the mission's third pastor, arriving in Sanford in March, 1996.
9. After meeting at First Baptist for eight years, the mission dedicated its building on March 25, 1996. In a service of celebration for members of First Baptist Church and Primera Iglesia Bautista, all of who had worked together in the construction of the new facility. For the past few years Primera Iglesia Bautista has had a ministry to migrant farm workers, especially in the Broadway area, but also reaching out to other migrant camps in Lee and Harnett Counties. Present membership of the church is 106, 80 of whom are resident members. Members are from Mexico, El Salvador, Honduras, Nicaragua, Costa Rica, Panama, Puerto Rico and the United States. In 1996 the mission started Seminary Extension Classes. The classes are organized and taught by Rev. James Wright. Presently five students are training to be pastors.
10. Roy A. Smith, Director of Missions, introduced Majorie and Harald Froise from South Africa. Majorie is the editor of Baptist Today, published in South Africa, a newsletter like our Biblical Recorder. Harald is currently heading up the ministry teams of South Africa ministering to the workers in the gold field area of Welkom. As of January 1, he will be coordinator for the churches in the Central Association (equivalent to Director of Missions). Harald will bring a report from South Africa.
11. Harald Froise thanked everyone for warm welcomes and good treatment from North Carolina. He shared that the apostle Paul said we should "Bear one anothers burdens " or challenges. One church he shared about had 40 or 50 members with no pastor, because only three of these members have incomes. The employment rate is 40%. Churches are suffering because of this. One project that is being formulated now is for a couple to come and stay 3 to 4 months, while other people come and go and teach the people various skills so a church-based income generated project can be started there. This would enable the church to call a pastor. Another challenge is that Central is the smallest association with 40 churches. The most effective way to evangelize is to plant churches and we want to do that in this association. We are not depending on North Carolina to do this, we are depending on God, but God has chosen to work in partnership with his people. We are looking to God and suspect that He will use the North Carolina Partnership to meet some of the challenges in South Africa.
12. Joyce Cagle, Treasurer called attention to the Financial Reports printed in the Book of Reports and announced that category reports were available to department directors.

13. Mary Upchurch, Stewardship Chairman, made motion to adopt 1998 Budget as presented. So Carried. Report is printed in Reports Section of Annual
14. Gilbert McDowell, Credentials Committee Chairman reported that the committee had met with and studied the constitution of Joy Baptist Church of Chatham County and New Life Praise Church of Sanford this past year and will continue to meet with them. For the past two years we have met with and studied the constitution of Cornerstone Baptist Church of Goldston. Report is printed in the Reports Section of the Annual. This evening we recommend Cornerstone be accepted into our fellowship. So Carried
15. Gilbert McDowell introduced the pastor of Cornerstone, Brian Teeter and several members of the church.
16. Wilma Winstead, Charter & By-laws Committee Chairperson called attention to proposed changes in the By-laws as printed in the Book of Reports (printed in the Reports Section of the Annual). Wilma moved that the changes be accepted as presented. So Carried.
17. Craig Lambert, Choir Director for Fellowship Baptist Church Choir, led the congregation in singing "Love Lifted Me," accompanied by Ronnie Byrd, pianist.
18. Dot Hart, Clerk thanked the church clerks for their help and hard work in completing the Annual Church Profiles. She also called attention to the Digest of Letters and pointed out that baptisms were up from 279 last year to 390 this year. Giving amounts also showed an increase this year. (Report in Reports Section)
19. Registration Report: 154 messengers, 49 visitors
20. Keith McMath, Brotherhood Director stated that the department is looking for a RA Racer volunteer to help start that program. Keith also reported that one Lay Renewal was held in the association this year. Contact Keith if you need guidance in finding a mission project to take part in this coming year.
21. Denise Hayes, Volunteer Enlistment Coordinator presented the volunteers for the coming year and moved that the association accept them as presented. So Carried. Printed in Directory Section of Annual.
22. Moderator, Bill Poindexter appointed Faye McMath, Chairperson, Katherine Stoltz, and Bob Mitchell to the Volunteer Enlistment Committee for the new year.
23. Shirley Smith, Women on Mission Consultant, announced that hosts are still needed for college students at Christmas through Friendship International House and children next summer through Global Children Outreach Ministry. Women's Day of Prayer Service will be held November 2 at Sanford First and Mount Olive Churches.
24. Craig Lambert, accompanied by Ronnie Byrd, lead the congregation in singing "To God be the Glory."
25. David Hicks, Pastor of Goldston lead in a memorial service to remember those who have gone on before us. He read I Corinthians 15:55-58 and led in prayer.
26. Roy A. Smith, Director of Missions stated that history is being made tonight as an associational meeting is being held for the first time in North Carolina in a language church. He remembered Elbert Price who put so much time into erecting the building of Primera Iglesia Bautista and continued to help until he went home this past year to be with his Lord.
27. New pastors present were recognized: Kevin Meadows, Jonesboro Heights; Peter Schemm, Joy; and Brian Teeter, Cornerstone.
28. Director of Missions, Roy A. Smith introduced the new officers, directors, committee chairpersons and committee members and asked each to come and stand at the front to be installed into service for the coming year. He led in prayer asking blessings for each one as they serve this year.
29. Dorothy Hart, Administrative Assistant was presented a certificate from the Church Secretaries Personal Enrichment Program for completing advanced certification for Ministry Assistants by the Director of Missions.
30. Roy A. Smith referred to the theme for the meeting, John 15:5, that talks about the vine. This is part of a theme that runs all through the Bible. Dr. Blackaby and Ron Owens' "Awakening" video, November edition just came in and fits right into our theme. In Isaiah Chapter 5 we see a picture of God planting a vineyard. The theme that runs all through the Bible is that God has planted a vineyard and that vineyard is the church. Tonight we have vineyards represented because we have churches in the association represented, which are vineyards. God has an expectation of His vineyards. In verse 1, He pictures the vineyard on a fertile hillside and what is a more fertile hillside than America? God is expecting fruit from His vineyard. In this Association baptisms are up; the highest it has been in this decade. But, we are not to view success the way the world views success. In Luke 10:20, when the 72 returned with joy saying, "even the demons submit to us in your name," Jesus told them not to rejoice that the spirits submit to you, but that you are rightly related to the Father-rejoice that your name is written in Heaven. It's the relationship, not an event. God looks for justice and righteousness. Is He finding it in the Sandy Creek Association? Is the life of the

Father flowing through the branches? Can we finance the mission needs without funds from the BSC of NC and SBC? Can we provide land and/or buildings for our missions? Can we respond to requests from South Africa, Belarus, and Venezuela? Can we plant more new churches and baptize more new converts? "I can do all things in Christ, who strengthens me."

31. Fellowship Choir directed by Craig Lambert sang "May All Who Come Behind Us Find Us Faithful."
32. Steve Moore, Pastor of Emmaus Church preached the Annual Sermon. Scripture text: John, Chapter 6 and Mark, Chapter 8. "Miracle of Feeding of the Five Thousand." Have we learned the lesson that Jesus wanted us to learn? John 6:9, "But what are they among so many?" The supply was short, the need was great; but the supply was insignificant. When Jesus Christ is present He always makes a difference. Jesus Christ is all we need. When Jesus does something, He always does it right. When Jesus is present there is always enough. Mark Chapter 8 shows that the disciples did not learn the lesson. No matter how great the need, if Jesus is present you don't have to worry. There is no need greater than Jesus. Today there is no greater need than for Jesus Christ. Where is the army of Christ? We need to let Jesus meet our every need. God commanded us to go into all the world and preach the gospel to every creature and He said I will be with you. We must live in the supernatural and depend on Him to meet our needs.
33. Kevin Meadows, pastor of Jonesboro Heights pronounced the benediction.
34. Meeting adjourned (9:25). Refreshments were served.

Media Report

The Associational Church Media Library Organization—TACMO, as you know is now the Associational Media Library Ministry—TAMM. However, the program's thrust is the same – "MINISTRY 2000." From 1995-2000 our libraries are focusing on ministering to people through media, with a specific group targeted each year. 1996-1997 emphasis has been, "Ministering to Children." TAMM's desire is to encourage everyone in the church, to take advantage of the many ways that your Associational Media Resource Library can work with you in ministering to all people.

Tamm has 25 church media library directors with an average of 5 churches actively participating at semi-annual TAMM meetings. The organization has 6 officers available to help churches as needed. An Associational Media Library Ministry is a support ministry that reaches out in three major ways:

1. To the local church, by providing one-on-one advisory assistance in establishing a new ministry or in the revitalizing of a defunct ministry.
2. To the church librarian, by providing a media support group which meets to share ideas, training opportunities, fellowship, etc.
3. To the associational office. For the year 1996-1997, we did not have an associational librarian.

We conducted a training workshop on "Processing Media." The Yates Association Media Organization assisted us at the Sandy Creek Baptist Association Resource Center on January 18, 1997. Nine were in attendance representing 8 churches. Thanks to those who participated in the workshop. The Media Resource Center has improvements which relates to all other church programs and activities and can provide materials and equipment to enrich all aspects of church life.

March 20, 1995, six attended TAMM meeting at Jonesboro Heights Baptist Church, Sanford representing 4 churches. In April 1997, Media Library Emphasis Month was promoted by our churches.

The associational Media Director and 4 church media personnel attended the BSC NC Media Library Conference at Caraway Conference Center, April 25-27, 1997. Nine attended the Associational Training Extravaganza on September 9, 1997, at Siler City First.

Our Associational Resource Center provides printed material, bound and unbound, tracts and periodicals and other literature as well as audiovisuals, projected and non-projected, from pictures to maps and globes. Resources are organized according to area of ministry to assist special workers or to add personal growth. Let you Associational Resource Center become an extended arm of your ministry.

Sunday School Report

The Sunday School Division of the Sunday School Board of the SBC is now called the "Teaching-Reaching Division". The term states exactly what the Sunday School is doing – Reaching and Teaching. The term Sunday School Assist Team is now called ACTeam. What does ACTeam mean? ACTeam consultants make up the Association Sunday School Council. The phrase ACTeam is an acronym for Associational Consultant Team. What is the purpose of the ACTeam? In addition, the associational Bible Teaching-Reaching ministry is designed to accomplish the following:

- Provide resources and services to churches and leaders.
- Train, develop, and encourage church and associational leaders.
- Provide opportunities for working together in missions, ministry, growth, and evangelism.
- Establish and maintain appropriate communications and relationships with the community and denomination.

An Associational Consultant Team will provide help through individual and team consultation with churches and, as appropriate, associational leader development events.

What Can The ACTeam Do For A Church?

- ACTeam consultants can help a church in:
- Organizing the Sunday School

- Discovering additional space
- Starting new Sunday School units
- Beginning a new Sunday School
- Reaching language/ethnic persons in the community
- Establishing a potential worker training course in the church

On October 26 the ACTeam will lead age group conferences at Flat Springs Baptist Church. Our team has been trained and will continue in training to stand ready to assist our churches in any area of Sunday School improvement and growth.

How much will it cost?

The ACTeam is made up of volunteers from churches in the association. There is no cost or charge for this service/ministry. It is not expected or desired. The support for the team comes through the church gifts to the associational budget. The ACTeam consultant's reward is the ministry given to the churches.

WMU Report

"Let the favor of the Lord our God be upon us, and prosper for us the work of our hands - - O prosper the work of our hands!" Psalms 90:17 (NRSVB).

Sandy Creek WMU has come through the past year "Hand in Hand," and we feel it has been a prosperous year. We praise the Lord for the opportunities he has given us to serve Him, and the blessings we have received in doing so.

Our largest overall ministry project was through the visits of the Medical/Dental Van in June. Donna Smith and Debbie Hockaday coordinated the project and 238 volunteers from across the association assisted them. Doctors and/or dentists were able to see 87 patients during the three day project and an additional 223 people received screenings from dental hygienists and nurses. We were thankful to be able to minister to the physical needs of these people but praise the Lord for the 3 professions of faith that came as a result of this ministry.

We were delighted and privileged to have Mildred McWhorter as our speaker for our annual meeting at Emmaus church in April. The 207 people in attendance were entertained, inspired and challenged as she shared experiences from her 23 years of ministry to inner-city youth and Hispanics in Houston, Texas. It was a blessing to have the Hispanic Children's Choir from Primera Iglesia Bautista de Sanford perform for us in the year of Project Help: Child Advocacy.

Age level consultants have held associational events for all groups throughout the year. Women on Mission had special speaker Trevor Swart, Secretary of Transvaal Association in Johannesburg, South Africa for their World Day of Prayer observance. One hundred ladies from 23 churches attended a Prayer Retreat in May at Caswel led by Caralie Brown with our own Kim Brown doing a wonderful job leading us in music.

Mission Friends (Sunbeams) celebrated their centennial this year. They, as well as Girls in Action and Acteens, have also enjoyed associational events.

Several ladies from different churches in the association attended Missions Extravaganza at Ridgecrest.

Women on Mission participated in collecting gloves for our Women's Prison Christmas Project.

Our theme for the new year is "Come Go With Me" and our national social ministry Project Help is Cultural Diversity. Two highlights already planned are a Friendship International House project where we can provide housing for International college students whose dorms are closed during the holidays, but cannot afford to go home. This would be from December 20 – January 1. What better way to kick off our Cultural Diversity project. Also, our annual meeting this year will be held April 14, 1998 at First Baptist Sanford. Our keynote speaker will our own North Carolina WMU Executive Director, Mrs. Irma Duke.

We hope to have another great year of ministry as we focus on Luke 10:36-37 (NASB): "Which of these three do you think proved to be a neighbor to the man who fell into the robbers' hands?" And He said, "The one who showed mercy toward him, And Jesus said to him, "Go and do the same."

Carol B. Fesmire, Associational WMU Director

Brotherhood Annual Report

Renovations of cabins at Mundo Vista and Caraway are on going projects for the Brotherhood. This year several volunteers from Sandy Creek were involved in the painting of cabins, winterizing of cabins, etc. The work projects and needs are regularly posted in the Link.

The association now has two completed Hispanic Missions, one in Sanford and one in Pittsboro. The Sanford Mission was completed last year and the Pittsboro Mission had their dedication this year. A third mission is now underway in Siler City. The land has been purchased and efforts are continuing to obtain funds needed to continue the project.

The Crutchfield's project was dedicated in May 1994. Our thanks to Charlie Teague, coordinator and to Rocky River church for seeing the need. Many baptist men and women from several churches involved themselves by donating their time and financing.

There is always a need for volunteers. Many projects are being considered. If you see a need or have an idea or want to get more involved, please contact me or the associational office.

Keith McMath, Director

Credentials Committee Report

The Constitution of the Sandy Creek Baptist Association states that the Credential Committee is to counsel with churches considering seeking admission to the fellowship of the association, examine the Credentials of churches seeking admission to the fellowship of the association (namely, their articles of faith or doctrinal positions, church covenant, polity – including constitution and bylaws and their relationship to the denomination) recommend appropriate action to the association concerning churches' request for admission to fellowship.

For your information the Credentials committee studied the constitution and request from the Joy Baptist Church of Chatham county and the New Life Praise church of Sanford. The Credentials committee will continue to work with these two churches concerning said request.

The Credentials committee recommends that the Cornerstone Baptist church of Goldston be accepted into membership of the Sandy Creek Baptist Association. We have worked with this church concerning membership for the past two years.

Gilbert McDowell, Chm.

Executive Council

Meetings during the 1996-'97 year were held on the following dates and locations:

January 13, 1997	Associational Resource Center
March 10, 1997	Associational Resource Center
May 12, 1997	Ridgecrest Conference Center
July 14, 1997	Bethany Baptist Church
September 15, 1997	Bill and Sims Poindexter's House

Becoming Moderator at the end of the year is certainly challenging. Carl Hemphill, who was Moderator, answered God's call to a church in Florida, leaving in early October 1997. We began a new organizational structure this year holding our first Semiannual Meeting at Brookdale Baptist Church on April 28, 1997. No Executive Board meetings were held under the new structure. Based upon reports I have heard, the new structure is being well received by most people in our Association.

We welcomed the following pastors who were called to churches in our Association:

Greg Burriss	Rocky River
Mark Akinosho	Truebread Fellowship
Val Chadwick	Mays Chapel
Tony Hancox	New Salem
Donald Hays	Hickory Mountain
Vernon Lewis	Snow Camp Mission
Kevin Meadows	Jonesboro Heights
Eric Porterfield	Sanford First

We are moving forward with new and expanded mission efforts. The Baptist Men completed a dwelling remodeling project for a needy family in the Crutchfield Crossroads area. The WMU sponsored the Medical Dental Van with good participation. The land has been purchased and plans are being made for a building for the Hispanic Congregation in Siler City and the Hispanic Church building was completed and dedicated in Pittsboro.

The New Life Praise Mission in Sanford has begun and is growing rapidly. The Snow Camp Mission has begun Bible studies, but they have not located a place to meet on Sunday for worship. Work is being done to find a suitable location.

We had two congregations to leave the Association during the 1996-'97 year. Staley Baptist Church, located in Randolph County, joined the Randolph Association. Community Baptist Church, located in Siler City, made the decision to become an Independent Baptist Church.

I look forward to working with each of you as your Moderator for the 1997-'98 year. I ask that you pray for the staff, Roy Smith & Dot Hart, the Executive Council, and the Officers of the Association asking that God will grant us wisdom in guiding the Sandy Creek Association as we show Jesus Christ to the world.

Charter and By Laws Committee

In 1996 the Sandy Creek Baptist Association voted to expedite a new organizational meeting policy. This policy, with a few exceptions, proved to be an effective change.

The Charter and By Laws Committee was challenged to incorporate the new changes into the existing policy. The Committee met on June 24, 1997 with the Director of Missions and again on August 19, 1997 with just committee members.

On September 15, 1997, at its regular meeting, the Associational Council approved the changes as presented to you for your approval. The changes are shown with additions are underlined and deletions are in *Italics*, shaded and in brackets.

Director of Missions Report

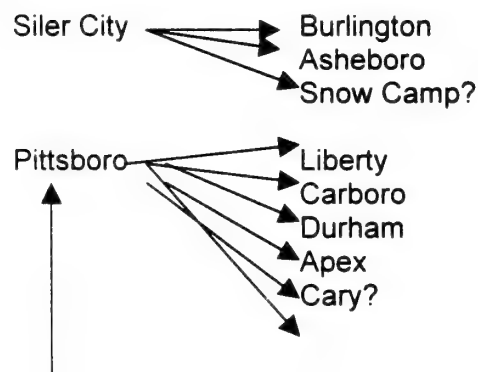

This has been a year of transition. The response to the new streamlined structure has been very positive. No one seems to have missed the Quarterly Executive Board Meetings and the struggle to have a quorum. The Executive Council actually meets more frequently under the new structure, but they have worked faithfully and diligently to accomplish the task for planning and coordinating the work of the Association. It took several months before many churches had elected and provided the name of a Liaison. Several gave suggestions in person or in print to the Volunteer Enlistment Coordinator. This is giving us a broader perspective in the enlistment process. However, it was decided that three is better than one in guiding the volunteer enlistment process. It is suggested that three people work together to make the enlistment contacts (along with committee chairpersons once they are in place) and that the chairperson serve on the Executive Council.

I am grateful for the ministry and friendship of Carl Hemphill, who was called last month to pastor a church in Plant City, Florida. Carl served faithfully as Moderator for 23 months and was only one month shy of finishing his term when he moved to Florida. We pray God's richest blessings upon Carl, his family and his new church. Bill Poindexter is moderating this semiannual meeting as the vice-moderator fills the unexpired term in the absence of the moderator. He will now begin serving his elected term as previously voted.

I count it a blessing from above to see how God is blessing churches with numerical growth. We have seen more churches add an early Sunday morning service to accommodate more people. It is a blessing to sit with the Advisory Council on Ordination and hear how God is calling men, young and old, into the Gospel Ministry. It is a blessing to have congregations call young and bright pastors like Eric Porterfield and Kevin Meadows. It is a blessing to have congregations call pastors, like Matt Garrett and Tony Hancox, from careers in the secular world. It is a blessing to have experienced, retired pastors, like J. R. Bouldin and Gerald Bridges, to serve churches in the interim. It is a blessing to see volunteers called to short term missions around the world to such countries as Nicaragua, Mexico, Guatemala, India, South Africa, Lesotho, Ukraine, and Belarus.

It is also a joy to see how God is using the mission congregations to reach lost people and start new missions. For example New Life Praise Church has baptized nearly 40 people in less than 12 months. No wonder they have Praise in their name, as they praise God!

The Hispanic congregations are really a good model for the rest of the Association. They have a burden for reaching lost people wherever they are. The following sketch shows how the three Hispanic congregations are sending out mission pastors, starting new Bible Studies and starting new preaching points.

Family Ministries

The Family Ministries Committee met three times from January to September. We talked about job descriptions of each ministry, resource materials and upcoming events that we were to participate in as well as to offer to the family groups. We are planing, praying, and pushing toward a Family Ministry Conference where each area of family needs might be addressed.

Dwight Jenkins participated in the training Extravaganza in "Ministry to Those in Crisis". Garland Foushee spoke to the seniors for Johnny Waldeck during the Training Extravaganza. Ronnie Chaney participated in the Training Extravaganza speaking on "Family Matters" and "Individual Matters". The Senior Adult choir performed in 11 churches and 1 rest home. They had a Senior Adult Rally at Sanford First with 125 in attendance. The Senior Adults will have a Christmas Party on December 11th at 5 PM at Lee County Enrichment Center. All Seniors are invited to attend. Please bring some type of "finger food". The senior adults enjoyed a picnic at the Waldeck's home with all choir members present.

Stewardship

Stewardship of time, energy and finances is very important; and for the individual, is a reflection of our personal relationship with God. Serving on a Stewardship or Finance Committee requires accepting responsibility and accountability for planning, allocating and reviewing funds which have been contributed to God's work. Member serving this past year have exemplified their real and personal relationship with God through their attitudes, their prayers, their ready responses and attendance at meetings, and their prayerful and thoughtful deliberation of requests. It has been a pleasure working with Ronnie Gaines, Bob Griffith, Faye Johnson and Del Jones. Thank you.

As a part of the 'trial' restructuring of the Sandy Creek Association, it was recommended that the financial year become January 1 through December 31 instead of the church year. Therefore, the Stewardship Committee planned and presented an addendum to the 1996-97 Budget increasing it to a fifteen-month budget and extending it through December 31, 1997. You will see the fifteen-month addendum reflected in the attached 'Budget' and note:

1. No increase in the DoM package.
2. Administrative Assistant was granted a two per cent increase in salary and related benefits.
3. Most line items were simply extended by an equal quarterly amount.
Exceptions were:
 - a. Supplies.
 - b. Telephone.
 - c. Annual Meeting – two semiannual meetings instead of the one 2-night annual meeting.
 - d. Christmas Gifts – represents two Decembers.
 - e. Publication of the *Link* – actually two publications since the fifteen month period covers two Octobers (and printings).
 - f. WMU – Includes additional promotions.
 - g. Increases in 'Missions'
 - (1) Crisis Pregnancy Ministry
 - (2) Snow Camp Mission
4. The overall quarterly increase for the fifth quarter of the fifteen-month budget was 11 per cent. The fifteen-month budget was approved by the Association.

Referring to the Proposed 1998 Budget, please note the following changes:

1. A 4 per cent increase in the total DoM package.
2. A 10.88 per cent (2% in October and 8.8% in January) increase in the Administrative Assistant's package. This increase represents an up grading for the Administrative Assistant who continues to assume more responsibility. She has participated in continuing education offerings annually and has attained certification as "Ministry Assistant".
3. Equipment amount decreased as copier will be paid in full.
4. Slight increase in insurance, supplies, and telephone.
5. Christmas Gifts – figured on one-week's pay.
6. We have added a line item for the History Committee of \$250.
7. WMU has an increase for the Annual Meeting in April, 1998.
8. A line item has been added for "Global Children's Outreach" in the amount of \$2,600.

All other additions and increases are "Local Missions".

1. Fair Ministry	125.00
2. Pittsboro Hispanic Mission	2,000.00
3. Snow Camp	3,000.00
4. True Bread Ministry	2,000.00
5. Crisis Pregnancy	500.00
6. Counseling Ministry	4,800.00

The following Mission Allocations are either the same or decreased.

7. Highway 42 Mission (decreased from \$4,800)	3,000.00
8. Lee County Prison Ministry (same)	300.00
9. Loves Creek (decreased)	3,600.00
10. Sanford Hispanic Mission (decreased)	<u>3,600.00</u>
Total "Local Missions"	\$22,925.00

Breakdown of the 1998 Proposed Budget is as follows:

Administrative Expense	56.3%
Total Office and Center Expense	13.3%
Programs/Organization	11.9%
Foreign Missions	2.5%
"Local Missions"	<u>16.0%</u>
	100%

As you can see, this is a "Missions" and "Ministries" Budget, which we proudly present for your acceptance and participation.

The Stewardship Committee continues to encourage churches to consider contributing to Associational Missions on the basis of a percentage of your undesignated contributions. The recommended percentage is 3 per cent. Of course, some of you are above that percentage.

Thank you for your support through your interest, prayers, gifts and time.

Mary Upchurch, Chairperson 1996-97 Stewardship Committee

Pittsboro Baptist Church
October 25, 1999

This Annual is Dedicated to

Rev. Roy A. Smith

Rev. Roy A. Smith served four years as Director of Missions for the Sandy Creek Baptist Association. Roy led our Association with a dedicated missionary heart. Global Children Outreach, Lee County Fair Ministry, Friendship International House, and Reach Out Crisis Pregnancy Center were started and nurtured under Roy's leadership. He also led the Association to a new streamlined structure. Quarterly Executive Board Meetings were replaced by Executive Council Meetings to accomplish the task for planning and coordinating the work of the Association. The first Semiannual Meeting was held on April 28, 1997 at Brookdale Church. Roy and Shirley, his wife were called to the mission field of South Africa in April to serve as Partnership Coordinators between Baptists in North Carolina and South Africa.

Mr. Bill Poindexter
57th Moderator

1. Prior to the opening of the session, 15 minutes of Inspirational Music was presented by the combined choir of Oakley and Rocky River, directed by Gayle Black, accompanied by Vickie Burriss.
2. Moderator Bill Poindexter called the meeting to order at 7:00 PM.
3. Matt Garrett, Pastor of Moncure Church, read Psalms 105:1-5 and led in prayer.
4. Greg Burriss, Host Pastor expressed welcome to everyone from Christian brothers and sisters at Rocky River Church.
5. Avron Upchurch, Vice-moderator moved the adoption of the program agenda as printed. So moved.
6. Miss Burdine Womble, Historian reminded the association that we should never lose sight of how it came into being and the person who lead the organization. Shubal Stearns was born in New England in 1704. When he became dissatisfied with the Congregational Church, and wanted separation of church and state, he became a Baptist in 1751. He was a firm believer in doctrine of the new birth, free justification, and the anatomy of each congregation. He and 15 other people who believed as he did moved to Virginia. When they learned there was a need for the gospel in North Carolina that explains how they settled in Randolph County on Sandy Creek. The church he founded in 1755 is the Sandy Creek Baptist Church. It is now a part of the Randolph Association. Rock Spring was among the early churches established by 1758 when under the Stearns leadership the Sandy Creek Baptist Association was organized. It is the third in our country. Each year at our Annual Meeting we take time to remind ourselves what we owe to our early leaders. In 1950 our association, the Randolph Association and the Baptist State Convention realized that an appropriate recognition of the church and his burial place should be made. He died in 1771. The cemetery was restored and a monument was erected at Stearns' grave in the cemetery. In 1955 a dedication service was held. This was the 200th Anniversary of the founding of the Sandy Creek Baptist Church. Each year our Association makes a donation toward upkeep of the cemetery. A report is submitted by the treasurer of the fund and is included in our annual each year.
7. Miss Burdine Womble reported on the History of Rocky River Church that is rich in history as well as one of the oldest churches in the Sandy Creek Baptist Association. According to George W. Purefoy's First 100 Years of the Sandy Creek Baptist Association stated that Rocky River Baptist Church was established in 1757 as an arm of the old Sandy Creek Baptist Church, constituted by Elder Shubal Stearns. From oldest information Rocky River Church believes Elder Shubal Stearns established it in 1756. Sandy Creek Baptist Association was established in the year 1758 and Rocky River did not become a part until 1776. During this period of unrest before and during the War for Independence log house was built for worship. A full time Pastor was called, Rev Drewry Sims. In the early 80's as the church had grown, a group of members living near what is now Loves Creek Church in Siler City had grown in number. At a church conference, Mr. Daniel Hackney, Sr. stated that it would be more to the advancement to the cause of Zion and to the convenience of our members to establish another church. So 65 members were chosen to leave to form Loves Creek Church in 1825. In 1833 Elder William Lineberry, a Methodist Protestant Minister united with the church by experience and was baptized on the Fifth Sunday afternoon in December. He was elected Pastor of this church. The church lost members during the period of the Civil War. Another set back was the loss of the house by fire. Members met in a nearby school until another church could be built. In September 1917, Rocky River voted to build a new church. The new building was completed in 1918 at a cost of \$1,685.00. In 1936 there was further remodeling, adding Sunday School rooms at a cost of \$1500.00. In 1962 a parsonage was built at a cost of \$16,340.00. In the early 60's Rocky River voted to sponsor a mission church on land just west of Siler City. The church voted to take Brookdale Baptist Church under their watchcare and sent Rev. and Mrs. J. Ward Buckner to work with them. In 1962 Rocky River voted to go full-time. The first full-time Pastor was Rev. Alton Hicks. In 1911, Woman's Missionary Union was started and continues with mission activities today. The present pastor is Rev. Greg Burriss. Rocky River supports all phases of Baptist Church and the Sandy Creek Baptist Association.

REPORTS

Executive Council

Meetings during the 1997-98 year were held on the following dates and locations:

November 17, 1997		Oakley
January 12, 1998		Sandy Creek Resource Center
February 21, 1998	Called Meeting	Golden Corral, Siler City
March 9, 1998		Jonesboro Heights
May 12, 1998		Black Mountain
July 20, 1998		Sandy Creek Resource Center
September 21, 1998		Bethany

Being the Moderator during this year has been very challenging for me. Roy and Shirley Smith left the Sandy Creek Baptist Association in April to co-ordinate the NC Partnership with South Africa. The association continued having Semiannual Meetings. The Spring Meeting was at Rocky River on April 27, 1998. The Fall Meeting was at Flat Springs on October 26, 1998. We welcomed the following new pastors this year:

Robbie Best	Hunt Springs
Mark Walton	East Sanford

The new church building is under construction at the Loves Creek Hispanic Mission in Siler City. The New Life Praise Mission became a member of the Association and has continued to grow. The Sunday morning services have been in the Civic for several months. The Snow Camp Mission has purchased land on the Siler City-Snow Camp Road, and with assistance of the Baptist State Convention, is putting a doublewide unit on the site. Membership in this mission continues to increase.

The Joy Baptist Church also became a member of the Sandy Creek Baptist Association. The church completed a new building during the 1997-98 year.

I look forward to continuing as Moderator this year. I hope we will soon have a new Director of Missions on board to continue the work of the Sandy Creek Baptist Association. I ask that you pray for me, Dot Hart; Administrative Assistant and the Executive Council as we continue leading the Sandy Creek Baptist Association. I hope we can continue to keep the "main thing, the main thing," that is, that we continue to spread the name of Jesus Christ through the churches that make up this Historic Association.

Bill Poindexter
Moderator

History of the Flat Springs Baptist Church

On Monday evening, November 27, 1905, the Flat Springs Baptist Church was born. We began with 12 charter members, three acres of donated land, and strong faith in God's leader. US Highway #1 (what is now Deep River Road) was a dirt road that ran about fifty feet in front of the present buildings. Twelve months later, the faithful few had erected a partially completed church building, received five young people on profession of faith, been admitted into the Sandy Creek Baptist Association, and were enjoying one preaching service a month.

Our church started with a dream, the dream of a local church convenient for worship and ministry. Most of the charter members were part of the Gum Springs Baptist Church, which is between Pittsboro and Moncure. Travel was difficult in those days, and it took quite a long time to make the trip to church and back. The need for a local church was evident. After much consideration and prayer, these 12 dedicated people organized Flat Springs. There were no aristocrats among these 12. They were modest farmers and their wives, still struggling from the aftermath of the War Between the States and the Reconstruction.

Flat Springs was built in the Oakland Township of Chatham. Though we have never moved, the church is now located in the Deep River Township of Lee County. That was made possible by the formation of Lee County in 1907, from portions of Chatham and Moore County.

Through the years, Flat Springs has grown steadily. From the original 12 charter member and gifts amounting to approximately \$200.00 that first year, Flat Springs has grown to a total membership of over 700 people, and a budget of \$270,000.00. Existing buildings were improved and updated. New buildings have been constructed and dedicated. The present sanctuary was renovated in the summer of 1995, with new carpet, pew pads, light fixtures, and more. Ministries and opportunities have expanded and have touched the lives of many, and many wonderful people have chosen to join with our church family. In the 1996-97 church year, our church had the most baptisms in the Sandy Creek Baptist Association among organized churches.

Because of the growth our church has experienced, to provide more space for worship, we started a second Sunday morning worship service at 8:30 AM in June of 1997. As Sunday School is also full, plans are in progress for building a 6,400 square foot educational building for use by our preschool through third grade, and an office suite. This would provide more space for Sunday School and other use, and would pull all our offices together for better efficiency. We have started to clear the land necessary and hope to build soon. Along with the new building, plans are to do further renovation in the existing buildings to help meet present and future needs.

The church has enjoyed the faithful leadership of 26 different pastors, three of which served two different occasions. Our present pastor is the Reverend Gordon West, who came to us in June of 1995. We have also been blessed with many strong and gifted leaders at all levels and ages.

The dream of those faithful charter members in 1905, of a local church for worship and ministry is still very much alive and is being fulfilled everyday. We are thankful for the way that God has truly blessed our church in the past and present, and we are excited about God's plans for us in the future. He is bringing to us abundant opportunities for sharing the love of Jesus Christ in outreach and ministry. May we always be open to His leading and careful to give Him the glory.

Seminary Extension

Rev Jim Wright has been teaching Seminary Extension Classes in Sanford in Spanish and Dr. Walt Yoho is teaching Seminary Extension Classes in the Harpers Crossroads Community in English. Both instructors are deeply grateful for the quality students and godly leaders the Lord has sent to us.

Dr. Yoho is planning to offer "Old Testament Prophetic Books" starting several weeks after Christmas.

BROTHERHOOD

Many projects have been started, are underway or were completed this year.

1. Renovation of cabins at Mundo Vista & Caraway are on-going.
2. Sandy Creek had several churches involved in the RA Racing Team event. This was most exciting.
3. The Loves Creek Hispanic Building project is well underway.
4. By invitation, I have met in several churches to help in starting or expanding their visions and involvement of Baptist Men for men and boys.

For every one that volunteered in any way, "Thank you." You are Missions at Work! It has been a great joy to me personally to see God at work in the churches and in the lives of His people.

If I can assist you in any way, please do not hesitate to call. The State Office personnel or I are available to help in any way we can.

MEDIA

The Media program thrust, "MINISTRY 200", for 1997-98 has been, "Media Libraries...Ministering to Youth". Ministering...that's what the associational library work is all about.

The Associational Media Ministry...TAMM...with an average of 5 churches participating at semi annual TAMM MSG, Media Support Group meetings. The organization has 6 officers available to help churches as needed. A Media Support Ministry reaches out in three major ways:

1. To the local church, by providing one-on-one advisory assistance in establishing a new ministry or in the revitalizing of a defunct ministry.
2. To the church librarian, by providing a media support group which meets to share ideas, training opportunities, fellowship, etc.
3. To the association at large, by providing resources through the establishment of a media library at the associational office. For the year 1997-1998, we did not have an associational librarian.

March 19, 1998, four attended TAMM MSG at Jonesboro Heights Baptist Church. April was Media Library Emphasis Month, promoted by our churches. Our discussion centered on processing procedures, sharing and support.

The Associational Media Director attended Key Leadership training at Ridgecrest, May 11-12, 1998. The Associational Director and one local church director attended the Baptist State Convention of NC Media Library Conference at Caswell Conference Center, May 15-17, 1998.

Eleven attended the Associational Training Extravaganza on September 14, 1998 at Siler City First. We studied the Media Library Desk Book.

Our Associational Resource Center provided printed material, bound and unbound, tracts and periodicals and other literature as well as audiovisuals, projected and non-projected, from pictures to maps and globes. Resources are organized according to area of ministry to assist special workers or to add personal growth. Let your Associational Resource Center become an extended arm of your ministry.

Woman's Missionary Union

"Come Go With Me" was our emphasis for the year. Which word receives the emphasis on this phrase? I believe the underscore of "with" indicates a partnership ministry. We, as WMU members, know that we are to go and to tell. Our challenge is to extend His invitation to those outside the walls of the church, but we must also follow Christ's example in ministry in order to be heard. Come Go With Me can be voiced as we speak of the ministry and opportunities for missions involvement as we welcome new members to A Place For You In WMU.

1997-98 has been another good year for Sandy Creek WMU. We had the opportunity to learn more about our Partnership with South Africa through two special services in which we heard from Terry Rae, Executive Director of South Africa Baptist Union, and Marjorie Froise of Welkom, South Africa and editor of Baptist Today.

Another missions involvement project was our participation in the Women's Prison Christmas Project for which we collected bar soap. An Associational-wide study event was held when we provided a study of the emphasis book Come Go With Me by Dr. C. Anne Davis. This event was well attended and we were inspired as our own Phyllis Watson outlined the ministering life of Christ from the Gospel of Luke.

Through the efforts of our Women on Mission Consultants we were able to enjoy a women's prayer retreat led by Phyllis Elliott at our beautiful Baptist Assembly at Caswell. We were both challenged and entertained by the witticism of Phyllis and enjoyed the musical talents of our own Mitzi Brooks. Our WOM consultants also introduced us to a new ministry of Friendship International House through which six volunteer families had their Christmas holiday brightened by hosting an international student in their home for two weeks.

The Associational WMU Leadership Team provided training for church WMU leaders and associational-wide activities were provided for all age-levels.

The members and staff of First Baptist, Sanford hosted us so graciously on April 14 for our annual meeting. There were 140 in attendance representing 23 of our churches. A group of Acteen Activators from Jonesboro Heights shared about their mission trips to Oklahoma and South Carolina. N.C. WMU Executive Director and key-note speaker Irma Duke shared with us her "WMU Testimony", as well as some challenging thoughts and concerns and led us in a special commissioning service for Roy and Shirley Smith just hours before they departed for South Africa to serve as Partnership Coordinators.

Many churches and groups participated in the North Korea Famine Relief. We were able to send 12 boxes of food as a direct result of the drive conducted at our annual meeting.

Our theme or emphasis for 1998-99 is simply "Transformed". Our national social ministry emphasis or "Project Help" for the next two years will be Violence.

Because of God's grace, we have been transformed. We have story to tell and a message to share. Will you pray for God's transforming power to be at work in your life?

"Adapt yourselves no longer to the pattern of this present world, but let your minds be remade and your whole nature thus transformed." Romans 12:2a (NEB)

Discipleship

DISCIPLESHIP – The ongoing process of Spiritual Growth and Development in the Lives of Individuals.

Discipleship has changed much through the years too. We've come to realize discipleship to be the process of spiritual growth and development in an individual's life and not just another "program" of the church. The traditional Sunday night 6:30 "Church Training" (or Discipleship Training) hour can be and is certainly being used as a discipling, growth-producing time. But discipleship takes place at lots of times and in lots of places and in a variety of ways. The weekly one time, one place and one resource study is no longer adequate to meet the varying discipling needs of spiritually growing congregation. The task before the church today is to determine how the process of discipleship can best be facilitated in the lives of its people and to provide what is needed to see that it happens. Most churches are discovering that a variety of approaches and varying time frames are necessary to meet the wide array of discipling needs of its people. (This paragraph taken from "Disciple All: A Discipleship Training Manual" by Roy Edgeman, Compiler).

Several churches in the Sandy Creek Association have successfully maintained a "Main Track" Discipleship Training Program; and, some are venturing into special Lifestyle Bible Studies. All studies designed to effect an "ongoing process of spiritual growth and development in the lives of individuals" count as "discipleship" whether they are held on Sunday evening, Sunday mornings (in some cases), weekday mornings, evenings, etc. held in the church or in homes. Therefore, you may actually be having effective "Discipleship Training" and not reporting it.

Discipleship leaders facilitated

Two Classes "Mind of Christ" with 19 participants (six churches represented),

One Class "Christian Money Management" with 19 participants (one church),

One Class "Jesus on Leadership" with six participants (four churches)

And are currently facilitating

"Life Lessons from Women in the Bible" with 18 participants (four churches).

One church is beginning "Discipleship" again – East Sanford is making plans to start "Discipleship" – Both a "Main Track" and a special "Lifestyle Bible Study Track". Interest in the special track originated at the "Associational Training Extravaganza" in 1997 with follow-through in one of the above classes.

The two "Discipleship" Seminars held at the 1998 Training Extravaganza went well. New Resources were introduced in "Discipling for Transformation" and two new churches showed interest in starting Bible Drill in their churches.

BIBLE DRILL – Now is the time to start BIBLE DRILL for Youth and Children in your church.

Section 2. Members. The Stewardship and Finance Committee shall be composed of six (6) members in addition to the Stewardship Chairperson. They shall be nominated by the Volunteer Enlistment Committee and elected by the Association.

ARTICLE XIII - MISCELLANEOUS

Section 1. Fiscal Year. The Sandy Creek Baptist Association shall operate the Association year January 1 through December 31. All committees elected to serve this period shall assume office during the October semiannual meeting. Any elected officer who cannot fulfill the duties of said office at anytime during this period should submit, in writing, his resignation to the Director of Missions.

Section 2. Financial Affairs. All finances will be directed to the Sandy Creek Association office and all checks should made payable to Sandy Creek Baptist Association. Deposits of all funds will be made in a local bank and records of same will be forwarded to the Sandy Creek Baptist Association Treasurer.

Section 3. Parliamentary Procedure. *Robert's Rules of Order* shall be followed as the association's rules for conducting its deliberative assemblies, except as the association prescribes otherwise.

ARTICLE XIV - AMENDMENTS

Section 1. Charter Amendment. Amendments to the Charter shall be presented in written form to the association on the first day of the annual meeting to be considered on the second day, and must receive a majority vote of the body present and voting in order to become effective.

Section 2. Bylaws Amendments. The By-Laws may be amended at any session of the association by a majority vote of those messengers present and voting who are entitled to vote. Changes in these bylaws may be made at any regularly scheduled business meeting of the Association, provided such amendments shall have been presented in writing at a previous meeting or provided to all members not less than seven (7) days prior to the meeting, and copies of the proposed amendment are furnished to each member present.

ARTICLE XV - PROXY VOTING

In any election or matter in which messengers or officers or pastors are eligible to vote, all votes must be cast in person by those qualified to vote. No absentee ballots nor voting by proxy shall be permitted in any election or vote.

ARTICLE XVI - DISCIPLINE

1. The Associational Executive Council may recommend the formal discipline of any member church by censure, suspension or revocation of membership for any conduct they deem prejudicial to the interests of the association and the cause of Christ.
2. All disciplinary proceedings and actions shall be undertaken pursuant to biblical commands especially the process set forth in Matthew 18, and the spirit of the biblical commitments to confession, repentance, forgiveness and reconciliation. Private admonition, spiritual instruction and encouragement to faithfulness must precede any recommendation of formal association action.
3. No member church shall be disciplined, nor recommendation for such discipline forwarded to the other members, until the member shall have been notified, or bona fide effort made to notify, of such pending matter including information of the charges and an opportunity to appear before the Associational Executive Council in person and to forward information relevant to the matter.
4. Any recommendations regarding discipline shall be made at a regular or special businesses meeting with prior notice of the general subject matter and proposed recommendation being provided all the members. The member against whom action is proposed shall be given an opportunity to be heard at the associational meeting. A two-thirds vote shall be required to approve any Associational Executive Council recommendation in connection with this Article.

ARTICLE XVII - WAIVER OF DEFECTIVE NOTICE

Any defect in notice for any meeting held by the Sandy Creek Baptist Association, or of any committee or board thereof, is waived by every member who is present or has actual notice of the meeting and does not raise a timely objection to such notice within five (5) minutes of the start of such meeting. Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Council shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

This Annual is Dedicated to

Bill and Sims Poindexter

Bill Poindexter served as the 57th Moderator of the Sandy Creek Association. He began early by completing the unfinished term of the former moderator and served most of his term when the Association was without a Director of Missions. His leadership in the Association is greatly appreciated. Bill is also very active in Pittsboro Church and serves as the Area 4 Homeland Coordinator for the NC Baptist State Convention. Sims Poindexter served the Association as Student Ministry Director. Local community college students, under Sims' leadership, formed the first Baptist Student Union in an Association. She is also active in Pittsboro Church in Sunday School, music, and deacon ministry. Bill and Sims also dedicate many of their weekends to teaching and spreading the gospel by leading a Lay Renewal Team through the Brotherhood of the NC Baptist State Convention. Special thanks to both of you for sharing your time and talents.

PREAMBLE

We, the cooperating missionary Baptist churches of the counties of Alamance, Chatham and Lee do hereby propose to establish and maintain the principles and rules of order of our association in conformity to the following plan:

ARTICLE I - NAME

The name of the body shall be the Sandy Creek Baptist Association.

ARTICLE II - PURPOSE

The purpose of this association shall be to inspire and enable the member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the ministries and programs of this association, the Baptist State Convention and the Southern Baptist Convention, thereby fulfilling the commission of Jesus Christ as commanded in Matt. 28:19-20.

ARTICLE III - OBJECTIVES

1. To provide programs, projects, and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, missions, education and other ministries that will promote the Kingdom of Christ.
4. To involve itself in programs to fill the spiritual, philanthropic, and social needs of both the membership and their communities.

ARTICLE IV - AUTHORITY

The Association is a body of autonomous churches who voluntarily cooperate under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it except for such authority relating to any church's association relationship. However, the association may, upon invitation from a church, counsel with that church. Each member church shall be represented on at least one of the standing committees and on at least one of the mission performance committees.

ARTICLE V - GOVERNANCE

The government of this association shall be congregational in nature, and the final authority for the operation and management of the affairs of this corporation, spiritual and temporal, shall be vested in the membership of the corporation, which authority shall be exercised in the manner set forth in the bylaws. Except as specifically provided in these bylaws, only members, in semi-annual or special meetings, and acting as set forth in these bylaws, shall have the authority to adopt and amend the charter and bylaws, elect officers, approve budgets, receive members and generally govern and conduct the affairs of this corporation. Between membership meetings control of the association is vested in those persons and bodies as set forth in the bylaws.

ARTICLE VI - MEMBERSHIP

Section 1. Members. Members of the Sandy Creek Baptist Association shall consist of those churches which have become affiliated in the manner set forth in these Bylaws.

Section 3. Transfer from another Baptist Association. Any duly constituted Baptist church, in good standing with another Baptist association and desiring membership with this body must make application to the Associational Executive Council at least four (4) months prior to either semiannual meeting. REPORTS

Executive Council Report October 26, 1998 – October 25, 1999 **Bill Poindexter, Moderator**

This has truly been a year filled with interesting experiences. The Sandy Creek Baptist Association has continued to function because of the dedicated leadership of the committee chairmen, the administrative assistant and the Association officers.

The Associational Missions have made significant progress during the year. The New Life Praise Church purchased and moved into their own building. The church continues to grow in number and ministry. The Snow Camp Mission acquired a doublewide unit that has been placed on property the mission is buying. The mission had a dedication service on April 25, 1999. As the mission grows, the church already needs more space for Sunday School classes. Work had continued on the Loves Creek Mission building under the leadership of David Ritter, the on-site coordinator, the building is now ready for finish trim work. The church continues to grow as it ministers to an ever-increasing Hispanic population in the Siler City area.

The Director of Missions Search Committee has worked hard all year. The committee recommended that a call be made to Greg Poplin. On January 18, 1999, the Association, at a called special meeting, voted not to call Dr. Poplin. The committee presented another candidate, Sandy Beck, to the Association Pastor's Conference and Executive Council on August 19, 1999. Dr. Beck withdrew himself for consideration and the called special meeting scheduled for August 30, 1999, was cancelled.

At the April 26, 1999 Semiannual Meeting, the Association extended a call to Rev. Jim Lambert to be our Interim Director of Missions. Brother Jim has provided excellent guidance for the Association. We all are appreciating his wise counsel.

Under the leadership of the Program Committee Chairman, Avron Upchurch, we had a very successful Training Extravaganza at First Baptist Church in Siler City. The attendance was good and the conferences were presented very effectively.

The Constitution and By-laws has written and published a "Policies and Procedures Manual" which is available to all member churches. This manual should be helpful as we continue to seek ways to more effectively operate the Association.

During the year, the Building and Grounds Committee wrote guidelines for use of the Association Building. These guidelines become necessary as our Association continues to grow and minister to people in our area.

Under the capable leadership of the Stewardship Committee, the Association now appears to be financially sound. The churches have continued to support the Association during our time without a Director of Missions.

With much excitement, the Executive Council endorsed the possibility of a new Korean Mission that will likely be sponsored by East Sanford Baptist Church. We look forward to working with East Sanford Church in this new work.

Thank you again to all of the committees for their work that has made the Association effective while I have been moderator. I appreciate the opportunity to have served as your moderator during these exciting times.

1999 Training Extravaganza

Those who returned evaluation forms rated the Training Extravaganza held at First Baptist Church of Siler City on September 13, 1999, a success. One hundred and seventy-four people from 32 churches and 1 mission of the 41 churches and 4 missions in the Association participated. Sixteen topics were presented by fifteen presenters. Nine of the presenters were from the Baptist State Convention, one from Woodhaven Church in Cary, and five from the Association. Several Convention presenters stated the Training Extravaganza was well planned and executed and participants were excited. Thanks for making it so.

Several suggested presentation topics were suggested for year 2000. After tabulating and summarizing the data on the evaluation forms, the data showed that the length of the conference was adequate with some desiring more time for their specific topic. On a scale of 1 to 5 being the highest, the following are the results of the evaluation forms.

Question: The session was helpful and practical. (The average evaluation was 4.5)

Question: The session was encouraging, motivational, or inspirational. (The average evaluation was 4.5)

Question: Length of conference was adequate. (The average evaluation was 4.1) Some wanted more time for their topic.

Of the 130 evaluation responders, 125 wanted a Training Extravaganza at the same time in the year 2000.

We appreciate and extend our thanks to the deacons and staff of Siler City First for their hospitality and assistance and for sharing your facility with the Association.

Avron Upchurch
Vice Moderator

Constitution and By-laws

The Constitution and By-laws Committee has worked to provide a policies and procedures manual which we hope will be useful to all future leaders in the Sandy Creek Baptist Association.

Each member church should have one copy of the manual and each person serving on the Executive Council should have access to a copy during his/her term of service to the association.

Discipleship

DISCIPLESHIP—the ongoing process of Spiritual Growth & Development in the lives of individuals

Our emphasis this year is “DISCIPLING FOR TRANSFORMATION.”

In October and November of this current Association Year eighteen ladies from **four of our** churches participated in Bible study and teachings from “Life Lessons from Women in the Bible”. This time together provided prayer support, Bible knowledge, enhanced spiritual growth, sharing of understanding and experiences, and bonding and friendships.

An **interdenominational** group of fourteen studied, prayed, and shared “Experiencing God” facilitated by your Discipleship Leaders during the summer months.

Two other **groups** have recently started “Experiencing God”; **one** in the **Baptist** Church with fourteen mixed participants and **one** in a **Methodist** Church with ten men and women, both facilitated by your Discipleship Leaders.

God is using this “tool” in a marvelous way and lives are being “TRANSFORMED BY DISCIPLESHIP”. **Praises to God** with hearts of thankfulness for allowing us to be a part of His work.

Participants in the “Small Group Facilitators” Workshop at the Training Extravaganza (14) were enhanced by the content and leadership of Wendy Edwards.

Remember several kits are available in the Resource Center for your use. Among them are:

- “Experiencing God”
- “Mind of Christ”
- “Life in the Spirit”
- “Jesus on Leadership”

The “Left Behind” series by Tim LaHaye and Jerry B. Jenkins is available to be checked out and returned:

- Left Behind
- Tribulation Force
- Nicolae
- Soul Harvest
- Appollyon

CHURCHES ARE DISCIPLING—some have successfully maintained a “Main Track” Discipleship Training Program; and some are venturing into special Lifestyle Bible Studies. All studies designed to effect an “ongoing process of spiritual and development in the lives of individuals” count as “Discipleship” regardless of time or place. May we continue to witness the TRANSFORMING POWER OF GOD through Discipling.

Report of the Internal Audit Committee of the
Sandy Creek Baptist Association

To the Executive Council of the
Sandy Creek Baptist Association

I conducted an internal audit of the financial records for the period from January 1, 1998 to December 31, 1998 of the Sandy Creek Baptist Association on April 8, 1999. The internal audit consisted of two main parts: (1) an analysis of the accounting system in order to obtain an understanding of the documents used and the persons involved in the process, and (2) an examination of two months of the financial records and reports of the Association.

The financial records for the two months that were examined were in good order. The records of the Association are well organized and neat. Both the receipts and the disbursements were adequately documented.

This report has come from the Internal Audit Committee of the Sandy Creek Association and should be used for internal purposes only. Under no circumstances should it be used to give any kind of assurance about the financial condition of the Association to parties external to the Association because this report provides no such assurance.

Respectfully submitted,
Gwen J. Norwood, CPA
Internal Audit Committee

Reports on Shubal Stearns, History of Oakley Church and History of Pittsboro were prepared and presented by Sandy Creek Association Historian, Miss Burdine Womble.

Shubal Stearns

Each year at Sandy Creek Baptist Associational Meeting we like to remind ourselves of the man who was responsible for its organization.

Rev. Shubal Stearns was born in Boston, Massachusetts. He preached in Connecticut and Virginia until he heard that people in Piedmont North Carolina were eager for someone to preach the gospel to them. In 1775 he led a group of 8 families to what is now the Sandy Creek Baptist Church in Randolph County.

From a beginning of 16 members this pioneer leader saw the spread of the gospel grow rapidly. To Shubal Stearns evangelism meant to go and take the gospel. May we catch a vision of what this dedicated, courageous man did and as we try to help spread the story of God's love.

Sandy Creek gets its name from the mother church. For many years Sandy Creek Church was a part of the Sandy Creek Association. When Shubal Stearns started this Association it was composed of churches not only in N.C. but also in neighboring states.

Shubal Stearns died in 1771 and was buried at Sandy Creek Church cemetery. Each year many people go there to visit the burial place of this great pioneer leader and see the monument erected to his memory. Our association is happy to make a contribution each year to help with the upkeep of this historic site.

History of Oakley Baptist Church

In George Purefoy's "History of the First 100 years of Sandy Creek Baptist Association," we find a church listed as Mineral Springs Baptist Church near Mt. Vernon Springs being constituted in 1825. This church reported as many as 116 members in August 1917, when a fire destroyed the church. Many of the members lived in the area of what is now Oakley Baptist Church.

In September 1918, a group of people met in the Oakley one-room schoolhouse to discuss the possibility of organizing a church in that community. There was much interest; on December 29, 1918, they met again. J.T. Womble offered to give a plot of land near the Oakley Schoolhouse. Rev. Thomas Carrick, pastor of the Mineral Springs Baptist Church at the time of the fire, acted as moderator and Dr. George Paschal acted as secretary. Dr. Carrick stated the purpose of the meeting: the organization of a Baptist Church. It was generally agreed to build a Baptist church in that area. A call for members was given: thirty-five came from Mineral Springs and four from Loves Creek Baptist Church. These thirty-nine were the charter members. They were given the right-hand of fellowship.

Rev. Carrick was called as first pastor. Corinth was adopted as the name, but in four months, the name was changed to Oakley Baptist Church. Services were held in Oakley Schoolhouse. A building program was soon underway. By May 1919, services were held in the new unfinished building. On May 29, 1921, Oakley Baptist Church completed and debt free held a dedication service with Rev. Walter M. Gilmore preaching the dedication sermon.

Oakley was received in the Sandy Creek Baptist Association in October 1919. Sandy Creek Association met with Oakley Church in 1926.

There has been a steady growth in Oakley. In 1944, they remodeled the sanctuary and added more Sunday School rooms. In 1954, Oakley entered another building program, brick-veneered the building and added more classrooms. In 1957, a parsonage was built near the church. A new sanctuary, at a cost of approximately \$92,000 was built in 1963. In 1973, a new educational building was constructed.

From beginning worshipping in a one-room schoolhouse with thirty-nine members, Oakley has grown to 450+ members. They have all phases of Baptist program. Worshipping God together, praying together, playing together and sharing the joys and struggles of life together; serving together to reach others for Christ. Oakley is continuing to think of others. They recently added a youth minister to their staff.

In June 1997, a \$200,000 sanctuary renovation program was started. The newly renovated sanctuary was dedicated on January 25, 1998. It features new seating arrangements, new lighting, and stained glass windows with the Life of Christ illustrated in scenes. The vestibule has been expanded. Present pastor is Rev. Timothy Howell. This is the sixth time in 81 years that Oakley has hosted Sandy Creek Association.

History of Pittsboro Baptist Church

The exact date of the beginning of a Baptist Church in Pittsboro is not known. It is thought that Baptist had been meeting in the early part of the nineteenth century. In George W. Purefoy's "History of the First 100 Years of Sandy Creek Association," information reported finding a cornerstone with the following inscription, "Baptist Church Organized in 1817." By 1847 some early Baptist made plans for organizing a Baptist Church. B.C. Poe, John Thompson and P.W. Dowd constituted the building committee. Wesley and Martin Hanks were the contractors who built the meetinghouse. With seventeen members, the Pittsboro Church entertained the Sandy Creek Association, according to Purefoy, in 1852 for a four-day session. On Sunday, speakers were at the Methodist Church, the Presbyterian and Baptist Church. Before the turn of the century Pittsboro Baptist Church had hosted the Association two more times.

In 1948 the church was torn down and the present modern brick sanctuary was erected with Sunday School space. In 1960, an educational building was added. In 1967, a three story educational building was erected. Recently, the sanctuary was renovated.

In 1898, Miss Fannie E. S. Heck of Raleigh, who was at that time, W.M.U. President of Southern Baptist Convention, organized a Woman's Missionary Union. Mrs. H.T. Chapin was the first President and served for twenty-five years.

William Straughn was first Sunday School Superintendent. The church has had many faithful organists. Mrs. W. F. Bland served for over 50 years until the church employed a paid organist.

The speaker for the first Homecoming Day, October 12, 1969, was Dr. George Griffin, who was ordained by Pittsboro Baptist Church. On January 4, 1970, Randy Roper was licensed to preach and on August 30, 1970, was ordained to preach.

In 1970 the church purchased the Bob Perry property across the street for \$10,000. On October 8, 1972, the church celebrated its 125th Anniversary with former pastor, Rev. W.W. Finlator speaking. On October 25-27, 1974, the church held a Layman's Weekend Revival. Under the leadership of Rev. John F. Robinson, the Deacon Family ministry was started. In 1981 a church van was purchased.

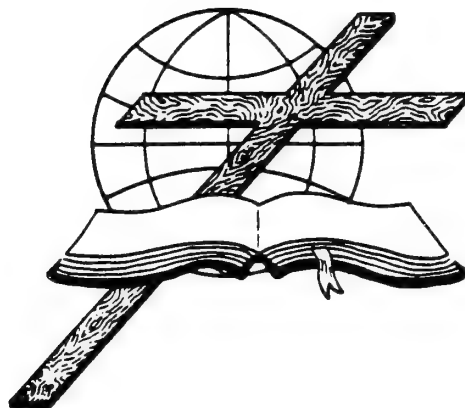

The church accepted a gift from the estate of Mr. Harvey Brown in which his home and grounds were given to the church for use of a parsonage. A bequest from the will of Mrs. Ellen Bowling was accepted on January 5, 1986.

Beginning in 1987, was interest and love for missions. Fred Nooe made several mission trips to Central America. IN 1987, George Shivers became leader of Baptist Men. They are a group of men who are willing to travel to areas to help in church construction. Women and children have assisted Backyard VBS and religious surveys. Men have gone to help after hurricanes and several times to Fort Caswell and Cameron Boys Home to do repairs. In the 90's, several groups have made mission trips to assist with dental education.

In 1996, a new WMU group began meeting to discuss missions and to have a time of prayer. In 1997, they named themselves the Jane Nooe Missions Group in honor of the one in our church who is the "Keeper of the Mission Flame." In 1988, Jane Nooe was also the first woman to be elected deacon. She has also served as clerk of Sandy Creek Baptist Association.

In 1998, the church sent Becky Young to South Africa on a Partnership Mission trip and again in 1999, along with Teresa Parker.

In 1990, a full time Minister of Music and Youth was employed. One of the latest mission endeavors has been sponsoring the Spanish Mission. Rev. David Daly is present pastor and Bill Poindexter is the present moderator of the Sandy Creek Association.

This Annual Is Dedicated to

Reverend Jim Lambert

Reverend Jim Lambert served the Sandy Creek Baptist Association for two years, 1999-2001, as the Interim Director of Missions. We greatly appreciate his leadership in aiding us to maintain our focus on being laborers together with God. Jim helped us to see that our Association is "ALIVE AND WELL"—involved in many great ministries and with the Holy Spirit's guidance, we can face a future that is every bit as glorious as our historic past. Thank you for a job well done.

Proceedings

Spring Semiannual Meeting TYSON'S CREEK BAPTIST CHURCH April 25, 2000

Theme: "Continuing the Mission into the New Millennium"

"...forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus." (Philippians 3:13b-14 NASB)

Prior to the meeting, Mitzie Brooks, member of Tyson's Creek Church, presented 15 minutes of beautiful, inspirational music.

1. Avron Upchurch, Moderator, called the Spring Meeting of the 242nd Session of the Sandy Creek Association to order at 7:00 P.M.
2. Larry Soblotne, pastor of Rives Chapel Church, led in devotion and prayer, reading Philippians 3:13.
3. Walter Yoho, host pastor, welcomed everyone.
4. Roy Helms, Vice Moderator made a motion to adopt the printed program with any minor changes that need to be made. So adopted.
5. Miss Burdine Womble, Historian gave reports on Shubal Stearns and the History of Tyson's Creek Church. See Reports section of Annual.
6. Joyce Cagle, Treasurer, presented the Financial Report. See Reports Section of Annual. Approved as presented.
7. Avron Upchurch, Moderator, presented a recommendation on behalf of the Personnel and Stewardship Committees, to increase pay from \$150.00 per day to \$160.00 per day, to Rev. Jim Lambert, Interim Director of Missions, now working on a part-time basis of 2-3 days per week. In April 1999, Rev. Lambert agreed to work for six months and have the privilege to reconsider. He has agreed to another six months with the option to again reconsider at the end of six months, if the Association is still without a full-time Director of Missions. So carried.
8. Tommy Emerson, Chairman of Stewardship Committee, reported that the finances are solid at this time. Motion was made from the Executive Council and Stewardship Committee that \$25,000 be donated to the Neuse Association for "Flood Relief." Motion carried. Motion was made that the Association would match donated funds up to \$4,000 to build a bedroom onto the home of a member from Tyson's Creek Church so this family could adopt an abused teenager. Tyson's Creek, Brush Creek and Fall Creek have already committed to furnishing funds and labor for the project. So Carried.
9. Carol Fesmire, Volunteer Enlistment Coordinator, presented nominations for officers and Directors, as printed. See reports section of Annual. Motion was made to accept. So Carried.
10. Leonard Harris, Director of Music, led the congregation in singing "O Zion, Haste." Frances Webster accompanied on the organ and Kaye Jones on the piano.
11. Ira Sutton, Mission Partnership Coordinator, spoke to report as printed. See Reports section of Annual. Rev. Sutton then introduced Ron Aldridge, Pastor of Pleasant Hill Church. Rev. Aldridge told of his recent mission trip to Alaska, during which he preached a revival and led a church outside Anchorage, in a time of renewal.
12. Dot Hart, Clerk, gave the registration report as follows: 121 messengers and 27 visitors.
13. Avron Upchurch, Moderator, referred to the Update Report as printed. See Reports section of the Annual. The report documents events of the Association concerning the search for a full-time Director of Missions. A time of coming together has been structured by answering a set of questions, directed to all churches: pastors and laity. Opportunity was presented to everyone to make a recommendation for the forming of another Search Committee.
14. Jim Lambert, Interim Director of Missions emphasized the many ways the Sandy Creek Association members are "laborers together with God." See Reports section.
15. The congregation sang, "Rescue the Perishing."
16. Mitzi Brooks presented special music and testimony.

17. John Jones, Church Planting Division of the NC Baptist State Convention, shared that the mission field in the Sandy Creek Association has not changed and there is still a lot of work to do. It is still a mission field of opportunity for our churches to reach out together to share the gospel with people, to produce the required fruits. God has a perfect plan in our lives, if we are faithful to Him. God has called each one to a task, we must be faithful; it is not an option.
18. Jason Cardwell, Pastor of Hickory Mountain Church, pronounced the benediction.
19. Avron Upchurch adjourned the meeting.

Refreshments were served in the Fellowship Hall after the meeting.

The name of the body shall be the Sandy Creek Baptist Association.

ARTICLE II - PURPOSE

ARTICLE III - OBJECTIVES

REPORTS: Spring Meeting

Interim Director of Missions Report

"ALIVE AND WELL!" Yes, that is what I said about the Sandy Creek Association. I felt better when I said it then, and, you know, I feel better even now when I have said it again! I have been a Baptist a long time, and I have seen how often we have tried to love the Lord, and have tried to love our neighbors as ourselves, but have not known how to love ourselves. Now, I think you can get bigheaded and conceited (and that is not "loving ourselves"), but you can also have low self-esteem and you can deny the Lord has loved you and given you special gifts (and that is not loving ourselves either).

It is sad when we don't feel good about ourselves and our gifts. Recently I have heard questions raised about our Association that sound doubtful about us and our future. I want to share with you events to which I have been invited that indicate to me that this Association is ALIVE AND WELL, and with the Holy Spirit's guidance, we can face a future that is every bit as glorious as our historic past.

- (1) The Executive Council responded to questions our Moderator had asked us to prepare to discuss in our meeting on March 20 which provided us a FULL evening of constructive evaluation of the Association.
- (2) The Pastors' Conference met April 3 for a similar sharing of hopes and dreams, as well as things that might hinder these. It was a good and constructive meeting.
- (3) Representatives from churches attended a meeting sponsored by the Associational Sunday School at Sandy Branch Church on March 27 to discuss the upcoming literature changes.
- (4) Sunday School also provided a VBS conference for Directors and Pastors at Hickory Grove under the direction of Leslie Cardwell.
- (5) Sanford First hosted an exciting RA Racer Derby.
- (6) Discipleship Training provided the Bible Drill competition for 35 participants.
- (7) Loves Creek Hispanic Mission building was dedicated
- (8) The two lists from the Executive Council and the Pastors were discussed, and were made into one. Again, an open and loving spirit made this an opportunity for real progress.
- (9) The Mission Development Committee continues to offer us a forum for considering mission projects beginning here and going around the world. Two Partnership Mission trips are planned: Alaska in June and Southern Africa in September.
- (10) The Association WMU meeting, April 18, was a good experience for me. Reports and messages were heard in a setting where fellowship was enhanced as we remembered God's love and grace offered for us all.

I don't want to gloss over the fact that we have challenges before us that will require some serious thought and prayer. But it is my feeling that our desire to be God's people on mission in the Sandy Creek setting is strong. There are so many GOOD things happening. We are laborers together with God!

Jim Lambert, Interim Director

Moderator's Report

At the October Semi-Annual Meeting of the Sandy Creek Baptist Association I was elected Moderator for the 1999-2000 year. During the past six months, I've met with various committees and have been pleased with the commitment exemplified and the activities planned by the Missions Development Committee, Snow Camp Mission, Volunteer Enlistment Committee, Evangelism Committee and the Stewardship Committee.

I have made an effort to be present at any associational committee meeting to which I had been invited or of which I had knowledge. Thank you for the opportunity to learn of your area of work. I am proud of the leadership and commitment I have witnessed.

It was my pleasure to be present at the dedication of "Mission Bautista Hispana Loves Creek" in Siler City on April 9. Roy Helms and Loves Creek have responded to God's leading in this mission endeavor and it is evident Israel Tapia and his congregation are already seeking God's will in extending "Missions and Evangelism" in their community. To God Be the Glory.

The twenty-five (25) children and ten (10) youth participating in the Associational Bible Drill thrilled my heart – how wonderful to already have the "Word of God" so securely in their hearts and memories.

It was a pleasure to attend the Annual WMU Meeting and observe the strong leadership of this missions organization and hear of their involvement in missions at home and abroad, and how that involvement has changed lives.

Many thanks to Phyllis Angel Watson for her leadership of several years in the association. Many prayers are lifted for God's presence and direction in her life as she continues her ministry in other directions.

Avron Upchurch, Moderator

UPDATE

As we meet for the First Session of the Two Hundred and Forty-second Annual Session of the Sandy Creek Association, we are still without a full time Director of Missions. However, we are fortunate to have Reverend Jim Lambert serving as our part-time Interim Director of Missions. Following is a recap of events and progress since our Fall Semi-Annual Meeting.

On February 15, 2000 the Sandy Creek Association met in a "Called Business Meeting" for the expressed purpose of presenting a candidate as Director of Missions. The candidate did not receive the required seventy-five (75%) percent vote of those present and voting.

On February 25 the Moderator met with the DOM Search Committee and discussed:

1. Their experience while working together over two years
2. How each had grown in their appreciation of each other and their personal relationship with the Lord
3. Knowledge gained from messengers at the "Called Meeting"
4. Reflections on that knowledge and happenings
5. How this wisdom could best benefit the association.

On March the Moderator mailed a "SCBA Update" to all Pastors (asking each to share with his church's messengers), to the Executive Council Members, and the DOM Search Committee Members. The Update contained the following paragraph:

"As I met briefly with the DOM Search Committee recently, I became very aware of the varied gifts God has given each of them. Each has used that gift or gifts to serve others; specifically us,

the Sandy Creek Baptist Association. As I listened, I recognized their uniqueness and understood why God had put them together. More importantly, I heard each testifying to the goodness and power of God and know each is experiencing a very real and personal relationship with Him. They will continue "faithfully administering God's grace in its various forms" as they minister and serve others in His name in many and varied ways. Praise God for their love and faithfulness."

Attached to the Moderator's memo were individual statements from each of the DOM Search Committee Members. The mailing of these statements dissolved the DOM Search Committee.

It was further decided (Moderator, Interim DOM, and persons who were asked for professional advice) that there needed to be some time for reflection prior to another DOM Search Committee being elected. During this time, seeking God's guidance, efforts would be made to determine why a Director of Missions has not been called and what the member churches want the Sandy Creek Association to be and to do in order to move from this point into the future.

The Sandy Creek Baptist Association enjoys a long and rich history. We may be experiencing and witnessing another historical period as we recognize and acknowledge that there are differences among us; however, these differences become minor as we also acknowledge that we all believe in the same and only God and His Son, Jesus Christ, and we want our association to remain strong in "Missions and Evangelism."

Believing we have unity in our belief in God and our love for the association, the Moderator, with the assistance of Rev. Jim Lambert, began the following process:

On March 2 a letter was mailed to all Members of the Executive Council asking all to pray for God's guidance and direction for Sandy Creek, challenging each to unite as "servant leaders in team ministry," and requesting written answers to a set of questions to be discussed at the next Executive Council Meeting.

On March 20 the Executive Council met, discussed, and consolidated answers.

On March 20 the Moderator also met with the President and Vice President of the Pastors Conference and devised a set of questions for Pastors.

On March 23 Pastors Conference President Robbie Best mailed a letter to Pastors with the set of questions attached and requested they answer the questions and be prepared to discuss and assimilate at the Pastors Conference in April.

On April 3 Pastors met, discussed and consolidated answers.

On April 5 Jim Lambert mailed Questions and Answers from both the Pastors and the Executive Council to Pastors and Executive Council Members.

On April 11 Pastors and Executive Council met and combined, condensed, and refined responses from both groups as follows:

The Association should be Christ-centered cooperative churches that work together in "Evangelism and Missions" to advance God's Kingdom at home and abroad.

The Association should work proactively in assisting churches to facilitate, train, educate and challenge in the areas of Evangelism, Discipleship, Worship, Ministry and Fellowship.

The Association should encourage and provide interactive fellowship opportunities at all levels of the Association.

The Association should continue to provide hands-on missions; such as, youth activities, language missions, partnership mission, home missions, and church planting.

The Association should share resources such as Vacation Bible School materials and facilities.

The Association should become more visible through the media.

The Association should encourage Pastors and churches.

Every person's views and ideas are expected and considered in love, as we work for unity of spirit among our leaders that would serve as a role model for all.

Pastors, Executive Council Members, and Messengers, you are encouraged to take the above responses and compare them with the Bylaws printed on Page 12 of the Sandy Creek Baptist Association 1999 Annual recently distributed to you; specifically, Article 11 – Purpose and Article 111 – Objectives.

After studying and comparing the responses with the Bylaws, please share your thoughts and suggestions with either the Moderator or the Interim DOM.

Please pray for God's presence and direction as we continue to strive for unity and understanding.

Recommendation on “Interim Director of Missions

At the Semi-Annual Associational Session in April, 1999 you voted:

1. To call Rev. Jim Lambert as Interim Director of Missions on a Part-time basis of two to three days per week;
2. To pay Rev. Jim Lambert \$150 per day (based on the last Director of Missions' direct income rounded downward to \$150);
3. To pay 'no benefits' on Interim DOM;
4. To pay travel at 31 cents per mile upon receipt of expense report;
5. To pay miscellaneous ministry expenses incurred while performing the duties of Interim Director of Missions upon receipt of expense report.

Rev. Lambert agreed to work for six months and have the privilege to reconsider. He did and has now been with us a year.

Rev. Lambert has worked well with the Pastors and has certainly been a tremendous help to the Association. He has agreed to another six months working up to a maximum of three days per week with the option to again reconsider at the end of six months if we are still without a full-time Director of Missions.

Considering no benefits are paid a part-time Director of Missions, the Personnel Committee and the Stewardship Committee recommends pay be increased to \$160 per day (\$10 per day or 6.67% increase).

Missions Development Council

April 21, 2000

Two changes have taken place on our council since the last semi-annual meeting: Susan Ferguson is now working with the Reach Out Crisis Pregnancy Center replacing Barbara Poe and Robbie Best is working with our counseling ministry replacing Eric Porterfield.

We have been busy meeting, dreaming and working together to carry on the missions' effort of the Sandy Creek Baptist Association. With the help of the WMU, we provided 30 songbooks to be used at the Jordan Lake summer ministry, which is led by David and Jackie Jones (Flat Springs Church) and Rev. Ron Aldridge (Pleasant Hill Church).

In addition to our usual fair ministry, we have already secured a booth at the Lee County Fair for this fall, and are looking into doing the same in Chatham County. Our goal is to share a Christian witness with the many who visit the exhibit halls, as well as make the people of our two counties more aware of the Sandy Creek Baptist Association and what we are about. We are also looking at ways to reach out to the Hispanic population who visit the fairs each year.

We have sent three cooperative agreements to testate Convention and are waiting for their approval. We are seeking to continue the agreements with the Pittsboro Hispanic Mission and the Snow Camp Baptist Mission. We are also requesting a new agreement to look again in the West Lee area of our association as possibly having the need for a new work.

The need and desire for a counseling ministry in our association is still alive. Discussion and planning meetings continue in the effort to bring this needed ministry to our area as a referral resource for our pastors and churches.

We are talking with the State Convention and North American Mission Board to see if we can enter into a cooperative agreement for the purpose of having a summer missionary in our association for a 12-week period this summer. This missionary would work with our three Hispanic churches (four weeks at each church) to strengthen and further their ministry.

We are still working on a method of gathering information on different types of community and individual needs throughout our association, along with a way to catalog what resources (gifts, talents, and/or abilities) are available in our churches through our Baptist Men's organizations and through our WMU that could help us meet those needs.

A BIG dream, but one worth dreaming, is the possibility of our association having the equipment necessary to help in times of a disaster. We are talking with the State Convention to see what the greatest need for our area would be: a disaster relief van, a feeding unit, or another need all entirely.

There are upcoming mission trips to Alaska and South Africa, continued needs and opportunities at the Reach Out Crisis Pregnancy Center and in Hurricane Floyd Relief, the need for new equipment for the use of the Associational churches, and more.

This is just some of what your Missions Development Council is doing. Your ideas and input are needed to help us as we seek ways to share the love of Jesus Christ and to reach out through mission opportunities in our association and around the world. It is a joy and honor to serve our Lord and the Sandy Creek Baptist Association in this way. Pray for us as we do for you.

Rev. Gordon K. West, Chairman
Missions Development Council

RA Racers

On March 31, Billy Bridges from First Baptist Church of Sanford hosted 25 Royal Ambassadors in the Annual Sandy Creek Baptist Association RA Racer Competition. It was an exciting evening. Four RA's participated in the state competition on April 15 in Thomasville. Results of the state competition have not been received.

The Association currently has available 60 RA Racer kits in 6 styles for you to purchase for year 2001. Each church will receive specific information on RA Racers in early 2001.

History of Tyson's Creek Church

On Saturday, November 19, 1881, a group of 24 people met at Tyson's Creek School for the purpose of organizing a Baptist church there – “for the convenience of those wishing to organize a church there and the great opportunity and reasonable expectation of doing good for the souls of men and to the glory of God.” These 24 were members of various neighboring Baptist Churches. The newly organized church elected Rev. T.N. Baldwin to serve as their first pastor. John W. Ellis was elected church clerk, and B.B. Phillips from Bear Creek Baptist Church and F.J. Scott from Fall Creek Baptist Church were the first deacons.

In 1882 the Tyson's Creek Church requested membership in the Sandy Creek Baptist Association and had its first baptismal service following a revival in August. In 1884, Tyson's Creek agreed to pay \$50.00 a year for pastoral services. The first house of worship was dedicated on the 5th Sunday in August 1885.

In 1966 a mobile home was purchased for a home for the pastor. At this time, Tyson's Creek Church began a full-time pastorate. In 1974 a parsonage was built. Just before Tyson's Creek observed its 100th anniversary, a new educational-fellowship building was completed. In 1989, Tyson's Creek voted to build a new sanctuary on the site of the old sanctuary. Windows, light fixtures, pews and other furniture from the old sanctuary were placed in the new sanctuary. On May 6, 1990 a dedication service was held.

Over the years, Tyson's Creek has endeavored to strengthen its mission across the community and support home and foreign missions around the world.

Seminary Extension

The Winter Quarter of Seminary Extension started Monday, February 7 and ended March 6. The title of the course was “How It All Got Started! An Exposition of Genesis 1-12 (Part I).” The Lord sent us 37 students (29 registered and 8 guests) representing 15 different churches. We averaged 25 in attendance.

The Spring Quarter - Part II - started Monday, April 17 at 7:00 P.M. in the Fellowship Hall of Tyson's Creek Baptist Church. We anticipate a rewarding and refreshing time of study, prayer, music, fellowship, and refreshments. We will concentrate upon the Ark (Genesis 6-9), the Tower (Genesis 10-11) and the Altar (Genesis 12).

Director

Evangelism

Our committee met on January 20 and February 24. In the first meeting there was an agreement to move the Annual Evangelism Rally from the second Sunday evening in January to the first Sunday in October 2000. The meeting place will be at the First Baptist Church of Sanford and the speaker will be Dr. Mike Cummings, President of the Baptist State Convention of NC.

Plans were made to divide all the churches equally among the committee members for personal contacting to promote events. This year we will promote the popular 4-week course: Sharing Jesus Without Fear, by William Faye and Anna Marie Edgemon. Each coordinating committee member will contact those listed in his group of churches, sharing information and asking him and his leaders to pray seeking God's guidance to determine if it is God's will for their churches to join several other churches in this study.

Our committee members have coveted to pray regularly for our Pastors and all church leaders of this Association, that we will put Evangelism and Missions at the center of all we do and not let lesser issues side tract us from The Great Commission.

Please contact any member of this committee at any time. Let them be your resource person and your prayer partner.

Woman's Missionary Union Transformed-Take the Stand

Our theme, TRANSFORMED: TAKE THE STAND has been very meaningful. Change is hard, but with the armor of God we can stand. We have stood together through emphasis on North American and International Missions. We have focused on where we are in WMU. We have seen growth in many organizations. We have seen new groups started at different age levels.

We have seen Friendship International House succeed again – thanks especially to Bonita Cumbie and all her extra efforts. Debbie Hockaday has continued to lead in our Project HELP: Violence emphasis very capably. For the next two years we will focus on literacy. We have seen many continue to volunteer in South Africa, and we are beginning a new partnership in Alaska. Praise God; to Him be the glory for all that has been accomplished through missions this past year.

I am so grateful that many more people in our association are volunteering locally, nationally, and internationally. The needs are great. Ask God to transform you to take the stand to go as He leads.

The WMU Annual Meeting was truly a blessing. The hospitality of Pittsboro Church was great. All the preparations, the food, and the feeling of welcome were all greatly appreciated. We were so pleased with all the cleaning supplies for the Crisis Pregnancy Center and the Family Violence and Rape Crisis Center. The combined love offering was \$353. Thank you for such an outpouring of love and support.

Our Project HELP for the next two years is literacy. You are probably involved in reading with others in some way. Re-examine what you are doing already and add to it in other areas. Many people would like to read God's word for themselves and you could teach them.

"Jesus Christ is the same yesterday, today, and forever." (Hebrews 13:8) Help us Lord to be transformed, but never change your message of salvation.

Thank you and my wonderful Leadership Team for all your encouragement and prayers.

REPORTS: Fall Meeting

Director of Missions Report

I continue to be blessed by my opportunity to serve the Sandy Creek Baptist Association as interim missionary. I continue to be amazed at the missions opportunities we have within the association and the responses our churches are making to them. I want us to sense the spiritual and physical needs of the people of our two counties, and to be unafraid to try new strategies and methods in our efforts to share the gospel with them. People, organizations, who are unwilling to make changes as life about them changes, often find themselves no longer making a vital contribution. There is no question that the Association has made its contribution, but I am hopeful that we will find ways to involve our younger, "more urban" people in this ministry God has given.

I am talking about strategy and method that will help us help churches be the mission outpost in a world that is increasingly unChristian. I am not talking about changing the fact that we are a Bible believing people, who are called by Christ to go into all the world, beginning right here, and going to the ends of the earth. We must remember what business we are in. Our task is to help churches win people to faith, to develop them into disciples, and to help them discover and use their gifts in ministry.

Our Search Committee is working diligently and prayerfully to find and bring God's person to be our leader and encourager in this new mission frontier. Please continue to remember this committee in your prayers: Chairman Bob Patrick, Siler City First; Del Parkerson, Sanford First; Hubert Garner, Flat Springs; Tim Howell, Oakley; and Virginia Vick, East Sanford.

In the meantime, we are trying to build our fellowship as we seek to find where God is working and how we can join Him in that, as we try to help our churches and encourage our pastors that the Sandy Creek can be "lamplighters" for Him.

Thank you for all you are and do for the Lord. If I can be of service, please call me.

Other Mission Activities

The Mission Development Committee continued the Lee County Fair Ministry whereby a continental breakfast was available along with devotions and prayer for the carnival workers. For the first time the Association sponsored and manned a booth at the Lee County Fair. It was a start at showing fair attendees something about the Sandy Creek Baptist Association.

Training Extravaganza

Training Extravaganza 2000 was evaluated very high by those who returned evaluation forms. I trust and pray that those who attended took some useable information back to your church. We appreciate and extend our thanks to Pastor Jim Wall and Minister of Music David Pierceall for their assistance, the deacons for use of their very nice facility, and Miss Ruth Andrew for assisting with the light evening meal.

RA Racers

The Associational RA Racer Competition was held at Sanford First on the first of April. Racer kits were made available at the Association Office at cost and will be available for the next season.

History of Hunt Springs Church

On September 23, 1985, members of Brookdale, Fellowship, and Hickory Grove Churches conducted a partial survey of the St. Andrews Community. Based on the survey findings and the fact that less than one fifth of the homes in the area were visited, the Director of Missions, Ernest Davis, recommended that the Association proceed with the establishment of a mission in the area. This action was taken at the February 1986 meeting of the Executive Council.

The first worship, an Easter Sunrise Service, was held in the Hunt Springs Community Building on March 30, 1986. Regular services were begun the following Sunday, the first Sunday in April 1986 with 18 people attending. There was some confusion in identifying the Mission with a St. Andrews Church of another denomination on the same road, and realizing the Hunt Springs is an actual spring located behind the Hunt Springs Community Building property where the church worshipped, the membership voted in September 1986 to change the name to Hunt Springs Baptist Church.

With the support of the Sandy Creek Association, (which sponsored the Mission), the Baptist Convention, churches, and individuals who provided funds, completion on the building was April 19, 1987. When the congregation moved in for worship on April 26, 1987 the building was dedicated to the work of the Lord.

By late summer of 1987 the congregation had grown to the point that more classrooms were needed. Portable classrooms were installed in November of that year. This unit was used until the second phase was completed. Work began on the second phase in September 1988 and worship services were held in the new sanctuary on Easter Sunday morning in 1989, just 3 years from the first service of the mission.

In 1987, a request was made to the Sandy Creek Association that the Mission be chartered as a church. After one year, in October 1988, the Mission was granted membership in the Sandy Creek Association as the 40th church. In 1989, the church participated in the World Missions Conference. In March 1990, the membership voted to apply for Incorporation with the state of North Carolina. On August 11, 1990 Incorporation was granted.

In November 1991, with the congregation continuing to grow, phase three began. The education building was being added, which contained a Sunday School Office, Sunday School Rooms, and Fellowship Hall. Building was completed and dedicated to the work of the Lord on April 12, 1992.

In November 1984, Sherry Pruette was called to the position as Music and Youth Director, employed full time with half time given to each position. She served until 1998. Mark Meadows resigned on November 23, 1994 to accept a church in Lumberton, serving 8 years.

The church purchased the Houghton property and was completely paid for on March 24, 1997.

On September 15, 1996, Jonathan Rogers was called as pastor. He and his family lived in the house on the Houghton property. He served 11 months. James Williams began work as Music Minister in January 1998. Robbie Best was called as pastor on May 30, 1998. He and his family lived in the house on the Houghton property. He served until June 2000 when he resigned.

Shubal Stearns

We don't know much of the early life of Shubal Stearns. He was born January 28, 1706 in Boston to Shubal Stearns and Rebecca Larriford Stearns. He became a Separate Baptist in 1751 and that year was baptized and ordained. In his preaching he emphasized the doctrine of new birth, believer's baptism, free justification and the autonomy of each church.

He and his brother-in-law Daniel Marshall learned that the people in Piedmont North Carolina were anxious for someone to bring the gospel message to them. Eight families arrived in Sandy Creek in Randolph County. In 1755, they built and organized a church named Sandy Creek Baptist Church with 16 members. In 1758 Shubal Stearns lead in organizing the other churches Abbott's Creek and Deep River into an Association naming it the Sandy Creek Baptist Association of North Carolina. In 17 years under his leadership 42 churches were organized and 125 ministers were sent out from Sandy Creek Church.

Shubal Stearns died November 29, 1771 and was buried in the cemetery at Sandy Creek Baptist Church. According to Purefoy's "History of the First 100 Years of Sandy Creek Association," in the association meeting held at Loves Creek Baptist Church in 1858 "the churches were requested to send up funds to the next annual meeting to erect a suitable

tombstone in memory of Elder Shubal Stearns who was under God the honored instrument in planting this association." Almost 100 years later another monument was placed at his grave. Each year the Sandy Creek Association makes a contribution to the Shubal Stearns Memorial Fund to assist with the upkeep of the cemetery.

Woman's Missionary Union

A year of transition in WMU leadership - a year of exciting ministries happening within our Association – a year to remember! Our theme for this year is **"Beyond Belief"** as we continue to recall Biblical miracles and recognize the many moments and events in our lives when God has intervened and caused unbelievable results.

March 5-12, 2000, we observed Week of Prayer for North American Missions. Our theme was "By All Means" – sharing the gospel in every possible way. We learned that the United States is now the fourth largest unsaved nation on earth (only India, China and Indonesia have more lost people). We have about 5,000 missionaries using every means possible to reach these lost people and we must do our part in reaching them as well.

Our Annual WMU meeting was held April 18, 2000, at Pittsboro Baptist Church with special guest speakers, Reverend Jim Lambert, the Interim Director of Missions for our Association who spoke at the afternoon session; and Reverend Kevin Meadows and his wife Cindy who spoke of their experiences in India. A love offering was taken and given to the Reach-Out Crisis Pregnancy Center and The Garden Place (Family Violence and Rape Crisis). Also, many cleaning items were collected at the session and given to both these ministries. Reports were given by participants in the Peace Rally held at Deep River School and by Janet Jones who reported about assisting in the disaster relief efforts of hurricane Floyd victims. The next scheduled annual meeting will be April 17, 2001, at Flat Springs Baptist Church in Sanford.

Attending my first Missions Extravaganza at Ridgecrest last May was one of the year's highlights. Who of us could not sit for days listening to missionaries speak of the awesome works of God in their lives? What an uplifting time of re-dedication and reiteration of the miracles God performs every day!

Each member of the WMU Leadership Team was able to attend the State Training Sessions held in June/July at Caraway and Fruitland, so we were prepared and anxious to train church WMU leaders on August 14 at First Baptist Church in Siler City. Special sessions were held to discuss Ethnic/Language ministries and Project Help – Literacy. Seventy-five leaders from 19 of our churches participated in this important training.

On September 22-23, 2000, almost 60 women from our Association attended the Annual Women on Mission Prayer Retreat at Ridgecrest and were inspired by Sandra Harrison who led the sessions. Sandra is the Church and Community Ministries Director of the South Yadkin Association, and writes for the *Biblical Recorder* from time to time. Since World Hunger Sunday was coming up on October 8, the group took a love offering of \$225.50 to be sent to the Baptist World Hunger Fund. Next year's Women on Mission Prayer Retreat is scheduled for September 14 and 15, 2001, at Camp Caswell.

We were afforded many missions opportunities this year:

-The Door of Hope Ministry in Johannesburg, South Africa was helped by many of our churches. This ministry takes in abandoned babies and takes care of them until they can be adopted or placed into foster homes. Bear Creek, Flat Springs, Hickory Grove, Jonesboro Heights, Juniper Springs, Loves Creek and Rocky River churches, collected and sent bags of baby and toddler

clothes, medicines, vitamins, etc. to the Door of Hope. There may have been other churches, but these are the ones I know of.

-Jay and Kathy Shafto serve as missionaries to the half-million Bisa people in Burkina Faso, West Africa, where 94 percent of the Bisa people cannot read or write. They have been working with Wycliff translators putting Bible stories and God's Word on cassettes in their native language. Cool Springs, Flat Springs, Hickory Grove and Pleasant Hill churches are some of the churches that I know of that sent cassette tapes, Kool-aid, and coloring books and crayons to the Shafto's.

Other missions included churches providing school supplies for needy children at the beginning of the school year, helping Cameron Boys Home, continuing to assist victims of Hurricane Floyd, ongoing assistance through funding and collection of baby items for the Reach-Out Crisis Pregnancy Center, assisting McDonald House, renovating a room at the Haven House in Sanford, participation in "Operation Christmas Child" (Samaritan's Purse shoeboxes) and many other wonderful mission projects. Our Association is again this year participating in the Women's Prison Christmas project by helping to fill the red boxes that are given to them. Our contribution will be 4,800 packages of chewing gum.

The churches in our association will observe the November 6 Baptist Women's Day of Prayer on Sunday, November 5 at 3:00 pm at Sandy Branch Baptist Church. Participants of three mission trips – Alaska, South Africa, and Wales – will share their experiences.

The Acteens are having an Associational event Friday, November 17, 2000. They will meet at Rives Chapel at 5:30 pm for a hot dog supper, then take a hayride to Sandy Branch where they will share their talents in an Acteen Talent Show.

The GA's will have a "Missions Fest" at East Sanford church from 10:00 am to 2:00 pm on Saturday, November 18, where each group will be representing a different country.

December 3-10, 2000, we will observe Week of Prayer for International Missions. The theme will be "The Unfinished Task 2000 – Dispelling the Darkness." There are so many people still in spiritual darkness and the task of sharing the plan of salvation is far from finished.

As I accepted the responsibility of WMU leadership this summer, I was a bit nervous and feared that there was much to learn in a short period; however, those feelings quickly subsided as past leaders rushed to my rescue with prayer and other assistance. My passion for WMU has never been higher and I look forward to the new year, as I pray that you do also. Each of us needs to BE THE ONE who wins souls to Christ, and who takes the initiative to get others involved in WMU. Your WMU Leadership Team covets your prayers.

Mission Development Council Report

There has been a change on our council since the last Semiannual Meeting. Ron Chaney will be working with us in our Counseling Ministry, replacing Robbie Best. Please keep us in your prayers as we seek to provide this much-needed ministry.

We are very thankful for all the people and churches that helped with the fair ministry this year. The morning devotions were led by Sanford First (Wednesday), Cool Springs (Thursday), Flat Springs (Friday), and New Life Praise (Saturday). We are aware of one profession of faith made during the devotions. That one coming to salvation makes all of our efforts worthwhile. At night, individuals and couples from several different churches in our association manned our booth in the exhibition hall. People who visited the fair and walked through the hall were greeted with a cold cup of water, a smiling face, and tracts, materials, and information about our association. Each church was identified by name and several provided us with pictures to use. We are already thinking about and planning for next year. The Sandy Creek Baptist Association is alive and well, and we want people to know who we are and what we do. May God help us to shine His light brightly in our community.

Two of our churches are looking with us at the West Lee area and the possible need for a new work in that section of Lee County. We have also discussed the Philippine population in our association and the need of ministry in that area.

There are upcoming mission trips to Alaska and South Africa, continued needs and opportunities at the Reach Out Crisis Pregnancy Center, with ministering to our Hispanic population, migrant ministry, and more. We are still looking at the possibility of a disaster relief van for our association and a talent/gift inventory from the Baptist Men and Women throughout our association.

This is just some of what your Missions Development Council is doing. Your ideas and input are needed to help us as we seek ways to share the love of Jesus Christ and to reach out through mission opportunities in our association and around the world.

Discipleship

It was quite exciting to participate in Key Leadership Training in the spring. Chad Hall, our Baptist State Convention Leadership and Discipleship Consultant for Eastern North Carolina led the Discipleship Session. Chad shared innovative and creative ways for discipling. He is a viable resource for our churches and associations.

In May Discipleship and Stewardship asked the Stewardship Division of the Baptist State Convention to lead a seminar on "Managing Your Church Finances... Made Easy." Boyce Wilson facilitated the study assisted by John Roberson and Dan Euliss. WE appreciate their leadership and co-sponsorship of this event. Sixty persons participated with twenty churches represented.

We are very proud of our Bible Drillers and encourage them to continue their Biblical education as this knowledge can never be taken from them. We thank the church leaders for their commitment to God and the children and youth. We offer a special thanks to Tommie Angel for her work and dedication in continuing to be our Associational Bible Drill Leader. Now is the time to start Bible Drill in your church. If interested, call Tommie Angel at 774-1561. Dates for 2001 are:

Associational Bible Drill	April 5, 2001
State Youth Bible Drill	April 20, 2001
State Children Bible Drill	April 21, 2001

During our Associational Training Extravaganza on Monday evening, September 11, Discipleship offered a two-hour seminar on "Share Jesus Without Fear." Fourteen participants learned "Success is not the result of bringing someone to Christ; success in witnessing is living the Christian life day by day, sharing the gospel, and trusting God for results."

The Discipleship Council for 2000 – 2001 is:	Tommie Angel	Bible Drill Leader
	Mary Upchurch	Discipleship Supporter
	Chris and Gwen Norwood	Asst. Discipleship Supporters

We are pleased to have Chris and Gwen Norwood join us in Discipleship and look forward to working with them. They are members of Mt. Olive Church. Our members will welcome an opportunity to assist you in any manner which will promote "Discipling."

Bible Drill

Discipleship is "the ongoing process of Spiritual Growth and Development in the lives of individuals." What better way to promote "Discipleship" than by promoting "Bible Drill" in our churches? The Sandy Creek Association can be proud of the youth and children who participated in the Associational Bible Drill at Jonesboro Heights Church on Monday evening, April 10, 2000 and continue by participating on the State level. The participants and their leaders are:

The revisions include adding an Executive Board composed of two messengers from each church, preferable the pastor and one other. The Executive Council remains similar. So you have the Executive Council, the Executive Board and the Association-in-session as your major governing body. The times to announce changes to by-laws before a vote has been changed from 7 days to 30 days and changes to the Charter from 1 day to 60 days. The Policies and Procedures Manual is requested to be included and to request 30 days notice for any changes. The major changes in the Policies and Procedures Manual were adding 2 people to the Personnel Committee and moving the job descriptions to the Manual, which is more appropriate. At the request of several people, the title of Director of Missions is being changed to Associational Missionary. The committee moves for adoption of the new By-laws and the changes to the Policies and Procedures. Approved as presented.

25. Roy Helms introduced Tim Strider, pastor of Bennett Church.
26. Tim Strider preached the annual sermon. The scripture text was II Kings 6:1-7. There is only one way to God and that is through His son, the Lord Jesus Christ. Our methods much change if we are to reach this lost and dying world with the gospel but the gospel must not change. It will always be the same. We would all like to have prosperous, growing churches for the glory of the Lord. You drive out the evil and the elect will be carried into our congregations and sanctuaries. When those who hinder and hurt have been hushed, the places where we gather to worship and lift high the name of Jesus, as we reach higher and go farther, will not be able to contain those who hover around our places of worship. Many people today have lost their cutting edge for God in the middle of a religious activity. Many people have allowed their doing to take the place of their devotion unto the Lord. Without spiritual power, work is worthless. God can forgive and forget and restore power for service to Him.
27. Brian Mann, pastor of Joy Church, prayed the benediction.
28. Roy Helms adjourned the meeting.

Refreshments were served in the fellowship hall.

ARTICLE I - NAME

The name of the body shall be the Sandy Creek Baptist Association, Inc.

ARTICLE II – PURPOSE

The purpose of this association shall be to inspire and enable the member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the ministries and programs of this association, the Baptist State Convention and the Southern Baptist Convention, thereby fulfilling the commission of Jesus Christ as commanded in Matthew 28:19-20.

ARTICLE III - OBJECTIVES

1. To provide programs, projects, and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, missions, education and other ministries that will promote the Kingdom of Christ.
4. To involve the Association in programs to fill the spiritual, philanthropic, and social needs of both the membership and their communities.

ARTICLE IV - AUTHORITY

The Association is a body of autonomous churches who voluntarily cooperate under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it except for such authority relating to any church's association relationship. However, the association may, upon invitation from a church, counsel with that church. It is the intent that each member church shall be represented on at least one committee or council of the Association.

ARTICLE V - GOVERNANCE

The government of this association shall be congregational in nature, and the final authority for the operation and management of the affairs of this corporation, spiritual and temporal, shall be vested in the membership of the corporation, which authority shall be exercised in the manner set forth in the bylaws. Except as specifically provided in these bylaws, only members, in semi-annual or special meetings, and acting as set forth in these bylaws, shall have the authority to adopt and amend the charter and bylaws, elect officers, approve budgets, receive members and generally govern and conduct the affairs of this corporation. Between membership meetings control of the association is vested in those persons and bodies as set forth in the bylaws.

ARTICLE VI - MEMBERSHIP

Upon a favorable report of the Credentials Committee, the applicant church may be admitted as a member of the association by majority vote of the messengers present and voting at either semi-annual meeting. The applicant church so received shall come under the watch care of the association for a period of one year and shall have the privileges of the association except that of voting. At the end of the watch care period, the church may be admitted as a member of the association with all privileges by majority vote of the messengers present and voting at a semi-annual meeting.

B. Transfer from another Baptist Association. Any duly constituted Baptist church, in good standing with another Baptist association who desires membership with this body, shall make application to the Executive Council at least four (4) months prior to either semi-annual meeting. The association may at any time dissolve connection with any church that ceases to abide by the charter and by-laws of Sandy Creek Baptist Association and the spirit of the same. Action for dissolution shall be initiated upon the recommendation of the Executive Council. Dissolution shall be by two-thirds vote of the messengers acting at a meeting for which one of the purposes is dissolution and four weeks' notice of this purpose has been given.

B. Discipline.

2. All disciplinary proceedings and actions shall be undertaken pursuant to Biblical commands especially the process set forth in Matthew 18, and the spirit of the Biblical commitments to confession, repentance, forgiveness and reconciliation. Private admonition, spiritual instruction and encouragement to faithfulness must precede any recommendation of formal association action.
3. No member church shall be recommended for disciplinary action or disciplined, until it has been notified, or bona fide effort made to notify, of the pending matter including information of the charges and given an opportunity to appear before the Executive Council in person to discuss the matter.

April REPORTS

Director of Missions Report

What an exciting time to be a part of the Sandy Creek Baptist Association. God is working in many of our churches doing great and wonderful things. Why should we expect any less from our God? Pastors are reporting much hunger among their members to grow spiritually, others have people being saved and awaiting baptism, still others are building and providing needed room for growth, and more. We have several new pastors in our churches, and a new mission. We are now forty-six churches and missions.

Our newest mission is the New Life Filipino Mission led by Pastor Samuel Boncales, and sponsored by New Life Praise Church and Pastor Craig Dodson. Not only has our area seen growth in the Hispanic population, we have seen the Filipino population grow as well. Henry Blackaby has encouraged us to look around us, see what God is doing and get involved. That is what we have done here. Please pray for this new work and give them your encouragement and support as they seek to reach out in Jesus' name.

The Sandy Creek Baptist Association has a long and notable history. God has done great things as we have followed His leadership throughout the years. But even more exciting is the fact that He is not through with us yet. He has much in store for us. Our Sovereign God created us with a purpose in mind. He has gifted us with what we need to be able to fulfill His purposes. He has also placed here in our association the people and the churches He wants to be here to enable us to work along side of Him in His plan for the redemption of the world. I find that truly exciting. What more could we ask for than that?

If I can be of help to you or to your church in any way, please feel free to call me. May God continue to work through us in mighty and powerful ways as we work together in His name.

Missions Development Council Report

The Missions Development Council has a full platter when it comes to associational missions. This report will hopefully share some of what we have been doing and some of what we hope to do.

We are still working toward making the counseling center a reality. This will provide our pastors and churches with the needed resources here in our association for counseling referrals.

Several of our churches and many people from our association have taken mission trips to many places abroad and at home to share the love of Christ, and still others are being planned for the near future. Mission teams have been to Alaska, Eastern North Carolina, West Virginia, Lesotho (South Africa), Wales, India, Guatemala, and Kroonstad (South Africa). There are plans in the making to go to El Salvador, Alaska, Peru, South Africa, and other places later this year. These are just the ones we know about.

Over 550 health kits were made by our associational churches to be used with the North Carolina Medical/Dental Bus operated by the Baptist Men as it travels the state providing needed care in Jesus' name.

The Lee County Fair is scheduled for October 2 – 6, and plans are already in the making for reaching out to the fair workers as well as providing a witness to the many who visit the fair each year.

A committee has been appointed to look at the possibilities of our obtaining a disaster relief van to be used by our association as we reach out to people within our area as well as outside our area. The committee members are: Lee Phillips, Ron Chaney, Virginia Vick, and the new Baptist Men's Director.

The Reach Out Crisis Pregnancy Center is in need of some volunteers to do some repair work as well as some renovations. This would be a wonderful opportunity for a men's group, Sunday school class, or some other group of people within one of our churches. Contact Susan Ferguson about what you can do to help.

Cooperative Agreements were finalized and sent to the State Convention Office. Funds were sought to assist with the work of the Pittsboro Hispanic Mission, possible work in the western area of Lee County, Snow Camp Mission, and the Filipino mission (the newest of our mission endeavors).

The Snow Camp Mission, in cooperation with our state convention, the Mt. Zion Association, Mt. Olive Church, and the Sandy Creek Association, has backed up and started over with a new church planter on the field. This will be supported by our state convention for a two-year period as we seek to build a stronger foundation for a Baptist church in that area.

Pastor Samuel Boncales is leading the Filipino mission and the sponsoring church is New Life Praise. Since no work has been started in the West Lee area to date, the executive committee voted to transfer the \$2,000.00 in the budget designated for the West Lee mission to the Filipino mission to help with this new opportunity that the Lord has sent our way.

Other services have been requested from the convention through the Cooperative Agreements that would help with deacon ministry, provide support and helps for our pastors, offer training opportunities for our Hispanic missions, and more.

The Missions Development Council is always open to your ideas and input. Feel free to contact anyone on the committee as you have ideas you would like to share. Thank you for your prayers and interest.

Respectfully submitted this 23rd day of April 2001.

Council Members: Ron Chaney, Craig Dodson, Susan Ferguson, Hugo Gallegos, Bev Gautier, Teresa Hawley, Diane Smith, Ira Sutton, Virginia Vick, and Gordon West.

If you came to the Association's Annual WMU Meeting April 17 at Flat Springs church, you know that it has really been a wonderful year thus far! Our theme continues to be "**Beyond Belief**" as we go beyond just being believers, and putting our faith into action.

Sandra Harrison, Church and Community Ministries Director of the South Yadkin Baptist Association, was the guest speaker. Several members of our association shared their mission efforts in Alaska and in our communities. The next annual WMU meeting is scheduled for April 16, 2002, at Rives Chapel Baptist Church.

December 3-10, 2000, we observed Week of Prayer for International Missions and received the Lottie Moon Christmas offering. We focused on "The Unfinished Task" and how we can dispel the darkness (war, hunger, violence, poverty, false gods). As we pray and share the light of Christ with the world, we are dispelling the darkness.

March 4-11, 2001, we observed Week of Prayer for North American Missions and received the Annie Armstrong Easter offering, as we continue to realize that we are "On Mission Together". Our nation is in desperate need of knowing our Lord and Savior and we must all do our part to spread the good news of His sacrifice and His love.

The 2001 Missions Extravaganza at Ridgecrest was held March 23-25 and March 28-April 1, 2001. Over 2,300 people participated. An offering of \$13,901 was received which will be used for literacy mission work and Alaska hunger projects. Many ladies from our association attended, but we'd like to see more participation. If you ever go once, you'll want to go every year. Every Christian needs those mountain-top experiences, and you'll find one at Missions Extravaganza.

Since January, the Nominating Committee for the Associational WMU Leadership Team has been spending many hours on the phone. Some of the WMU Leadership Team positions are still open. Please seek God's guidance as you ask if YOU should be the one to fill a certain vacancy. We have so many gifted ladies in our association. If you know of someone that the Nominating Committee could call, please let them know.

As your church has special WMU events, please let me know about them – I would love to join you and get to know more of you individually. Thank you for your prayers and encouraging notes. It means so much to have your support. I've learned a lot during my first year as your WMU Director and have enjoyed every minute of it. God bless each of you.

Associational WMU Director

Ad Hoc By-laws Review Committee Report

On September 25, 2000, the Sandy Creek Executive Committee appointed an ad hoc committee to review the by-laws of the Association. Gordon West, Avron Upchurch, Tim Howell and Jim Lambert were appointed to this committee. These members requested that Elizabeth Boone, chair of the Constitution/By-laws Committee, join their meetings. This committee met faithfully from October 2000 through April 2001. After prayerful consideration and study, the committee recommends that we revise our by-laws to establish an Associational General Board with representation from each member church. The committee also recommends that we restructure the Council to correspond with the other change. These recommendations and other wording changes have been referred to the Constitution/By-laws Committee for their review, consideration and decision.

Interim Director of Missions Report

God has led you to a new Director of Missions and the things for which I came here are over, at least my phase of it is and I am grateful for this privilege of making a brief remark or two about my deep appreciation for this opportunity to be in Shubal Stearns country and to be a part of a loving people who are interested in missions and working together for the Lord.

I thought about, when you sang "may the people who come behind us find us faithful;" that captures what I envision this meeting being all about. I thought about a passage of scripture in Joshua where Joshua is beginning to take the leadership of the people and he is telling them to get up and follow the ark, stay so far away from it, but stay close enough that you can know the Lord is leading. And then he says, "you have not been this way before, sanctify yourself today, because tomorrow the Lord will do wonders among you."

I feel good about the Sandy Creek Association. I feel good about my two years here. It was a surprise when it didn't end in six months for I had planned some other things, but God has been good and God has blessed us. Let me report on some things that have been done this past year. The Building and Grounds have updated the phone system, installed new signs, and a new VHS projector is going to be put into use. Elizabeth Boone has reported about some of the work done in reviewing the Charter & By-laws. We have talked about missions and at one meeting, the Council voted to send \$9,000 to the Emmanuel Baptist Church to finish building the church that the team from Sandy Creek had started in South Africa. We agreed to support the New Life Praise Filipino Mission and moved \$2,000 set aside for a new church start to be used in this new ministry, matching the money being sent from the Baptist State Convention.

Let me say again how much I have enjoyed working in the Sandy Creek Association and with your leaders. May those who follow after find us faithful.

Jim Lambert, Interim Director of Missions

Installation Service

Jim Lambert: Inasmuch as the Sandy Creek Baptist Association has been asking God's leadership in seeking a new Director of Missions and recently unanimously called the Rev. Gordon West to be our missions leader, we come tonight to install him and to covenant before God to serve Him faithfully together in this new relationship.

Congregation: We acknowledge that God has led us to Gordon West to serve as our missionary in the Sandy Creek Association.

Jim Lambert: Inasmuch as Gordon West has for a long time felt God's leadership in the direction of associational missions, and recently has felt God's call to serve as our Director of Missions, we come tonight to install him and covenant before God to serve Him faithfully together in this new relationship.

Gordon West: I do feel so led. Believing with all my heart that Jesus is the Christ, the Son of the living God, and accepting the Scriptures as inspired of God through the Holy Spirit, it is my desire to devote my life to the ministry of Jesus Christ and I will diligently and faithfully perform all the duties on behalf of this association of congregations with the constant goal of doing God's will.

Jim Lambert: Believing, therefore, that God has brought us together for this ministry and mission in His name, I come to install you, Gordon West, as the Director of Missions for the Sandy Creek Baptist Association. May God bless and keep you as a good minister of the Lord Jesus. May God keep us as your fellow servants and faithful followers of the Lord Jesus.

All: So, now we do covenant together to seek first the Kingdom of God and His righteousness. Remembering that of all the gifts, the greatest is love, we will seek to grow up into the One, even Jesus the Christ, until He shall make us whole, bringing us into the full measure of God's will for our lives together.

Discipleship

"They all spoke the word of God with boldness" (Acts 4:33). "And with great power the apostles were giving witness to the resurrection of the Lord Jesus" (Acts 4:33).

The apostles had prayed for boldness to proclaim the Word of God. The Holy Spirit filled them and they all proclaimed the good news of Jesus Christ with boldness. They did what they had prayed that God would enable them to do setting a good example for us.

I think of these verses and their meaning often as I witness the lives of the **Bible Drill Participants**, their dedicated work in learning God's Word; and, yes, their **boldness**.

A full report of participants and their fine accomplishments will be given later. The state youth drill was Friday Evening; however, the children will be drilling through next Saturday.

The Youth did well. There were four Six Year Youth Winners (from Jonesboro).

First Baptist Church of Sanford was the site of the Sandy Creek Baptist Association R.A. Racer Derby on Saturday, March 3. Bill Bridges, a member of First Baptist Church organized and supervised the event. There were two categories of competition, the fastest car and the most unusual car.

In the LADS fastest car competition, Jonathan Lloyd, Cool Springs placed first; Scottie Swindell, Sanford First, placed second; and Leland Cheek, Sandy Branch, placed third. In the LADS most unusual car competition, Lucas Palmer, Sandy Branch, placed first; and Zackary Lilly, Sanford First, placed second.

In the Crusader fastest car competition, David Johnson, Cool Springs, placed first; Wesley Jones, Sandy Branch, placed second; and Will Bridges, Sanford First, placed third. In the Crusader Most Unusual car category, Christopher Warriax, Sanford First, placed first, and Daniel McDuffie, Sandy Branch, placed second.

Assisting Bill Bridges in various activities of the race were Jack and Patrick Bryan from Flat Springs; Bill Holt, John Rice, Walter Thomas, Avron Upchurch, Doug Wilson, and Sam Wornom from Jonesboro Heights. Messrs. Chuck Mann, Automotive Department Chairperson at Central Carolina Community College, and Jerry Sovereign and Larry Wright, members of the San-Lee Chapter Antique Auto Club of America, served as judges for the most unusual car design.

First and second place LAD and Crusader Associational fastest car winners and alternates will compete in the state level competition on March 31 at Mills Children's Home in Thomasville. Associational first place winner for the most unusual car in LADS and Crusaders may enter state competition at the same time and place.

In 2002, we want at least ten churches participating at the Associational level. The SCBA office will have a supply of Racer Kits available, at cost, by November 1, 2001. It is a wonderful and exciting R.A. project.

Shubal Stearns

Each year we remind ourselves of the contributions to our Association made by Shubal Stearns. He was born to Shubal Stearns, Sr. and Rebecca Stearns in Boston on January 28, 1706. He married Sarah Johnstone but had no children. As a young man living in New England, he became interested in a group called the New-Light Separates because they wished to be separated from the established church of New England, the congregational church. IN 1750, he became a Baptist and in his preaching he emphasized the doctrine of new birth, believers baptism, justification, and the autonomy of the local church.

He learned that Piedmont, North Carolina desired someone to come and bring the gospel to them. So on November 4, 1755, he arrived at Sandy Creek. A small meetinghouse was soon erected as Sandy Creek Baptist Church. Within 17 years 42 churches had started under his leadership. This was the beginning of the Sandy Creek Association in 1758.

Stearns died in 1771 and was buried in the cemetery of the mother church in what is now Randolph County. When the association met on the 100th anniversary in 1858, the churches were requested to send-up funds to erect a suitable monument in memory of Shubal Stearns. In 1958, another stone was placed at his grave. Now each year our association sends \$150 to help with the upkeep of the grave. Many people visit this historic site every year.

History of Hickory Grove Baptist Church

Hickory Grove has its beginning December 16, 1911 in the area in which it is now located. A small group of people met where Archie Hilliard's shed now stands, which at that time, was across from the Hickory Grove School. This group of people met to organize the Hickory Grove Baptist Church. The following were elected: church clerk, Franklin Phillips; treasurer, G.H. Hancock; deacons, B.A. Brewer, G.H. Hancock, Jessie Phillips, Barry Tally; Building Committee, Jessie Brewer.

Members of the church cut and sawed timber bought from Mrs. Paralee Hancock to build the church. Work was started on the church building in January 1912. Work could not start immediately because of snow on the ground. Finished lumber for the inside work was hauled on wagons from South Carolina and donated by John Dunlap. The church was debt free in the summer of 1912. They were having Sunday School in the building with a membership of 54 people. Three people were baptized that year. Rev. L.P. Soots was the first pastor. He helped organize the church and his salary was \$75.00 a year. Value of the church property was \$520.00; Sunday School expense was \$4.50. The church supported home and foreign missions.

In 1912 the newly organized church applied for membership in the Sandy Creek Association.
In 1915 the church received benches from Bonlee Baptist Church.
In 1922 the church got a bell from Pleasant Hill Christian Church.
In 1927 Mr. Willie Hancock was licensed to preach.

In 1935 Rev. Herman Caviness preached revival services that were planned for one week, but lasted six weeks. As a result of this revival with large crowds each night, it was decided that more room was needed for the sanctuary; so two wings were added to the original building.

The first Vacation Bible School was held in 1956.

In 1956, the members started using the new Sunday School rooms behind the sanctuary. Sheetrock and ceilotex was put in the church in April 1958. In 1962, some of the church was carpeted. The first parsonage was purchased from the Berry Tally family and used until 1983.

In 1977 a tape ministry was started with five tapes. In 1980, vinyl siding, stained glass windows, storm windows, and a new steeple were added to the sanctuary. In 1993, a sound system was added and in 1995, the church found it necessary to start locking the door to the sanctuary.

On April 28, 1998 men started preparing the site for a new sanctuary. The first Sunday in the new church was January 3, 1999. M & R Associates constructed the new church. Ray Rhodes, general contractor, was from Sanford, NC. The original cost was \$292,500.

Rev. Darrell Garner has been the pastor since May 4, 1986.

History of East Sanford Baptist Church

East Sanford Baptist Church began in 1913 as a Sunday School, meeting in a dwelling house and was known as "Happy Hollow Sunday School." Growth increased and six years later the church was organized on September 7, 1919. It was given the name of East Sanford Baptist Church. There were six charter members: J.L. McDonald, Misses Mattie and Maggie McDonald, T.B. Haithcox, and Rev and Mrs. L.C. Lee.

The organizing presbytery was composed of Rev. Walter N. Gilmore, pastor of the First Baptist Church, Sanford; Rev. L.C. Lee, who was called as the first pastor; and Rev. W.C. Baxley, pastor of Juniper Springs Baptist Church, Broadway. T.V. Haithcox was the first Treasurer. The first Deacons were J.L. McDonald, W.S. Stewart, and T.V. Haithcox. J.L. McDonald became the first Sunday School Superintendent.

Minutes of the Sandy Creek Baptist Association show that 1920 was the first year the church was included in the Association, showing 23 members on roll at that time.

On April 4, 1921, a lot, 100 x 150 feet, at the corner of North Avenue and Third Street, was purchased from W.H. and Daisy Doar of Summerville, South Carolina. The purchase price was \$325. The church building was constructed in 1922 on this lot. By July 1923, the membership had grown to 133.

An excerpt from the history of the Lemon Springs Baptist Church, Lemon Springs, North Carolina, states "Through the leadership of the Holy Spirit in the hearts of several members of the East Sanford Baptist Church, the organization of the Lemon Springs Baptist Church was effected May 4, 1924, with ten persons present. Rev. L.C. Lee, with the assistance of Rev. R.H. Hening and Freddie Womack and the following deacons from the East Sanford Baptist Church effected the organization: T.V. Haithcox, D.E. Matthews, J.L. In 1945, the pastor's home was completed on property adjoining the church, the land being donated by Mr. and Mrs. D.E. Matthews. An additional lot was purchased for an educational building, hoped for later. At intervals, the church building was remodeled and improved. In 1956, the Sunday School was completely departmentalized. The sanctuary was remodeled including a new baptistery. The educational building was completed in the Fall of 1969 and the dedication and the 50th Anniversary of the church's founding was celebrated on Sunday, December 14, 1969. Four additional lots have been purchased across the street from the church, partially used for parking and recreation. The 2001 budget totals \$258,000.

October REPORTS

Charter and By-laws Committee Report

On July 16, 2001, the Charter and By-laws committee presented the revised by-laws and policies and procedures manual to the Executive Council for their approval. There was not a quorum at that time. At the next meeting of the Executive Council on September 17, 2001, these documents were again presented. The Executive Council approved the by-laws and policies and procedures manual by majority vote and voted that these be presented at the next semi-annual meeting. The revised by-laws and policies and procedures manuals were mailed to the pastors of all member churches on September 26, 2001. The packet also included an outline of major changes, a request to distribute copies to all church messengers and an invitation to an information and question session. Members of the Executive Council were notified of the information session by mail. On October 11, 2001, an information and question session was held at the Sandy Creek Association Office. No objection or questions were presented at that time. The Charter and By-laws committee recommends that the Association in session adopt the revised by-laws and policies and procedures manual as presented.

Director Of Missions Report

It has been a joy to be able to visit in the churches and to get to know the people of our association. So far I have been in 27 of our churches, and have visited with 37 of our pastors. If I haven't been in your church yet, I am coming. Please be patient with me. There are many more of you than there are of me.

Where are we as an association headed as we go into 2002? Only God knows for sure, but allow me a moment to share with you some of my dreams and goals for the upcoming year.

1. To expand and strengthen the youth ministry of our association. Some churches have expressed a desire for their young people to have more opportunities to be involved with other Christian young people in Christian activities. Youth ministers from several of our churches are beginning to meet together to discuss ways we can provide meaningful experiences for growth, fun, evangelism, and worship for our young people. Look for information concerning this in the near future.
2. To move forward with the Disaster Relief Ministry. Our goal is to secure and provide a trailer, tools, equipment, and training necessary to begin this important ministry. This ministry can reach out in both times of disaster and in meeting the needs that already exist within our association's borders.
3. To coordinate three mission trips during the coming year in which the people of our churches can participate. We hope that these trips will include evangelism and discipleship as well as construction. We will work with our State Convention in planning these trips, as well as being open to opportunities that God may bring our way.
4. To secure a Hispanic summer missionary for 10 weeks during the summer. The request for a Cooperative Agreement has been sent to the State Convention. You can also see this listed in the proposed budget. Once it has been approved by all involved, a team will be put together to plan, schedule, and lead in this ministry.
5. To provide a setting for our pastors that would benefit them through training, support, and fellowship. David Moore from the State Convention will be meeting with our pastors early in the year to hear their needs and wishes. Working together, a plan of action will be agreed upon and put into motion. Our pastors give so much of themselves in serving the Lord in our churches. We hope to give something back to them in return.

6. To work toward offering a ministry to our churches that would provide resources to support, strengthen, and challenge existing ministries. I hope to work with churches individually in discovering ways that they can enhance outreach, growth, discipleship, deacon ministry, and much more. We also could work toward churches partnering together to address specific needs in each congregation.
7. To revive a Seminary Extension Program that would benefit both lay people and clergy alike. Look for listings of classes soon.

Within the next few months, I plan to get together with pastors in each of our geographical areas to look at the challenges they face daily, to look at the future of our communities, and to see how the association can help with these particular needs. I hope that these meetings will provide direction for our association as we look toward future ministries.

Thank you for all you do in our association. May God bless our efforts as we work together for Him.

Missions Development Council Report

The Missions Development Council has been working hard this past year. This report will hopefully share some of what we have been doing and some of what we hope to do.

Thank you to all who helped with the Lee County Fair Ministry this year. A total of 28 of our churches participated by either giving funds to help purchase the JESUS videos, making the Smiley Faces, volunteering to help at the booth, providing bottles of (Living) water, or by ministering to the fair workers during a lunch. Because of your help, we were able to give away a total of 668 JESUS videos (511 in English and 157 in Spanish), approximately 1,000 Smiley Faces, and between 360 – 400 bottles of water. On Thursday of fair week, we fed lunch to 35 – 40 of the fair workers. As they ate, they enjoyed music provided by Robert Capps and Niles Compton, and heard an evangelistic gospel message by Scott Wilson. God asks us to be faithful in getting the message of Jesus out to the people. We now leave the results up to Him. May His Holy Spirit touch and change the lives of many through this ministry.

A meeting was held on September 23, at Sandy Branch Baptist Church to measure the interest in our association of starting a Disaster Relief Ministry. Twenty-seven people from 19 of our churches were present. It was the hope of this group that our association will pursue this ministry further. Volunteer Enlistment Forms were handed out and some have already been returned. Another meeting will be held soon to begin forming the organization necessary to carry out this ministry. A report will be made to the Executive Committee in January (if the proposed changes to the Charter and By Laws are passed, it will also be made to the General Board), and will be brought to April's Semi-annual meeting for associational approval. If you are interested in being a part of this type of ministry, please contact the associational office or speak to one of the Disaster Relief committee members. The members are as follows: Lee Phillips (chair), Ron Chaney, Virginia Vick, and Terry Thompson.

The North Carolina / South Africa Partnership ends this month. It has been a great experience in which many of our churches have participated. The Alaska partnership is still underway, and you will be receiving information about a couple of trips we hope to plan for next year. Also, North Carolina Baptists are looking into a Partnership with Indonesia. We hope to share more information concerning the upcoming dates and opportunities with you soon.

If the proposed budget is approved, we hope to have a Hispanic summer missionary for ten weeks next summer. This person will work with our Hispanic missions in reaching out to the

growing Hispanic population in Chatham and Lee counties through backyard Bible clubs, survey work, seeking to begin Bible studies in homes, helping with youth activities, and more.

We have also talked about other opportunities here in our association, such as reaching out to the visiting international teachers in our schools, targeting a possible new church start in the West Lee area, and plans for expansion at the Reach Out Crisis Pregnancy Center. An update concerning the counseling ministry is included in this book of reports.

The Missions Development Council is always open to your ideas and input. Feel free to contact anyone on the committee as you have ideas you would like to share. Thank you for your prayers and interest.

Respectfully submitted this 16th day of October 2001.

Council Members: Ron Chaney, Craig Dodson, Susan Ferguson, Hugo Gallegos, Bev Gautier, Diane Smith, Ira Sutton, and Virginia Vick.

Crisis Pregnancy Ministry

Many exciting changes have occurred this year. In June we hired a Client Services Coordinator after a long, prayerful search. September 8, marked the fifth anniversary of REACH OUT Crisis Pregnancy Center and before year's end we expect our 54th baby to be born. One volunteer left to start a center in Harnett County; another followed her husband to Fruitland where he is preparing for the ministry. In September, two volunteer counselors completed training.

The Sandy Creek Association, fifteen churches, 26 individuals and/or groups, two businesses, and three Sunday School classes have given \$18,290.04 (as of 9/30/01) this year. Project "Blessings in a Bottle" added \$15,321.27 to their financial support, nearly five times that of any previous project!

The Executive Director is available to speak to churches, youth groups, mission groups, and civic organizations. Information on pregnancy and fetal development, truth about abortion, and referrals for adoption are available at ROCPC. Biblically based training is provided for those who wish to serve in any volunteer position. Training consists of 22 hours in the classroom and the supervised completion of a series of requirements outside the classroom.

Sandy Creek and "Grace Works" Sharing a Counseling Ministry

As a member of the Missions Development Committee, I have been asked to work on putting together resources in the area of counseling that our pastors may have access to as they encounter the various needs with-in their church and community. Let me take a moment to share how this is being done.

Goal: I have a two-fold goal in mind

1. To have direct access to someone who is trained in counseling and is equally able in incorporating Biblical principles as effective tools in therapy.

2. To have access to other professionally trained individuals and systems that offer a full range of mental health services including psychiatric/medical, childhood, youth, individual, marital and family therapy.

I believe that both of these goals can be met in a "shared ministry" agreement with those who are already involved professionally in the ministry of integrating Biblical truth and sound psychological treatment strategies.

Purpose: The purpose of this shared ministry approach is that our people and community may have access to Christian counseling. The Christian counselor combines the wisdom of spiritual principles, the insight and compassion of the Holy Spirit and the practical observations of psychology to promote healing and personal growth in the body, soul and spirit. Christian counselors apply their skills from a Biblical world-view and value system through the Judeo-Christian tradition. This agreement is to be a helpmate to the local church and an extension of its ministry of evangelism and discipleship. The out reach of this ministry is to provide a witness for Christ to our community through a commitment to excellence of services and to the Lordship of Jesus Christ.

Where Are We Now?

Our Lord is working in and through the counseling ministry of Rev. Tony & Kim Capehart called "Grace Works". We have been blessed for the past several months as the Capeharts have been ministering to individuals at the Sandy Creek Association. They have been using the same offices that the Crisis Pregnancy Center was using. They are following the Sandy Creek Association's "Use of Building Guidelines" just as the "Crisis Pregnancy Center" did as God birthed that ministry. They are using the facilities on an "as needed" basis at the present time. Their presence in the counseling offices at the Sandy Creek Association does not hinder any activity going on in the rest of the associational building.

Where Are We Going?

As our Lord continues to bless and use Grace Works in His healing work, it is not hard to vision a counseling center in full operation through the Sandy Creek Association. The Missions Developing Council will be working with the Capeharts in the next few months to put together an outline to allow those seeking help that cannot afford the out-of-pocket expense, to apply for some help through the Missions Development Council and the Counseling Ministry Budget that has been approved by the Association. **Any agreement that is developed will be presented to the Association for approval at the next Semi-Annual meeting.**

Moderator Report

Two years ago I assumed the position as moderator of this historical association. It has been a busy and productive two years. During these two years I have grown spiritually and professionally through the experiences that have occurred.

The association has called a Director of Mission; continued its work with the Snow Camp Mission; entered into the beginning stages of a Filipino Mission; started the process of acquiring a disaster relief trailer; revised, for the messengers consideration, the constitution and by-laws; and for two years has constructed and manned a booth at the Lee County Agricultural Fair, depicting the Sandy Creek Baptist Association.

As God leads, let us go forth united in one spirit. Thank you for allowing me to serve.

Woman's Missionary Union

On June 2, an Associational GA event was held at Brush Creek. They had an "Alaskan Potlatch" and also collected used eyeglasses to be sent to Honduras. On June 9 an Associational Mission Friends event was held at Sandy Branch. Mission Friends learned about our association's mission activities in Alaska, South Africa and Wales.

Members of the WMU Leadership Team were able to attend the State Training Sessions held June 23 at Caraway Conference Center, so we were prepared and anxious to train church WMU leaders on August 13 at Jonesboro Heights Baptist Church. About 70 leaders from 14 of our churches participated in this important training.

On September 14-15, 2001, over 75 women from our Association attended the Annual Women on Mission Prayer Retreat at Fort Caswell and were inspired by Jan Lowe of Moons Chapel who led the sessions. Thirteen churches were represented, and a \$650 love offering was taken and sent to support the Baptist State Convention food wagon and shower trailer that were sent to the New York Trade Towers area on September 12.

The Women on Mission Prayer Retreat will be at Fort Caswell on September 13-14, 2002.

World Hunger Day was observed October 14 by churches collecting canned foods.

The Associational WMU Leadership Team encouraged many missions opportunities during the last six months, of which many of our churches participated. Some of them are as follows:

- +Donated \$203 towards helping start the new Filipino ministry at New Life Praise Church.
- +Prayer Bears made for law enforcement agencies to distribute to children in times of crises.
- +Donating money for "Jesus" videos to be distributed at the Lee County Fair, and making 7" stuffed smiley faces to give to the children at the fair.
- +Made children's blankets to be donated to the Project Linus program to be given to hospitalized children at Baptist Hospital
- +Donations to Ronald McDonald House
- +Churches made bandages and collected unused offering envelopes to be sent to the Baptist Medical Centre in Ghana, West Africa where they use the envelopes for dispensing medication.

The churches in our association will observe the November 5 Baptist Women's Day of Prayer on Sunday, November 4, 2001 at 3:00 pm at Pittsboro Baptist Church. Ira Sutton, Pastor of Cool Springs will lead us as we pray for missionaries, our nation, and the world.

It has been an exciting six months this summer for WMU groups and our churches have been very active. Let's continue to encourage and support each other through prayers, cards and calls. It means so much to know others are praying for you, and we must always ask God to direct our efforts and help us plant the seeds, so He can bring many people to Christ.

HISTORY OF MOUNT OLIVE BAPTIST CHURCH

Mount olive Baptist church was first organized on August 2, 1834. the church was first known as LICK CREEK BAPTIST CHURCH and was located in Alamance County. There were thirty-seven members. Levi Andrews served as the first pastor.

In 1862, Levi Andrews resigned as pastor at which time the church talked of disbanding. Instead, under the pastorate of Samuel Baldwin, the church began growing. In 1883, the membership was over 100, by 1918 the membership has grown to 200 and in 1938 there were 300 members. By 1987, the membership was 363.

In 1953 the church went to full-time. A pastorium and fellowship building were erected in memory of Morris Jones, who had lost his life in service during WWII.

In 1958 a new brick educational building and sanctuary were started. They were completed in 1960 and debt free in 1967. In 1984, both the educational building and sanctuary were renovated. At this time, Mt. Olive observed their 150th anniversary with a year-long celebration. The first Sunday of every month, a former pastor or interim pastor was the guest speaker, followed by a fellowship meal in the Memorial Building. Historical displays were featured each month.

The Sandy Creek Baptist Association met for the ninth time in 1987 at Mt. Olive Baptist Church. At that time, eight pastors from Mt. Olive had served as moderator of the Association.

HISTORY OF FALL CREEK BAPTIST CHURCH

In 1798 Eli McManus donated an acre of land for the purpose of building a house for church service meetings. Fall Creek was constituted and became a part of the Sandy Creek Baptist Association in 1799. It is the third oldest Baptist church in Chatham County.

The first church was constructed of logs. A new church was needed in 1859 so a frame building was erected. In 1917 a new frame building was constructed at the present site and in 1970, a new brick building was constructed thus giving Fall Creek four church building. The current building was refurbished in 1998 in preparation for the 1999 200th Birthday Celebration.

Fall Creek has hosted the Sandy Creek Association meetings twelve times.

The first pastor of Fall Creek Baptist Church was Isaac Teague, who faithfully served 25 years. During the Bicentennial Celebration in 1999 a plaque was donated to the church listing all the church pastors and their time here since 1799.

Fall Creek is the mother church of five churches. Those being now Acorn Ridge Baptist-1800's, Tyson's Creek Baptist-1881, Beulah Baptist-1902, Riverside Baptist-1910 and Bennett Baptist-1911.

Fall Creek has been blessed for the past 200 years as was presented thru their theme "AMAZING GRACE" during their yearlong becentennial celebration in 1999. Associational Missionary Report

This month, I begin my second year with you as your associational missionary. "Shifting gears" in ministry is never easy, but you have been patient and gracious and I am very grateful. I have enjoyed getting to know many of you and work with you through various ministries and events. I have enjoyed worshipping with you, and/or having the chance to preach/teach/speak in your church. Over the year I have reached this conclusion; we have some mighty good churches, pastors, staff, and people in our association. Thank you for all you do to help our churches and missions as we seek to work together for Jesus.

In October of last year, I shared with you some of my dreams and goals for 2002. I thought I'd share with you how we are doing in the pursuit of those goals.

1. The committee of youth ministers is still meeting and trying to coordinate some events for our youth for the near future. They have planned a Back-to-School gathering for Thursday night, August 1. They will be going to "The Lighthouse" in Apex. (Details will be forth coming.) They are also looking at coordinating an association-wide True Love Waits Campaign later this year or first of next year. Please keep them in your prayers. Committee members are Tripp Harmon (Pittsboro – our associational youth director), Brad Wing (Hunt Springs), and Don Higgins (Joy). They would welcome any ideas and suggestions.
2. The Disaster Recovery Steering Committee is making their recommendation tonight concerning a Disaster Recovery Ministry. Twenty-two of our churches have sent representatives to the meetings and we have already received 36 volunteer forms. With the interest that has been expressed, it is exciting to think about the possibilities and opportunities that lie before us.
3. We are planning a mission trip to the Glacier Bay Baptist Church in Juneau, Alaska. The dates are June 29 – July 6. We will be painting the church, working on the playground, participating in their worship services, and sharing our faith in every opportunity. Another team from the Pittsboro Baptist Church will be going to Anchorage, Alaska, later in July. Please pray for both of the teams, that God will use each one in a mighty way to share Christ's love.
4. We are still waiting for the assignment of a summer missionary to work with us in reaching the growing Hispanic population in our association. This person will be surveying areas of our association with heavy Hispanic concentration, helping us to discover needs and to develop new outreach ministries to help meet those needs. He will also be available to work with our existing missions and language works to assist them with their ministries.
5. David Moore from the NCBSC met with our pastors' conference in February. The pastors shared needs, both personally and professionally. We then prioritized the needs listing the areas in which we wished to work first. David Moore, along with members of the Leadership Development Team of our state convention are presently working with our list, seeking ways to address those needs. They will meet with our pastors periodically throughout this year and the coming year to provide training, support, fellowship, and opportunities to grow both as ministers and as people. I look forward to the benefits we will reap from this involvement.
6. I have attended some workshops seeking to learn and gain more ideas about how I can be a better resource for our churches. I am also in the process of building relationships with our churches and pastors. Please feel free to call on me when you have questions I may be able to answer, or if there is some way I can be of help to your church family.

7. We just completed our Seminary Extension course entitled "The Life of Christ." Wayne Rigney (pastor at Bethany & our Seminary Extension director) taught the course. Those who attended have talked about how much they enjoyed it and have expressed much appreciation for our having it. In the fall, we plan to teach either "How to Understand the Bible" or "The Book of Hebrews." Look for the details in upcoming newsletters and announcements. If you think you may be interested in teaching in our program, please contact the associational office for more details.

In addition to these items listed above, in February we had a recognition dinner to reach out to the Visiting International Faculty of our area. These are people from a foreign country who come to America and sign a three-year contract to teach in our local public schools. What an opportunity to do foreign missions right here at home! Jesus videos, New Testaments, gifts and more were handed out. A meal was enjoyed and the gospel was presented through both testimony and song.

We are also in the process of planning a basketball clinic for this June. Our goal is to be able to share Jesus with young people who don't normally go to church. We are meeting with Thadd McEldreath (head basketball coach at C.C.C.C. and son of former DOM, Larry McEldreath) to glean advice and assistance.

Jesus said, "For the Son of Man came to seek and to save what was lost." (Luke 19:10) Please keep our association lifted up in your prayers as we seek ways to come together and, hand-in-hand, share Jesus Christ with a lost world.

Disaster Recovery Steering Committee

Our committee was formed after the initial study committee approved the need for a Disaster Recovery and Handyman Ministry.

Our members are: Roger Vance, Terry Thompson, Jack Bryan, Jr., Avron Upchurch, Robert Clark, and Bill Bingham.

Many thanks to these individuals and their timeless hard work on this God-driven project.

We've met three times to discuss several topics. Some of which overlapped the first study committee's work and many thanks to that committee led by Lee Phillips.

Topics include:

1. Mission statement
2. Trailer size and options
3. Toll needs
4. Cost
5. Job descriptions
6. Policies and procedures for the use of the trailer
7. Legalities

We're prepared to make two recommendations to the association at this time.

Roger Vance, Chairman

Recommendation from the Disaster Recovery Steering Committee

The Disaster Recovery Steering Committee recommends that the association approve an associational disaster recovery and handyman ministry. The committee also recommends that the association purchase the recovery vehicle and necessary equipment as recommended by the steering committee.

Proposed Mission Statement

To serve the spiritual and physical needs of hurting people and bring praise and glory to our Lord and Savior, Jesus Christ.

Recommended Details of Trailer/Equipment

Both the steering committee and the study committee have found that the recommended trailer size is 8' x 16'. Options included on the trailer should be as follows: heavy-duty ramp door in rear (spring assisted), side door, vent, interior lights, gravel guard, torsion axles (with electric brakes on both axles), and spare tire. Approximate cost is \$4,000.00 - \$4,500.00.

A list of suggested tools is available upon request. Approximate cost is \$11,000.00.

Total approximate cost is \$15,000.00. Any donations from churches, local businesses, and/or individuals will reduce said cost.

Purpose/Use

Primary use of trailer would be to answer disaster recovery requests by both state and association coordinators. Said trailer would also be available to carry out local handyman ministries.

Policies and procedures, use guidelines, and organizational structure are presently being completed by the steering committee.

(Steering Committee Members: Roger Vance (chair), Bill Bingham, Jack Bryan, Robert Clark, and Avron Upchurch.)

Update on the Primera Iglesia Bautista

The Primeria Iglesia Bautista (the Hispanic mission of Sanford First) is in the process of making the final preparations to become a fully constituted church. Rev. Hugo Gallegos, the missions committee of First Baptist, our credentials committee, the language division of the NCBSC, and our associational missionary, have put together the following schedule of events:

During the month of **July**, PIB will deliver the appropriate materials to the credentials committee of the SCBA.

September 8 has been set as Constitution Day. A special 3:00 PM service is being planned to recognize and celebrate the mission becoming a church.

On **October 28**, PIB will make the official application to the SCBA for membership. If the association approves their application, PIB will come under the watch-care of the association for one year. Then in October 2003, the association would entertain the recommendation of their becoming a full-fledged member of the SCBA.

PIB will be the first of our missions to constitute as a church. Please keep them and all of our missions and language works in your prayers.

Mission Highlights from Snow Camp Mission

Snow Camp Baptist Mission was organized in 1997. A small group of people first met in the home of Dale and Faye Osborne with Rev. Vernon Lewis as Church Planter.

This year the mission through the help of our sister churches paid off the indebtedness on the land and is working towards their first building program.

We are presently averaging 55-59 in worship and 45 in Sunday School.

Continue to pray for your mission at Snow Camp.

Discipleship

In the Great Commission, Jesus tells us to "go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you." As the new Discipleship Training Supporter for the Association, my sincere desire is to help our churches accomplish the goal of equipping and empowering their members to spiritual maturity and into Christian ministry.

The first project I have undertaken is to help churches ask the hard questions about the way they are doing things. In a study entitled "Rethinking the Church" based on the book by Rev. James White, I will be challenging pastors, church leaders, and all others who attend to look with a new perspective on the assumptions we hold about church. Is there a better way to reach the lost and help Christians to grow in their faith? Come to a session and find out for yourselves. To make attendance more convenient, the study will be held at three locations:

May 14, 6:30-8:30pm	Associational Office, Sanford
May 16, 6:30-8:30pm	Mt. Olive, Pittsboro
May 21, 6:30-8:30pm	Loves Creek, Siler City

At the annual Training Extravaganza on September 9, I plan to focus on the basic tools with which we need to equip all of our members. I will be teaching two different classes, one on how to educate Christians to have solid prayer habits, and another concerning the development of strong Bible study techniques.

Later in the fall, I also plan to get back into a few different churches to help lead a study on developing Christian ministry in members. It looks at finding your spiritual gifts, taking into account your experience, abilities, temperament, and passion, and ultimately seeking God's will for your personal ministry.

While I am concerned with assisting our adults to mature as Christians, Tommie Angel at Jonesboro Heights is busy about the work of developing the next generation through the Bible Drill program. On April 9, the Associational Bible Drill was held. I was more than impressed with the hard work and dedication of the children and youth involved, and I am overjoyed to be able to say that every single participant qualified for the State Bible Drill held on April 26 and 27.

I'm just trying to get my feet wet in this new role, so please help me to get a better idea of what the needs for Discipleship are in the Association. Do not hesitate to let Gordon or myself know of any resources you need, or classes or ministries which would be helpful. We will do what we can to help our membership grow and mature in Christ.

Chris Norwood, Director

Music Report

The winter months have allowed time for much prayer and planning, resulting in new opportunities for the Music Ministry of the Sandy Creek Association. It is my desire that we share our strengths to strengthen each other as we serve the Lord in our congregations. It is a pleasure to serve as your Associational Music Director this year.

At our Fall Training Extravaganza on Monday, September 9 at Siler City First, there will be two music and worship tracts offered. The first is designed for pastors and music directors, and will focus on ways to plan effectively as a worship team. Brain Lee and Brian Hurry, Pastor and Minister of Music at Lafayette Baptist Church in Fayetteville will lead this tract. This worship team came highly recommended by Neal Eller at our state convention.

Our second tract is for Children's Choir leaders, and will be led by myself, Leslie Hanna, Minister of Music at East Sanford Baptist Church. I have worked and worshipped with children through music for over 10 years. I have taught elementary music for Lee County Schools, and have my Master's level Orff-Schulwerk certificate. This tract, for volunteer choir leaders and helpers, will focus on great ways to involve the total child in the choir experience, and will include movement, instruments, and game ideas.

In addition to the Training Extravaganza, there are plans being made for an adult choir workshop that will focus on basic choral reading and musicianship skills. Our target date for this event is September/October 2002. The association would like to offer a music camp for children, grades 1-6 in the summer of 2003. Please prayerfully consider how you might take part in this camp. We will need help in many areas, including choir leaders, helpers, snack coordinators and devotion leaders. We hope that this will truly be an associational effort to reach the children of our area.

Leslie Hanna, Music Director

Evangelism Committee

The Evangelism Committee is working toward establishing outreach ministries in our associational area. Plans are being made to have evangelistic sports clinics for the youth of our area next year. The goal of the clinics is to reach the youth of our area with the gospel. Long range planning for these events is necessary but we trust the effort involved will see many come to trust Jesus Christ in the days ahead. Other long-range plans are being made for outreach.

It is also the desire of the Evangelism Committee to be involved in more outreach opportunities through the various functions of our association. We stand ready to work with those involved with the Sunday School program, Youth Ministry, Family Ministries, and any other groups who would desire a more visible outreach ministry.

Witness training is also available for those churches who desire a one-day or more training emphasis. Just contact the Evangelism Director for details.

We want to see more and more people in our area trust Jesus Christ as Savior.

Woman's Missionary Union

How wonderful it is to see our young people active in mission study and mission action! November 3, 2001, 52 GA's and 16 GA leaders participated in an international mission study at Sanford First Baptist. Associational GA Consultant Carol Fesmire led the study of the "Maasai" people of East Africa. Then, on April 13 GA's from our association met at Oakley Baptist Recreation Park in Siler City for M&M Day (Missions and Ministries). They learned about the Mississippi River Ministry and collected toiletries to be sent to a part of that low-income region in Memphis, Tennessee. (See last page for details on a Mississippi River Ministry project.)

About 30 Acteens met November 10 at Flat Springs to learn what it means to have "Beauty Inside and Out". Getting make-overs, tips on hair care, and manicures was fun, and then the Jonesboro Heights Acteens Activators shared what it was like to help others in Alaska when they went on a mission trip there.

The Women on Mission in our association observed the November 5 Baptist Women's Day of Prayer on Sunday, November 4, 2001 at 3:00 pm at Pittsboro Baptist Church. Ira Sutton, Pastor of Cool Springs led us as we prayed for missionaries, our nation, and the world.

The Season of Prayer for International Missions was observed December 2-9 with many of our churches listening to full-time missionaries and short-term missionaries tell about their experiences in foreign countries. Then, March 3-10, we were fortunate to hear about many wonderful and inspirational experiences from missionaries on the home-front as we observed the Season of Prayer for North American Missions.

The SCBA WMU collected over 2000 bars of soap to be included in the Christmas "Red Box" project for inmates of North Carolina Women's Prisons.

WMU Focus Week, February 11-17, was our time to share with non-WMU members exactly who we are and what we are about. This is always a great week of testimonies and celebration of what God is doing through Woman's Missionary Union.

On April 16, 2002, the Associational Annual WMU Meeting was held at Rives Chapel. For the first time in many years we changed the time to 5:30-9:30 pm with the hope that more young people could attend. The guest speaker was Jan High, NC WMU Missions Education Director. We received a love offering of \$301.20 to be divided between two nonprofit organizations: The Breadbasket in Lee County and the Family Violence and Rape Crisis Services in Chatham County.

If you are a female and you aren't a member of WMU, you are missing out on many blessings every day that passes. Join us as we praise, worship and serve Jesus Christ through mission study and mission activities.

Missions Development Council Report

On behalf of the members of the Missions Development Council it is my joy to share some God given results and some visions we have for the coming year.

Thanks to some very special volunteers and the work of God's Holy Spirit the October Fair Ministry was a huge success. Literally hundreds of Gospel Seeds were planted. Twenty-eight different churches participated by either donating money to purchase Jesus Videos, or making Smiley Faces with a Gospel message in English or Spanish for the children, or working in the ministry booth, or providing bottled water with the plan of Salvation printed on them, or helping to

feed and share the Gospel in Word and music with the Fair workers on Thursday at lunch. Because you the churches and Believer of the SCBA were faithful, 668 JESUS videos were passed out, 1000 Smiley Faces were made and passed out, approximately 400 bottles of Living Water were donated and passed out and 35 plus Fair workers were feed. What a great time of witnessing, fellowship and growing in the Lord. Thank you for making God's Word available to so many people.

The Council submitted to the January meeting of the SCBA Executive Board, \$21,000.00 worth of Cooperative Agreement request. These request were approved and forwarded to the North Carolina Baptist State Convention for consideration. We should hear if these request are approved within the next few months. A sampling of the requests are as follows: A Pastoral Leadership Project, A Deacon Training Event, Materials for the upgrading of our Media Center, several Association Evangelistic Events, funds to expand our Fair and Festivals Ministries, a Music Camp, Sports Clinics, funds to develop new mission starts, funds and material for the Jordan Lake Ministry, Senior Adult Ministries, funds for new and developing Hispanic Ministries and others. Please pray that these requests will be approved and budgeted by our State Convention.

The Visiting International Faculty Dinner was a huge success. Thanks to every church and every volunteer that participated. There were approximately 30 Internationals and 20 volunteers involved. The Gospel was presented in a Testimonies, songs, Jesus Videos given out and New Testaments presented. There was a time of prayer and gifts were donated by local businesses. This was a very special way to say thank you and welcome to of Visiting International Teachers.

We are so excited about a report that will be given tonight by Terry Thompson, our Associational Baptist Men's Director. Please pay close attention, because I know you will want to get involve in this new and very needed ministry.

Partnership Missions is always a dynamic way to live out the Gospel through witnessing, preaching, teaching, building and fellowship in places outside the boundaries of the SCBA. Many of our churches and individuals have been a part of so many different experiences it would be impossible to share without leaving some out. I would like to share two examples that will be representative of the several hundred volunteers that have been obedient. On June 29th, ten volunteers (see page 5) will leave for a seven-day mission trip to Juneau, Alaska. They will be partnering with Glacier Valley Baptist Church to share the Gospel in Juneau by Word and deed. This team will include our Associational Missionary, Gordon West, and our Associational Secretary, Dot Hart and eight other very special disciples. On July 13th, a group of volunteers will leave for a mission trip to the Anchorage, Alaska area. They will also share the Gospel in Word and deed. This team will be lead by Bill and Sims Poindexter. Please pray for these teams, they will be representing all of us in our efforts to share the Gospel in the uttermost part of the world.

It is truly an exciting time in the SCBA. Other ministries that are developing under the Council's leadership are, A Counseling Ministry, Sports Clinics and many other God Given works.

A special thank goes out to Gordon West our Associational Missionary and Dot Hart our Associational Secretary for assisting the Mission Council in so many projects.

Missions Development: Reach Out Crisis Pregnancy Center Report

Exciting events occurred in 2001: After a prayerful search, we hired a Client Services Coordinator in June. September 8 marked the 5th anniversary of the ROCPC and in December, we celebrated the birth of our 54th baby. A total of \$35,101.60 was donated to support the ministry. Fifteen churches, 26 individuals and/or groups, the SCBA, two businesses, and three Sunday School classes gave \$19,492.58 of that total. The remaining 44%, or \$15,509.02, came through Project "Blessings in a Bottle." Nearly five times as many previous project!

Of the 33 client contacts made, 12 returned more than twice, and three became regular clients. We celebrated the birth of three babies, logged approximately 500 volunteers hours, and two volunteers completed training.

Exciting events are underway in 2002: 15 client contacts have been made, four of who have returned more than twice, and we are awaiting the birth of 4 babies. Volunteers have logged 105

hours and three new volunteers are registered for training in May. Donations of \$9,704.80 have been received. A portion of these funds is restricted to meet the needs of an adopted client. Preparations are underway to begin project "Blessings in a Bottle" 2002.

Associational Missionary Report

This past year has been an exciting year in our association as we have seen many of our churches come together for various projects and events. Events like the dinner for the International Visiting Faculty, Basketball Clinics, Hispanic Youth Day, the Fair Ministry, and more, brought us together to reach out with the good news of the gospel. Events like the Senior Adult Rally and the Senior Adult Revival, RA Race Day, Bible Drills, WMU events for Mission Friends, GA's, Acteens, and Adults, and more, brought us together for growth and fellowship. Training Events like the Training Extravaganza, Small Sunday School Workshop, VBS Clinic, Finance Workshop, WMU Training Opportunities, and more, brought us together to learn and be better equipped. There is much to do in the communities all around us, and I think that we can see that we can do more together than we can alone.

In 19 months, I have now had the opportunity to visit in every church at least once, and I am $\frac{3}{4}$'s of the way around a second time. I've had the chance to speak in 34 of our churches in some service or for some group. I have enjoyed meeting you and getting to know you. Even though we are all different in some way, we all love Jesus and seek to serve Him with our lives. May God use us in mighty ways to reach His world with the gospel.

Sergio & Veronica Borrayo worked with us during the summer as student missionaries. They helped with the ministry in all three of our Hispanic missions. Veronica helped establish a children's church in the Pittsboro Mission and both helped with their Vacation Bible School. They also helped with Vacation Bible School for Primeria Iglesia Bautista. Sergio preached at the Love's Creek Mission several times and worked with them in visitation. They led in two Back Yard Bible Clubs: one in a Hispanic trailer park here in Lee County and another one in a Hispanic community in Pittsboro. They held Bible Studies in four different locations. One is ongoing in the Country Living trailer park in Siler City. They led in a Hispanic Youth Day with over 90 in attendance. They visited in over 300 Hispanic homes gathering information and inviting them to attend one of our missions. And PRAISE GOD, they witnessed 77 professions of faith in the Hispanic community. They were also there to minister to the Sanchez family in Silk Hope after the fire. We are very grateful for their ministry with us this past summer. They have helped us see a great need for more work in the Hispanic population in the future.

As we look to next year, we are already in the process of planning a couple of mission trips to Alaska and possibly New York. Both teams that went to Alaska this past year not only blessed the churches in which they worked, but were greatly blessed themselves. Our Disaster Relief Committee hopes to have everything in place soon to be able to reach out in Jesus' name when disaster strikes. More volunteers will be needed and the dates of future training events will be announced. The Evangelism Committee is exploring new opportunities for sharing Christ with the people of our counties. There are tens of thousands of people who don't know Jesus Christ as their Lord and Savior living right here all around us. The Missions Development Committee is continuing on with plans to begin a new work in the West Lee area, and much more. There will be a Deacon / Spouse, Pastor / Spouse Dinner in the spring of the year with Eddie Hammett coming to lead a time of training. AND next year, we will be 245 years old as an association. We are the oldest association in North Carolina, and the third oldest in the nation. What a great heritage we have to celebrate! God is good!

The future holds out many challenges for us. As the world changes all around us, what would God have us do to make sure we can and will continue to reach a changing world? Please be in prayer for the leadership of our association as we seek the Lord's direction and guidance. We want to make sure we are doing all that we can to help all of our churches fulfill God's Great Commission.

Thank you for your prayers and support.

Baptist Men

Baptist Men from several churches helped Pittsboro Baptist Church build a Habitat for Humanity home. The home is located on 284 Guthrie Road, Pittsboro.

A disaster recovery committee has been formed. A 7 x 14 foot trailer has been purchased for use as a disaster recovery unit. The trailer will be equipped with tools and power equipment for disaster recovery. Disaster relief training is now required for volunteers. Certification training will be held again in 2003. So far, only a few men have been certified. We will be promoting these training events.

Disaster Recovery Trailer

The Disaster Recovery Trailer is progressing well and this is an update to keep all of the association informed.

The trailer and tags have been purchased and it is sitting out in front for viewing. Some of the tools are being purchased and the committee is working very diligently on all the storage compartments to house these tools inside the trailer. We will continue to equip the trailer with tools inside the trailer. Any donations from anyone will be used wisely and the contributions are very much appreciated.

We have been working on the general procedures, tool identification and personnel training and scheduling.

The next Disaster Recovery Training Class will be held early next spring and the association will be circulating this information. These classes give an introduction to many areas of recovery, repair, and safety and also provide a database of the talents and availability of all volunteers that have been to the training.

Evangelism Report

This past year we conducted Basketball Clinics for the community with an attempt to reach boys and girls with the gospel. Attendance was good and we were able to hand out tracks and New Testaments to all who participated. During the coming year, it is our desire to conduct more outreach events in our associational counties. We also plan to work closely with the various committees in our association in making outreach a vital part of our endeavors as an association. Witness training is available also to individual churches desiring to conduct evening or Saturday workshops in witnessing. These training sessions can be scheduled through the Evangelism Committee.

Director of Evangelism

Family Ministries

This year in our Family Ministries of the association two new video studies were added to the media library of the association. Dr. Kevin Leman, noted Christian psychologist and author, conducts these studies, one is on "The Blended Family" and the other is "Making Children Mind Without Losing Yours." These two seminar studies contain one leader's guide, one member's study guide and six hours of a taped seminar with Dr. Leman. These studies can be developed into six to twelve week group studies. These are available to any of our churches for their use through the association media center. One restriction applies to the use of these studies, not to reproduce any of the material in the leader's or member's study books; churches are asked to order individual books for members participating and ordering information is included with the study.

On Tuesday, May 14, a Spring Senior Adult Rally was held at Sandy Branch Baptist Church. Participating in this rally was the Senior Adult Jubilee Choir; Rev. Gerald Bridges shared a moving testimony; Rev. J.R. Bouldin led the congregation in the pledge of allegiance to the American flag; and the special guest was Mrs. Renea Henderson of Seagrove, NC, who presented two of her many comical characters, Ima Clutz, and Claudine from Kentucky, who tickled our funny bone and touched our heart strings. Nearly two hundred of our senior folk were in attendance. The Hospitality Committee of Sandy Branch Baptist Church hosted a very nice lunch after the rally service.

A three-day Senior Adult Revival was held August 19-21 at 11:00 am at Loves Creek, Emmaus, and Jonesboro Heights Baptist Churches. Each service was well attended by our senior adults. Each church hosted a lunch after the service. Rev. Steve Moore, pastor of Emmaus Baptist Church was the preacher for each service and challenged us each morning with humor and the sacred truth of God's Word. Several of our pastors shared their testimonies and the Senior Adult Jubilee Choir gave the special music. Many of our folk commented very highly on these meetings and hopes the association will sponsor more of these revival services for the Senior Adults.

Missions Development

God has blessed us with many opportunities this year. By His power and the help of so many wonderful servants we offer this report.

On February 22nd our Associational Mission Council, under the direction of Diane Smith, hosted a visiting International Faculty Dinner at First Baptist Church of Sanford. There were 38 teachers present representing thirteen countries. Thanks to the gifts of our churches we gave each teacher a Jesus video, gifts and a New Testament. Following a meal there was special music, a personal testimony, and prayer time. Thank you, First Baptist and all the special help from so many great folks in our Association.

On June 26th ten servants representing 5 different churches journeyed to Juneau, Alaska for seven days of witnessing, painting, worship leading and other ministries. Everyone returned excited and exhausted. If your church would like to have an Alaskan Mission report contact the Association Office at 776-9423.

Summer was indeed a busy time. This year our association hosted Sergio and Veronica Borrayo as Hispanic Summer Missionaries. They led 2 weeks of Backyard Bible Club, helped with Vacation Bible School, visited 304 homes, started 4 new Bible studies, preached on 10 different occasions and saw 77 people make professions of faith.

Sergio and Veronica were a great help to us this past summer. They helped with the ministry in all three of our Hispanic missions. Veronica helped establish a children's church in the Pittsboro Mission and both helped with their Vacation Bible School. They also helped with Vacation School for Primeria Iglesia Bautista. Sergio preached in the Loves Creek Mission several times and encouraged the people of the mission to go visiting with him in the community. They led in two Back Yard Bible Clubs: one in a Hispanic trailer park here in Lee County and another one in a Hispanic community in Pittsboro. They held Bible Studies in four different locations. One is ongoing in the Country Living trailer park in Siler City. The average attendance in Bible Studies grew from 8 to 14. They led in a Hispanic Youth Day on Saturday, August 3, at the Family Life Center at Sanford First, with approximately 90 in attendance. They were also there to minister to the Sanchez family in Silk Hope after the fire that destroyed their home and took the lives of six family members. We are very grateful for their ministry with us this past summer.

With summer behind us we turned our attention to the Fair Ministry. Under the leadership of Bev Gautier, we operated an associational booth each night of the fair. Over 25 people were involved in witnessing and giving away 145 children's Jesus videos, 212 Jesus videos in English, 85 Jesus videos in Spanish, 600 smiley faces, 200 bookmarks made by Flat Springs GA's and 378 bottles of water donated by Hunt Springs. Everyone had a wonderful time. Thursday at lunch, Brother Bev Gautier organized a great lunch of fried chicken and barbeque for the fair workers. Pastor Robert Capps and friends provided some knee-slapping Gospel songs while Shirley Clark and folks from Cool Springs served lunch and deserts. Pastor Todd Freeman shared an evangelistic message. It was a great year at the fair.

All these events were wonderful blessings from God, but can you believe it, there are more. New Life Praise Church, under the leadership of their Pastor, our Mission Coordinator on the Mission Development Council, Craig Dodson, held a Tent Crusade on Hancock Road. This was an intentional effort to establish a church in Western Lee County. At least 2 houses committed to lead Bible Studies and several were saved. We are currently planning future events in this area.

If you would like to assist New Life in evangelistic visiting, Backyard Bible Schools or home Bible Studies contact pastor Dodson at 776-1066. All efforts will be directed toward a New Church start.

There is so much more to share, but one last report and we will close. Our Associational Counseling Ministry has seen several new developments. Even as this report is being written we are formulating an official sharing of ministries between GraceWorks and the Sandy Creek Association. We have received a \$1500 grant from the Baptist Foundation of North Carolina for assisting clients with counseling fees. We also have funds designated in the 2003 Associational Budget Counseling

Ministry line item for ministers and their families to receive assistance with counseling cost. All these funds will be administered on a confidential basis.

Woman's Missionary Union

For the past two years WMU has focused on the theme "Beyond Belief". We have heard many people share their testimonies of experiences beyond belief and we ourselves have experienced some of those precious moments. We've also been encouraged to go beyond just believing in Christ and have been challenged to put our faith into action. WMU has five strategic principles:

- Pray for and give to missions
- Do missions
- Learn about missions
- Develop spiritually toward a missions lifestyle
- Participate in the work of the church and the denomination

Every one of the above principles requires ACTION and we thank God for the opportunities He gives us each day to express our faith.

During the next two years we will have many opportunities to do just that as we focus on "**God's Plan...My Part**". In Stuart Calvert's book *God's Plan...My Part*, she reminds us that God had a plan before the creation of the world. It was not an afterthought. The plan was predetermined and revealed through history. It is up to us to pray and be sensitive to God's direction as we discover what our part is in His plan.

Members of the WMU Leadership Team were able to attend the State WMU Training Sessions held June 21-22 at Caraway Conference Center, so we were prepared to train church WMU leaders in the fall. The SCBA WMU Leadership Team conducted two training sessions – one on Saturday morning, August 24, 2002, 9-12:00 noon at Sandy Branch and the second was held Monday night, Sept. 23, 7-9:00 pm at Pittsboro Baptist. There were 49 WMU leaders from 18 of our churches participating in these important training sessions. Next year we plan to conduct one training session on Saturday morning, August 23, 2003, 9-12:00 noon.

Our churches observed the Week of Prayer for State Missions Sept. 8-14 and many of them conducted special services and candlelight vigils in remembrance of September 11, 2001, when terrorists struck the New York Trade Center Towers and Pentagon.

On October 11-12, 2002, about 60 women from our Association will attend the Annual Women on Mission Prayer Retreat at Camp Caraway and be inspired by Debbie Seagroves of Loves Creek Church who is scheduled to lead the sessions.

World Hunger Day was observed October 13 by many churches who collected canned foods for food pantries and assisted the Breadbasket ministry in Sanford.

The Associational WMU Leadership Team encouraged many missions opportunities during the last six months, in which many of our churches participated. Some of the ways we have "discovered the joy of missions" are:

1. For the **Family Violence & Rape Crisis Services of Chatham County** in Pittsboro WMU ladies collected \$150.60.
2. We collected \$150.60 and contributed it to the **Breadbasket Ministry** in Sanford to help feed people who don't always have the luxury of a hot meal each day.
3. At the Associational GA event April 13, the GA's collected two large boxes of personal hygiene items and sent them to Memphis, TN, to be distributed as part of the Mississippi River Ministry.
4. For the **Mississippi River Ministry** our churches collected hundreds of underwear, clothes, plastic trash bags, and coats; then Jonesboro Heights Acteens Activators delivered them in a U-Haul trailer to Memphis, TN to be distributed.
5. We had many stuffed Smiley Faces left from last year that were again distributed to children that came by the SCBA booth at the **Lee County Fair** this year.

6. We are in the process of collecting 1,500 tubes of Chapstick to be part of the NC WMU "Red Box" ministry at Christmas for the **NC Women's Prison inmates**. These are due in the SCBA office by November 3.

The churches in our association will observe the November 4 Baptist Women's Day of Prayer on Sunday, November 3, 2002 at 3:00 pm at Flat Springs Baptist Church. Amy Brooks, Associational Women on Mission Consultant, and Beth Morton, Associational Asst. Women on Mission Consultant, will lead the group as we pray for missionaries, our nation, and the world. There will be testimonials and special music.

As another year comes to an end, I thank you for the opportunity of serving in this capacity as your WMU Director. I am humbled by your kind words and ask that you continue to pray for me, and the WMU Leadership Team. Please let us know if we can help your church in any way become more missions-minded.
